U.S. vs. Apple, Inc., et al., 12-cv-2826 (DLC) (SDNY)

Please do not allow Apple, Amazon, or any other company to monopolize e-book commerce. We need a competitive market place for ebooks, online written materials, and brick and mortar book stores. It is essential for authors, readers, publishers, and book sellers that we have a diverse system of distributing the written word.

Thank you.
