Subject: U.S. vs. Apple, Inc., et al., 12-cv-2826 (DLC) (SDNY)

Mr. Read,

"Agency pricing" is not good for the book industry as it leads to imbalance in sales and opportunity for sales. Please find against the the Amazon system of market domination. Perhaps the Sherman Antitrust Act would have protected the public in the past, but it is no longer being enforced. Thank you.
