Subject: United States v. Apple, Inc. et al., No. 12-CV-2826(DLC) (S.D.N.Y.)

Sir,

You are aware that your decision will carry a heavy weight for future American generations - if they will be readers or non-readers, of they can globally in international education or not.

A healthy book culture needs diverse publishers and sellers, not a monopoly.

I urge you to do the right thing.

Alexa Fleckenstein M.D., physician, author.
