Subject: Support Book Stores

Dear Mr. Read,

I am writing today regarding “**United States v. Apple, Inc., et al., 12-cv-2826 (DLC) (SDNY)**”. I hope that the government would not support an act that would cause such hardship for businesses throughout the U.S. This could mean a huge increase in unemployment. I buy things from Amazon, as well as other online stores, however I can't imagine not having a store to go to. My family enjoys going to the bookstore to shop. I will do whatever I can to support the Author's Guild in stopping Amazon from becoming the only place to purchase a book.

Sincerely,

David Clark
