R.E. United States v. Apple, Inc., et al., 12-cv-2826 (DLC) (SDNY). Comments on Proposed Final Judgment as to Defendants Hachette, HarperCollins and Simon & Schuster.

As a writer and an English professor, I agree with the Author's Guild that a healthy, competitive book market is vital to our culture. It's not in the public interest for the government to help Amazon use e-books to target traditional brick-and-mortar bookstores. I strongly oppose the decision of the Dept. of Justice that would give unfair advantage to Amazon.

Sincerely,

Suzanne Van Dam
