Subject: United States v. Apple, Inc. et al., No. 12-CV-2826(DLC) (S.D.N.Y.)

Dear Mr. Read,

I am writing to you regarding the lawsuit against Apple and five publishers for alleged price-fixing. I am a novelist as well as an avid reader. I strongly believe that this suit will do irreparable harm to the book business by helping one competitor (Amazon) over all others (brick and mortar stores). I urge you to drop this suit.

Sincerely,

LL
