JUL 3 - REC'D 2012

LITIGATION III, ANTITRUST DIV.
U.S. DEPT OF JUSTICE

Dear Mr. Read,

In my nightmares, I see a country in which Amazon and Wal-Mart are the only two companies left. It looks like Earth in the movie "Wall-E", where "Buy 'N Large" has taken over and run the planet into the ground.

Please do not facilitate the Amazon takeover of the book world. Allow publishers to maintain fair and reasonable pricing for e-books through the agency plan. Protect local independent booksellers. They are the light of the world.

Sincerely,

Marilyn Copeland
