LITIGATION III, ANTITRUST DIV.
U.S. DEPT OF JUSTICE

Dear Mr. Read,

I wish to express my opposition to your intention to eliminate the Agency Model for e-book sales.

I am concerned about the deleterious effect this action would have on our struggling independent bookstores, leaving Amazon as the sole marketer of books. Furthermore, it is believed that this action will adversely affect not only our local economy, but the fields of writing and publishing in general.

For the sake of independent bookstores and those who love books and reading, please reconsider.

Sincerely yours,

Merrie-Lee Rebillot
