MOTION OF THE
UNITED STATES DEPARTMENT OF JUSTICE
FOR LEAVE TO FILE OUT OF TIME

The United States Department of Justice respectfully requests leave to file, out of time, its comments in response to the notice of proposed rulemaking (NPRM) in this docket. The Department was unable to file on time because of scheduling conflicts that delayed review of the comments within the Department. The NPRM addresses important issues affecting competition in the air transportation industry and acceptance of the Department's comments will contribute to the development of a complete record in this proceeding. Accordingly, the Department requests that DOT accept these comments out of time.

Respectfully submitted,

John R. Read
Attorney
Antitrust Division
