The accounts receivables files contain Dell worldwide monitor panel purchases from 2004 to June 2005. The GLOVIA text files contain Dell worldwide monitor panel purchases from June 2005 through December 1, 2006, Dell monitor purchases by region, and Dell notebook panel purchases for Dell notebooks shipped to North and South America. GLOVIA is Dell's inventory database. Duplicate records from the accounts receivables files and the GLOVIA files in June 2005 were removed.
