Re: "Agency Model" Antitrust Lawsuit Against eBook Price-Fixing by
Apple and the Big Publishers.

Dear Sir:

I thought the idea of socialism was to protect the middle class from the capitalists while the idea of capitalism was to promote free enterprise, not the other way around. Fixed prices are the opposite of free enterprise so we could and should call that socialism for the capitalists.

Please stop Apple and other big publishers from fixing prices on eBooks.

Thanks,

Tommie Kelly
