

SETTLEMENT AGREEMENT

I. PARTIES

This Settlement Agreement ("Agreement") is made between the United States of America; acting through the Department of Justice (the "Department of Justice"), and on behalf of the Office of Inspector General ("OIG-HHS") of the Department of Health and Human Services ("HHS"); the TRICARE Management Activity ("TMA") (formerly the Office of the Civilian Health and Medical Program of the Uniformed Services ("OCHAMPUS")), through its General Counsel; the United States Office of Personnel Management ("OPM"), which administers the Federal Employees Health Benefits Program ("FEHBP") (collectively, the "United States"); the Personal Representative of the Estate of Relator Theresa Semtner ("Relator"); and Emergency Physicians, Ltd., a Wisconsin corporation; (collectively in all, the "Parties"), through their authorized representatives.

II. PREAMBLE

As a preamble to this Agreement, the Parties agree to the following:

A. The United States contends that Emergency Physicians submitted or caused to be submitted claims for payment to the Medicare Program ("Medicare"), Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395-1395ggg (1997), the TRICARE Program, 10 U.S.C. §§ 1071-1106; the FEHBP, 5 U.S.C. §§ 8901-8914, and the

Medicaid Program, 42 U.S.C. §§ 1396-1396v (1997).

B. This Agreement addresses the United States' civil claims against Emergency Physicians based on the conduct alleged in the sealed action pending in the Western District of Oklahoma (the "Sealed Action"), and in Paragraphs C and D of this Agreement, involving the coding by Emergency Physicians Billing Service ("EPBS") of emergency room services on behalf of Emergency Physicians through October 4, 1999 (the "Covered Conduct").

C. The United States contends that the Covered Conduct may have resulted in the submission of claims that are actionable under the False Claims Act, 31 U.S.C. §§ 3729-3733, and common law.

D. The United States also contends that it may have certain administrative claims against Emergency Physicians under the provisions for permissive exclusion from the Medicare, Medicaid and other Federal health care programs, 42 U.S.C. § 1320a-7(b), the provisions for exclusion from the TRICARE program, 32 C.F.R. § 199.9, the provisions for exclusion from the FEHBP, 5 U.S.C. § 8902a or 5 C.F.R. Part 970, and the provisions for civil monetary penalties, 42 U.S.C. § 1320a-7a, for the Covered Conduct.

E. Emergency Physicians denies the contentions of the United States in paragraphs C and D above.

F. The Parties mutually desire to settle these disputes.

III. TERMS AND CONDITIONS

NOW, THEREFORE, in reliance on the representations contained herein and in consideration of the mutual promises, covenants, and obligations set forth below, and for good and valuable consideration as stated herein, the Parties agree as follows:

1. Emergency Physicians agrees to pay the United States and the state of Wisconsin (the "State") the collective sum of \$29,838.00 (the "Total Amount"). Emergency Physicians agrees to make separate payments aggregating up to the Total Amount as follows: \$27,851.73 to the United States (the "United States' Settlement Share") and \$1,986.27 to the State (the "State's Settlement Share"). Payment of the United States' Settlement Share will be made within ten (10) business days of execution of the Agreement. Payment of the United States' Settlement Share shall be governed by this Agreement and payment will be made by check payable to the United States Department of Justice. A separate settlement agreement will be negotiated and executed between Emergency Physicians and the State (the "State Agreement"), with payment instructions as to the State's Settlement Share to be provided by Ellyn Sternfield, Esq. on behalf of the State. TMA has already begun to process claims that have been suspended by TMA, with the amount to be paid by TMA to Emergency Physicians to equal 88% of the amount that would

have been paid by TMA had it processed the suspended claims without review of the coding.

TMA may further adjust its payments to reflect adjustments for any of the suspended claims that were inadvertently processed prior to the effective date of this Agreement. Further, Emergency Physicians waives any administrative appeal rights for any of the suspended claims. For suspended TMA claims submitted by EPBS on behalf of Emergency Physicians, payments will be issued in the normal course of business which means the payment will normally be issued to EPBS.

2. Dismissal and Release. Subject to the exceptions in paragraph 7 below, in consideration of the obligations set forth in this Agreement and conditioned upon Emergency Physicians's payment in full of the United States' Settlement Share: (i) within five days after the Relator's receipt of the payment set forth in Paragraph 5 hereof, the United States and Relator will move to dismiss with prejudice the claims against Emergency Physicians in the Sealed Action subject to the terms of this Agreement and as described more fully in paragraph 8 of this Agreement; and (ii) the United States hereby releases and discharges Emergency Physicians from any civil or administrative monetary claims the United States now has or may have under the False Claims Act, 31 U.S.C. §§ 3729-3733, the Civil Monetary Penalties Law, 42 U.S.C. § 1320a-7a, the Program Fraud Civil

Remedies Act, 31 U.S.C. §§ 3801-3812, or the common law theories of payment by mistake, unjust enrichment, breach of contract, and fraud, for the Covered Conduct.

3. Administrative Waiver. (a) Subject to the exceptions in Paragraph 7 below and as reserved in this Subparagraph, in consideration for the obligations of Emergency Physicians under this Agreement, conditioned upon Emergency Physicians's payment in full of the United States' Settlement Share and the State's Settlement Share, the OIG-HHS agrees to release and refrain from instituting, directing or maintaining any administrative claim or any action seeking permissive exclusion of Emergency Physicians from the Medicare, Medicaid or other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)), pursuant to 42 U.S.C. § 1320a-7a (Civil Monetary Penalties Law), or 42 U.S.C. § 1320a-7(b) (permissive exclusion), for the Covered Conduct. The OIG-HHS expressly reserves all rights to comply with any statutory obligations to exclude Emergency Physicians from the Medicare, Medicaid or other Federal health care programs under 42 U.S.C. § 1320a-7(a) (mandatory exclusion) for the Covered Conduct. Nothing in this Paragraph precludes OIG-HHS from taking action against entities or persons, or for conduct and practices, for which civil claims have been reserved in Paragraph 7, below.

(b) In consideration of the obligations of Emergency

Physicians under this Agreement, conditioned upon Emergency Physicians's payment in full of the United States' Settlement Share, the TMA agrees to refrain from instituting, directing, or maintaining any administrative claims or any action seeking exclusion from the TRICARE Program against Emergency Physicians under 32 C.F.R. § 199.9 for the Covered Conduct, except as reserved in Paragraph 7 below and as reserved in this Subparagraph. The TMA expressly reserves authority to exclude Emergency Physicians from the TRICARE program under 32 C.F.R. §§ 199.9(f)(1)(i)(A) and (f)(1)(iii) (mandatory exclusion), based upon the Covered Conduct. Nothing in this Paragraph precludes the TMA from taking action against entities or persons, or for conduct and practices, for which civil claims have been reserved in Paragraph 7, below.

(c) In consideration of the obligations of Emergency Physicians set forth in this Agreement, conditioned upon Emergency Physicians's payment in full of the United States' Settlement Share, OPM agrees to release and refrain from instituting, directing, or maintaining any administrative claim or any action seeking exclusion from the FEHBP against Emergency Physicians under 5 U.S.C. § 8902a or 5 C.F.R. Part 970 for the Covered Conduct, except if excluded by the OIG-HHS pursuant to 42 U.S.C. § 1320a-7(a). Nothing in this Subparagraph precludes OPM from taking action against entities or persons, or for conduct

and practices, for which civil claims have been reserved in Paragraph 7, below.

4. Relator agrees that the settlement between the United States and Emergency Physicians in this action is fair, adequate and reasonable pursuant to 31 U.S.C. § 3730(c)(2)(B).

5. Pursuant to 31 U.S.C. § 3730, the United States will pay to Relator \$5,570.35 (the "Relator's share"), within a reasonable time after the United States' receipt of the United States' Settlement Share from Emergency Physicians. Relator will provide the United States with wire transfer information to allow the Relator's share to be paid by wire transfer. The United States shall not be obligated to pay Relator unless and until the United States receives payment of the United States' Settlement Share from Emergency Physicians.

6. In exchange for the United States' payment to Relator of the Relator's share, Relator hereby releases and discharges any and all claims Relator might bring against the United States relating to the Covered Conduct, and this Agreement, under 31 U.S.C. § 3730(d).

7. Exceptions to the Releases. Notwithstanding any term of this Agreement, specifically reserved and excluded from the scope and terms of this Agreement and the releases provided herein are:

- a. any civil, criminal, or administrative claims

arising under Title 26, United States Code (Internal Revenue Code), or under securities laws;

b. claims for defective or deficient services;

c. claims relating to obligations created by this Agreement;

d. claims against entities or persons other than Emergency Physicians, including those currently named as defendants in the Sealed Action, and any named defendants in *United States ex rel. Semtner v. EPBS*, No. 94-671-(C) (W.D. Okla.), and other clients of EPBS;

e. except as explicitly stated in this Agreement, any other administrative liability, including claims for any action seeking exclusion from the Medicare program or other Federal health care programs (as defined in Title 42 U.S.C. §1320a-7b(f)) pursuant to 42 U.S.C. § 1320a-7(a) (mandatory exclusion);

f. any liability to the United States or its agencies for any conduct other than the Covered Conduct; and

g. any criminal liability.

8. Concurrent with the execution of this Settlement Agreement, the United States and Relator shall execute a Stipulation of Dismissal to be filed with the Court within five days after Relator's receipt of the Relator's share described in Paragraph 5 of this Agreement. The Stipulation will request that the Court enter an order to dismiss with prejudice the claims

against Emergency Physicians in the Sealed Action, subject to the terms of this Agreement and to any order by the Court with respect to the seal. The Parties will exert all best efforts to obtain the dismissal with prejudice of the claims against Emergency Physicians consistent with this Agreement.

9. In consideration of the mutual promises and obligations of this Agreement, Relator hereby releases and discharges Emergency Physicians from any claims, known or unknown, which Relator asserts or could have asserted under the False Claims Act or any other statute or common law theory of any kind whatsoever creating causes of action for the Covered Conduct.

10. Unallowable Costs. Emergency Physicians agrees that all costs (as defined in the Federal Acquisition Regulations ("FAR") § 31.205-47, and in Titles XVIII and XIX of the Social Security Act, 42 U.S.C. §§ 1395-1395ddd (1997) and § 1396-1396v (1997), and the regulations promulgated thereunder) incurred by or on behalf of Emergency Physicians in connection with: (a) the matters covered by this Agreement and the State Agreement, including attorney's fees; (b) the government's audits and civil and criminal investigations of the allegations which are the subject of this Agreement; (c) any of Emergency Physicians's investigation, defense and corrective actions undertaken in response to the Government's audits and civil and criminal investigations in connection with matters specifically covered by

this Agreement and the State Agreement; (d) the negotiation of this Agreement and the State Agreement (including attorney's fees); and (e) the payments made to the United States, the State and the Relator pursuant to this Agreement and the State Agreement, shall be unallowable costs on Government contracts and under the Medicare, Medicaid, TRICARE, Veterans Affairs (VA) and FEHBP Programs (hereinafter "unallowable costs"). These unallowable costs will be separately estimated and accounted for by Emergency Physicians and Emergency Physicians will not charge such unallowable costs directly or indirectly to any contracts with the United States or any state Medicaid program, or seek payment for such unallowable costs through any cost report, cost statement, information statement or payment request submitted by Emergency Physicians or any of its subsidiaries to the Medicare, Medicaid, TRICARE, VA or FEHBP programs.

Emergency Physicians further agrees that within 60 days of the effective date of this Agreement it will identify to applicable Medicare, VA, and TRICARE fiscal intermediaries, carriers and/or contractors, and Medicaid and FEHBP fiscal agents, any unallowable costs (as defined in this Paragraph 10) included in payments previously sought from the United States, or any State Medicaid Program, including, but not limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by Emergency

Physicians or any of its subsidiaries, and will request, and agree, that such cost reports, cost statements, information reports or payment requests, even if already settled, be adjusted to account for the effect of the inclusion of the unallowable costs. Emergency Physicians agrees that the United States will be entitled to recoup from Emergency Physicians any overpayment as a result of the inclusion of such unallowable costs on previously-submitted cost reports, information reports, cost statements or requests for payment. Any payments due after the adjustments have been made shall be paid to the United States pursuant to the direction of the Department of Justice, and/or the affected agencies. The United States reserves its rights to disagree with any calculations submitted by Emergency Physicians or any of its subsidiaries on the effect of inclusion of unallowable costs (as defined in this Paragraph 10) on Emergency Physicians or any of its subsidiaries' cost reports, cost statements or information reports. Nothing in this Agreement shall constitute a waiver of the rights of the United States to examine or reexamine the unallowable costs described in this Paragraph.

11. Emergency Physicians agrees that it will not seek payment for any of the health care billings covered by this Agreement from any Federal health care beneficiaries or their parents or sponsors. Emergency Physicians waives any causes of

action against these beneficiaries or their parents or sponsors based upon the claims for payment covered by this Agreement.

12. Waiver of Double Jeopardy Defense. With respect to the Covered Conduct, Emergency Physicians hereby waives and will not assert any defenses it may have to any criminal prosecution, which defenses may be based in whole or in part on a contention that, under the Double Jeopardy Clause in the Fifth Amendment of the Constitution, or under the Excessive Fines Clause in the Eighth Amendment of the Constitution, this Settlement bars a remedy sought in such criminal prosecution or administrative action. Emergency Physicians further agrees that this Settlement is not punitive in purpose or effect.

13. Nothing in this Paragraph or any other provision of this Agreement constitutes an agreement by the United States concerning the characterization of the amounts paid hereunder for purposes of the Internal Revenue Code, Title 26 of the United States Code.

14. Emergency Physicians represents that this Agreement is freely and voluntarily entered into without any degree of duress or compulsion whatsoever.
