22 The Court approves the new Master Plan for multilingual education agreed upon by the
23 parties. Accordingly, the parties' stipulated application to modify the consent decree is granted. The
24 consent decree is hereby modified such that the new Master Plan supercedes any language contained
25 in the original consent decree order that is inconsistent with the new Master Plan or with this order.

26 Beginning on September 15, 2009, and continuing yearly thereafter until further order of this
27 Court, defendant San Francisco Unified School District ("SFUSD") shall report to the Court on the
28

1 progress made in implementing the plan during the previous academic year, in conformance with
2 Section J of the new Master Plan. For the 2007-2008 academic year, SFUSD shall file a progress
3 report on November 15, 2008 in the format required by the original consent decree.

4 With respect to the new reporting system set forth in Section J, the Bilingual Community
5 Council may file with the Court a minority report expressing any concerns with the progress made in
6 implementing the Master Plan. SFUSD shall assist the Council in filing the minority report (if any)
7 with the Court, but SFUSD will have no responsibility for formulating, preparing, revising, or
8 reviewing such report.

9 The District shall keep the parties informed of, and shall timely provide the parties with all
10 documents relating to, the procedures and policies developed during implementation of the Master
11 Plan.

12 The Case Management Conference set for September 16, 2008, is vacated.
