## VI. FAILURE TO COMPLY WITH CONSENT DECREE

8. Interest on Late Payments. If any Settling Defendant fails to make any payment under Paragraph 4 (Payment by Settling Defendants for Past Response Costs) by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

9. Stipulated Penalty.

a. If any amounts due to EPA under Paragraph 4 (Payment by Settling Defendants for Past Response Costs) are not paid by the required date, Settling Defendants shall be in violation of this Consent Decree and shall pay to EPA, as a stipulated penalty, in addition to the Interest required by Paragraph 8, \$750 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as "stipulated penalties" and shall be made by Fedwire EFT to:

11. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendants' failure to comply with the requirements of this Consent Decree.

12. The obligations of Settling Defendants to pay amounts owed the United States under this Consent Decree are joint and several. In the event of the insolvency of any Settling Defendant or the failure by any Settling Defendant to make the payments required under this Consent Decree, the remaining Settling Defendants shall be responsible for such payments.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendants from payment as required by Section V (Payment of Response Costs) or from performance of any other requirements of this Consent Decree.

#### **VII. COVENANTS BY PLAINTIFF**

14. Covenants for Settling Defendants by United States. Except as specifically provided in Section VIII (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Settling Defendants pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. These covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree. These covenants extend only to Settling Defendants and do not extend to any other person.

#### **VIII. RESERVATIONS OF RIGHTS BY UNITED STATES**

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within Paragraph 14 (Covenants for Settling Defendants by United States). Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendants with respect to:

- a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and
- e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

## IX. COVENANTS BY SETTLING DEFENDANTS

16. Covenants by Settling Defendants. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs and this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of the response actions at the Sites for which the Past Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of Georgia, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; or

c. any claim pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. § 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law for Past Response Costs.

17. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

### 18. Waiver of Claims by Settling Defendants.

a. Settling Defendants agree not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that they may have:

(1) De Micromis Waiver. For all matters relating to the Sites against any person where the person's liability to Settling Defendants with respect to the Sites is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of hazardous substances at a Site, or having accepted for transport for disposal or treatment of hazardous substances at a Site, if all or part of the disposal, treatment, or transport occurred before April 1, 2001, and the total amount of material containing hazardous substances contributed by such person to the Sites was less than 110 gallons of liquid materials or 200 pounds of solid materials;

(2) De Minimis/Ability to Pay Waiver. For response costs relating to the Sites against any person that has entered or in the future enters into a final CERCLA § 122(g) *de minimis* settlement, or a final settlement based on limited ability to pay, with EPA with respect to the Sites.

### b. Exceptions to Waivers.

(1) The waivers under this Paragraph 18 shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have

against any person otherwise covered by such waivers if such person asserts a claim or cause of action relating to the Sites against such Settling Defendant.

(2) The waiver under Paragraph 18.a(1) (De Micromis Waiver) shall not apply to any claim or cause of action against any person otherwise covered by such waiver if EPA determines that: (i) the materials containing hazardous substances contributed to the Sites by such person contributed significantly or could contribute significantly, either individually or in the aggregate, to the cost of the response action or natural resource restoration at the Sites; or (ii) such person has failed to comply with any information request or administrative subpoena issued pursuant to Section 104(e) or 122(e)(3)(B) of CERCLA, 42 U.S.C. § 9604(e) or 9622(e)(3)(B), or Section 3007 of RCRA, 42 U.S.C. § 6927, or has impeded or is impeding, through action or inaction, the performance of a response action or natural resource restoration with respect to the Sites; or if (iii) such person has been convicted of a criminal violation for the conduct to which the waiver would apply and that conviction has not been vitiated on appeal or otherwise.

#### **X. EFFECT OF SETTLEMENT/CONTRIBUTION**

19. Except as provided in Paragraph 18 (Waiver of Claims by Settling Defendants), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section IX (Covenants by Settling Defendants), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Sites against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

20. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement pursuant to which each Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are Past Response Costs.

21. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which each Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

22. Each Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Each Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ in writing within 10 days after service of the complaint or claim upon it. In addition, each Settling Defendant shall notify EPA and DOJ within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

23. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Sites, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiff set forth in Section VII.

#### **XI. RETENTION OF RECORDS**

24. Until five years after the Effective Date, each Settling Defendant shall preserve and retain all non-identical copies of records, reports, documents, and other information (including records, reports, documents, and other information in electronic form) (hereinafter referred to as "Records") now in its possession or control or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to the Sites, provided, however, that Settling Defendants who are potentially liable as owners or operators of the Sites must retain, in addition, all Records that relate to the liability of any other person under CERCLA with respect to the Sites. Each of the above record retention requirements shall apply regardless of any corporate retention policy to the contrary.

25. At the conclusion of the record retention period, Settling Defendants shall notify EPA and DOJ at least 90 days prior to the destruction of any such Records, and, upon request by EPA or DOJ, and except as provided in Paragraph 26 (Privileged and Protected Claims), Settling Defendants shall deliver any such Records to EPA.

#### **26. Privileged and Protected Claims.**

a. Settling Defendants may assert that all or part of a Record is privileged or protected as provided under federal law, provided they comply with Paragraph 26.b, and except as provided in Paragraph 26.c.

b. If Settling Defendants assert a claim of privilege or protection, they shall provide Plaintiff with the following information regarding such Record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, each addressee, and of each recipient; a description of the Record's contents; and the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a Record, Settling Defendants shall provide the Record to Plaintiff in redacted form to mask the privileged or protected information only. Settling Defendants shall retain all Records

that they claim to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in the Settling Defendants' favor.

c. Settling Defendants may make no claim of privilege or protection regarding:

(1) any data regarding the Sites, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record that evidences conditions at or around the Sites; or

(2) the portion of any Record that Settling Defendants are required to create or generate pursuant to this Consent Decree.

27. Business Confidential Claims. Settling Defendants may assert that all or part of a Record submitted to Plaintiff under this Section is business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Settling Defendants shall segregate and clearly identify all Records or parts thereof submitted under this Consent Decree for which Settling Defendants assert a business confidentiality claim. Records submitted to EPA determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA, or if EPA has notified Settling Defendants that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Settling Defendants.

28. Each Settling Defendant certifies individually that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Sites since notification of potential liability by the United States and that it has fully complied with any and all EPA requests for information regarding the Sites pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), and Section 3007 of RCRA, 42 U.S.C. § 6927.

## XII. NOTICES AND SUBMISSIONS

Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email (if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.
