27 8. All Interest and penalties set forth under this Section shall begin to accrue

22 12. Payments made under this Section shall be in addition to any other  
23 remedies or sanctions available to Plaintiff by virtue of Settling Defendants' failure to  
24 comply with the requirements of this Consent Decree.

25 13. If the United States brings an action against Settling Defendants to  
26 enforce this Consent Decree, Settling Defendants shall reimburse the United States for  
27 all costs of such action, including but not limited to costs of attorney time.  
28

1 **VIII. COVENANT NOT TO SUE BY PLAINTIFF**

8 Paragraph 5. This covenant is conditioned upon Settling Defendants' satisfactory  
9 performance of their obligations under this Consent Decree. This covenant extends  
10 only to Settling Defendants and does not extend to any other person.

11 15. Reservation of Rights. The covenant not to sue set forth in Paragraph 14  
12 does not pertain to any matters other than those expressly specified therein. Plaintiff  
13 reserves, and this Consent Decree is without prejudice to all rights against Settling  
14 Defendants with respect to other matters, including but not limited to:

- 15 a. liability for failure by Settling Defendants to meet a requirement of  
16 this Consent Decree;
- 17 b. liability for damages for injury to, destruction of, or loss of natural  
18 resources, and for the costs of any natural resource damage assessments;
- 19 c. criminal liability; and
- 20 d. liability for response actions and response costs incurred or to be  
21 incurred by the United States not covered as matters addressed as set forth in  
22 Paragraph 19 of this Consent Decree, including but not limited to liability for any  
23 response actions and response costs at the Site that occur after the later of (i) the date  
24 eight (8) years from the Operational and Functional Date of the Carrier Consent  
25 Decree, or (ii) the date of issuance of a final Record of Decision for the Site.

26 **IX. COVENANT NOT TO SUE BY SETTLING DEFENDANTS**

27 16. Settling Defendants covenant not to sue and agree not to assert any  
28 claims or causes of action against Plaintiff or its contractors or employees with respect

1 to Response Work, Past Response Costs, and Future Response Costs, as set forth in  
2 this Consent Decree, including but not limited to:

3 a. any direct or indirect claims for reimbursement from the  
4 Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of  
5 CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision  
6 of law;

7 b. any claims arising out of costs or response actions at or in  
8 connection with the Site, including any claim under the United States Constitution, the  
9 California Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice  
10 Act, 28 U.S.C. § 2412, as amended, or at common law; and

11 c. any claims against the United States pursuant to Sections 107 and  
12 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, related to the Site.

13 17. Nothing in this Consent Decree shall be deemed to constitute approval or  
14 preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C.  
15 § 9611, or 40 C.F.R. § 300.700(d).

16 **X. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

17 18. Nothing in this Consent Decree shall be construed to create any rights in,  
18 or grant any cause of action to, any person not a Party to this Consent Decree. The  
19 preceding sentence shall not be construed to waive or nullify any rights that any  
20 person not a signatory to this Decree may have under applicable law. Each of the  
21 Parties expressly reserves any and all rights (including, but not limited to, any right to  
22 contribution), defenses, claims, demands, and causes of action which each Party may  
23 have with respect to any matter, transaction, or occurrence relating in any way to the  
24 Site against any person not a Party hereto.

25 19. The Parties agree that in consideration of the payment made by Settling  
26 Defendants and the execution of this Consent Decree, Settling Defendants have  
27 resolved their liability to Plaintiff and are entitled to protection from contribution  
28 actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. §

1 9613(f)(2), for matters addressed in this Consent Decree, conditioned only upon entry  
2 of this Consent Decree. The matters addressed in this Consent Decree are: Response  
3 Work; Past Response Costs; and Future Response Costs. The matters addressed  
4 exclude those response actions and response costs to which Plaintiff has reserved its  
5 rights under this Consent Decree.

6 20. Settling Defendants agree that, with respect to any suit or claim for  
7 contribution brought by Settling Defendants for matters related to this Consent  
8 Decree, Settling Defendants will notify DOJ and EPA, in writing not later than sixty  
9 (60) Days prior to the initiation of such suit or claim. Settling Defendants also agree  
10 that, with respect to any suit or claim for contribution brought against Settling  
11 Defendants for matters related to this Consent Decree, Settling Defendants will notify  
12 DOJ and EPA in writing within ten (10) Days of service of the complaint or claims  
13 upon Settling Defendants. In addition, Settling Defendants shall notify DOJ and EPA  
14 within ten (10) Days of service or receipt of any motion for summary judgment or any  
15 order from a court setting a case for trial, for matters related to this Consent Decree.

16 21. In any subsequent administrative or judicial proceeding initiated by the  
17 United States for injunctive relief, recovery of response costs, or other relief relating  
18 to the Site, Settling Defendants shall not assert, and may not maintain, any defense or  
19 claims based upon the principles of waiver, res judicata, collateral estoppel, issue  
20 preclusion, claim-splitting, or other defenses based upon any contention that the  
21 claims raised by the United States in the subsequent proceeding were or should have  
22 been brought in the instant case; provided, however, that nothing in this Paragraph  
23 affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section  
24 VIII.

25 **XI. SITE ACCESS**

26 22. Commencing upon the date of lodging of this Consent Decree, Settling  
27 Defendants agree to provide the United States and the State of California and their  
28 representatives, including the EPA, the Department of Toxic Substances Control, and

1 the Los Angeles Regional Water Quality Control Board, and their contractors, access  
2 at all reasonable times to the property within the Site owned or controlled by Settling  
3 Defendants to which access is determined by the EPA to be required for the  
4 implementation of this Consent Decree, or for the purpose of conducting any response  
5 activity related to the Site, including but not limited to:

- 6 a. Monitoring of investigation, removal, remedial or other activities  
7 at the Site;
- 8 b. Verifying any data or information submitted to the United States or  
9 to the State of California;
- 10 c. Conducting investigations relating to contamination at or near the  
11 Site;
- 12 d. Obtaining samples;
- 13 e. Assessing the need for, planning, or implementing response actions  
14 at or near the Site; and
- 15 f. Inspecting and copying records, operating logs, contracts, or other  
16 documents maintained or generated by Settling Defendants or their agents, consistent  
17 with Section XII (Access to Information).

18 23. Notwithstanding any provision of this Consent Decree, the United States  
19 retains all of its access authorities and rights, including enforcement authorities related  
20 thereto, under CERCLA, the Resource Conservation and Recovery Act, 42 U.S.C. §  
21 6927, and any other applicable statutes or regulations.

22 **XII. ACCESS TO INFORMATION**

23 24. Settling Defendants shall provide to Plaintiff, upon request, copies of all  
24 documents and information within their possession or control or that of their  
25 contractors or agents relating in any manner to response actions taken at the Site or the  
26 liability of any person for response actions conducted and to be conducted at the Site,  
27 including, but not limited to, sampling, analysis, chain of custody records, manifests,  
28 trucking logs, receipts, reports, sample traffic routing, correspondence, or other

1 documents or information related to the Site.

2 25. Confidential Business Information and Privileged Documents.

3 a. Settling Defendants may assert business confidentiality claims  
4 covering part or all of the documents or information submitted to Plaintiff under this  
5 Consent Decree to the extent permitted by and in accordance with Section 104(e)(7)  
6 of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. § 2.203(b). Documents or  
7 information determined to be confidential by Plaintiff will be accorded the protection  
8 specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies  
9 documents or information when they are submitted to Plaintiff, or if Plaintiff has  
10 notified Settling Defendants that the documents or information are not confidential  
11 under the standards of Section 104(e)(7) of CERCLA, the public may be given access  
12 to such documents or information without further notice to Settling Defendants.

13 b. Settling Defendants may assert that certain documents, records, or  
14 other information are privileged under the attorney-client privilege or any other  
15 privilege recognized by federal law. If a Settling Defendant asserts such a privilege in  
16 lieu of providing documents, it shall provide Plaintiff with the following: 1) the title of  
17 the document, record, or information; 2) the date of the document, record, or  
18 information; 3) the name and title of the author of the document, record, or  
19 information; 4) the name and title of each addressee and recipient; 5) a description of  
20 the subject of the document, record or information; and 6) the privilege asserted.  
21 However, no documents, reports, or other information created or generated pursuant to  
22 the requirements of this or any other consent decree with Plaintiff shall be withheld on  
23 the grounds that they are privileged. If a claim of privilege applies only to a portion of  
24 a document, the document shall be provided to Plaintiff in redacted form to mask the  
25 privileged information only. Such Settling Defendant shall retain all records and  
26 documents that it claims to be privileged until Plaintiff has had a reasonable  
27 opportunity to dispute the privilege claim and any such dispute has been resolved in  
28 the Settling Defendants' favor.

10 State, pursuant to Section XI (EPA Approval of Plans and Other Submissions)  
11 within 30 Days of the inspection. In the report, a registered professional engineer  
12 and the Settling Defendants' Project Coordinator shall state that the Remedial  
13 Action is Operational and Functional. The written report shall include as-built  
14 drawings signed and stamped by a professional engineer. The report shall contain  
15 the following statement, signed by a responsible corporate official of a Settling  
16 Defendant or the Settling Defendants' Project Coordinator:

17 To the best of my knowledge, after thorough investigation, I certify  
18 that the information contained in or accompanying this submission is  
19 true, accurate and complete. I am aware that there are significant  
penalties for submitting false information, including the possibility of  
fine and imprisonment for knowing violations.

20 If, after completion of the pre-certification inspection and receipt and review of the  
21 written report, EPA, after reasonable opportunity to review and comment by  
22 DTSC, determines that the Remedial Action is not Operational and Functional,  
23 EPA will notify Settling Defendants in writing of the activities that must be  
24 undertaken by Settling Defendants pursuant to this Consent Decree in order for the  
25 Remedial Action to be Operational and Functional. EPA will set forth in the notice  
26 a schedule for performance of such activities consistent with the Consent Decree  
27 and the SOW or require the Settling Defendants to submit a schedule to EPA for  
28 approval pursuant to Section XI (EPA Approval of Plans and Other Submissions).

SEALING

1 Settling Defendants shall perform all activities described in the notice in  
2 accordance with the specifications and schedules established pursuant to this  
3 Paragraph, subject to their right to invoke the dispute resolution procedures set  
4 forth in Section XX (Dispute Resolution).

SCANNED

5 b. If EPA concludes, based on the initial or any subsequent report  
6 requesting certification, and after a reasonable opportunity for review and  
7 comment by DTSC, that the Remedial Action is Operational and Functional, EPA  
8 will so certify in writing to Settling Defendants.

9 c. If EPA fails to certify that the Remedial Action is Operational  
10 and Functional within 90 Days after a request, EPA shall be deemed to have denied  
11 the request, unless Settling Defendants agree to an extension of time. Settling  
12 Defendants may, at any time thereafter, invoke Dispute Resolution pursuant to  
13 Section XX (Dispute Resolution).

14 d. Nothing herein shall preclude Settling Defendants from  
15 requesting, and EPA from granting, pursuant to the same procedures set forth in  
16 Subparagraphs a-c of this Paragraph, certification that a phase of the Remedial  
17 Action is Operational and Functional; provided, however, that any such  
18 certification shall be conditioned on such phase remaining Operational and  
19 Functional at the time Settling Defendants request certification for the final phase  
20 of the Remedial Action. In the event Settling Defendants request certification that  
21 a phase of the Remedial Action is Operational and Functional, and such request is  
22 granted, the resulting certification shall not affect the Operational and Functional  
23 Date.

24 e. Upon approval of the certification report by EPA or pursuant to  
25 a ruling by the Court, the Operational and Functional Date shall be the date when  
26 the last report requesting certification of the final phase of the Remedial Action  
27 was submitted.

28 f. The Operational and Functional Date established pursuant to

1 this Paragraph shall not be affected if existing contamination greater than or equal  
2 to ten-times the levels listed in Table 2 of the SOW has migrated vertically into the  
3 intermediate zone and this existing contamination prevents Settling Defendants  
4 from meeting the Performance Criteria, provided the Settling Defendants are  
5 taking the response actions determined by EPA to be necessary to reverse the trend  
6 pursuant to the SOW.

7 g. Once EPA has determined that the Remedial Action is  
8 Operational and Functional pursuant to this Paragraph, the Operational and  
9 Functional Date shall not be affected in the event EPA subsequently determines,  
10 pursuant to Paragraph 13, that modification to the Work specified in the SOW or in  
11 work plans developed pursuant to the SOW is necessary to achieve and maintain  
12 the Performance Criteria, to meet discharge ARARs, or to implement Mid-Valley  
13 Monitoring.

14 51. Certification of Completion.

15 a. No later than 90 Days before, and no sooner than 120 Days  
16 prior to, the eight-year anniversary of the Operational and Functional Date, and  
17 upon Settling Defendants concluding that the Remedial Action is still Operational  
18 and Functional, Settling Defendants shall schedule a pre-certification inspection to  
19 be attended by Settling Defendants and EPA. The Settling Defendants shall submit  
20 a Facility Status Package to EPA which shall include, but not be limited to, all  
21 maintenance reports, performance reports, sampling results, and all other  
22 deliverables updated as appropriate to reflect the performance and condition of the  
23 containment and Mid-Valley Monitoring systems including all wells, pipelines,  
24 and treatment facilities. If, after the pre-certification inspection, the Settling  
25 Defendants still believe that the Remedial Action is Operational and Functional,  
26 Settling Defendants shall submit a written report by a registered professional  
27 engineer, in accordance with the SOW, stating that the Remedial Action is  
28 Operational and Functional. The report shall contain the following statement,
