EFFECTIVE DATES: The extension of the TPS designation for Montserrat is effective August 28, 1999, and will remain in effect until August 27, 2000. The 30-day re-registration period begins September 2, 1999 and will remain in effect until October 4, 1999.

SUPPLEMENTARY INFORMATION:
What Authority Does the Attorney General Have To Extend the Designation of Montserrat Under the TPS Program?

Section 244(b)(3)(A) of the Immigration and Nationality Act (Act) states that at least 60 days before the end of an extension or a designation, the Attorney General must review conditions in the foreign state for which the designation is in effect. 8 U.S.C. 1254a(b)(3)(A). If the Attorney General determines that the foreign state continues to meet the conditions for designation, the period of designation is extended, pursuant to section 244(b)(3)(C) of the Act. 8 U.S.C. 1254a(b)(3)(C). Through such an extension, TPS is available only to persons who have been continuously physically present and have continuously resided in the United States from the effective date of the initial designation, in this case, since August 28, 1997.

Why Did the Attorney General Decide To Extend the TPS Designation for Montserrat?

On August 28, 1997, the Attorney General initially designated Montserrat for TPS for a period of 12 months. 62 FR 45685. Since that date, the Departments of State and Justice have annually reviewed conditions within Montserrat. Based on this year’s review, the Attorney General finds that extraordinary and temporary conditions that would prevent aliens who are nationals of Montserrat (and aliens having no nationality who last resided in Montserrat) from returning to Montserrat in safety persist and that permitting such aliens to remain temporarily in the United States is not contrary to the national interest. 8 U.S.C. 1254a(b)(1)(C).

On the basis of these findings, an extension of the TPS designation for Montserrat is warranted. 8 U.S.C. 1254a(b)(3)(C).

If I Currently Have TPS How Do I Register for an Extension?

Persons previously granted TPS under the Montserrat program may apply for an extension by filing a Form I–821, Application for Temporary Protected Status, without the fee, during the re-registration period that begins on August 28, 1997. Additionally, you must file a Form I–765, Application for Employment Authorization. See the chart below to determine whether you must submit the one-hundred dollar ($100) filing fee with the Form I–765.

### If
You are applying for employment authorization through August 27, 2000.
You already have employment authorization or do not require employment authorization.
You are applying for employment authorization and are requesting a fee waiver.

### Then
You must complete and file the Form I–765, Application for Employment Authorization, with the one-hundred dollar ($100) fee.
You must complete and file the Form I–765, Application for Employment Authorization, with no fee.
You must complete and file Form I–765, with a fee waiver request and affidavit (and any other information), in accordance with 8 CFR 244.20.

To re-register for TPS, you also must include two identification photographs (1½” × 1½”).

Is Late Registration Possible?

Yes. In addition to timely re-registration, late initial registration is possible for some persons from Montserrat under 8 CFR 244.2(l)(2). The requirements for late initial registration specify that an applicant for late initial registration must:

1. Be a national of Montserrat (or an alien having no nationality who last habitually resided on Montserrat);
2. Have been continuously physically present in the United States since August 28, 1997;
3. Have continuously resided in the United States since August 22, 1997; and
4. Be admissible as an immigrant, except as otherwise provided in section 244(c) of the Act, and not ineligible under section 244(c)(2)(B) of the Act. 8 CFR 244.2(l)(2).

Additionally, the applicant must be able to demonstrate that, during the initial registration period from August 28, 1997, through August 27, 1998, he or she:

1. Was in valid immigrant or nonimmigrant status, or had been granted voluntary departure status or any relief from removal;
2. Had an application for change of status, adjustment of status, asylum, voluntary departure, or any relief from removal pending or subject to further review or appeal;
3. Was a parolee or has a pending request for reparole; or
4. Was the spouse or child of an alien currently eligible to be a TPS registrant.

An applicant for late initial registration must register no later than sixty (60) days from the expiration or termination of the qualifying condition. Id.

Where Should I File for an Extension of TPS?

Persons seeking to register for an extension of TPS must submit an application and accompanying materials to the Immigration and Naturalization Service local office that has jurisdiction over the applicant's place of residence.

When Can I File for an Extension of TPS?

The 30-day re-registration period begins September 2, 1999 and will remain in effect until October 4, 1999.

How Does an Application for TPS Affect My Application for Asylum or Other Immigration Benefits?

An application for TPS does not preclude or affect an application for asylum or any other immigration benefit. A national of Montserrat (or alien having no nationality who last habitually resided in Montserrat) who is otherwise eligible for TPS and has applied for or plans to apply for asylum, but who has not yet been granted asylum or withholding of removal, may also apply for TPS. Denial of an application for asylum or any other immigration benefit does not affect an applicant’s ability to register for TPS, although the grounds of denial may also be grounds of denial for TPS. For example, a person who has been
convicted of an aggravated felony is not eligible for asylum or TPS.

**Does This Extension Allow Nationals of Montserrat (or Aliens Having No Nationality Who Last Habitually Resided in Montserrat) Who Entered the United States After August 28, 1997, To File for TPS?**

No. This is a notice of an extension of the TPS designation for Montserrat. It is not a notice of redesignation of Montserrat under the TPS program. An extension of TPS does not change the required dates of continuous physical presence and residence in the United States, and does not expand the TPS program to include nationals of Montserrat (or aliens having no nationality who last habitually resided in Montserrat) who arrived in the United States after the date of the initial designation, in this case, August 28, 1997.

**Notice of Extension of Designation of Montserrat Under the TPS Program**

By the authority vested in me as Attorney General under sections 244(b)(3)(A) and (C) of the Act, I have consulted with the appropriate agencies of the Government concerning whether the conditions under which Montserrat was initially designated for TPS continue to exist. As a result, I determine that the conditions for the initial designation of TPS for Montserrat continue to be met. 8 U.S.C. 1254a(b)(3)(A), (C). Accordingly, I order as follows:

(1) The designation of Montserrat under section 244(b) of the Act is extended for an additional 12-month period from August 28, 1999, until August 27, 2000. 8 U.S.C. 1254a(b)(3)(C).

(2) I estimate that there are approximately 300 nationals of Montserrat (or aliens having no nationality who last habitually resided in Montserrat) who have been granted TPS and who are eligible for re-registration.

(3) In order to be eligible for TPS during the period from August 28, 1999, through August 27, 2000, a national of Montserrat (or alien having no nationality who last habitually resided in Montserrat) who received a grant of TPS during the initial period of designation from August 28, 1997, until August 27, 1998, must re-register for TPS by filing a new Application for Temporary Protected Status, Form I-821, along with an Application for Employment Authorization, Form I-765, within the 30-day period beginning September 2, 1999 and ending on October 4, 1999. Late re-registration will be allowed pursuant to 8 CFR 244.17(c).

(4) Pursuant to section 244(b)(3)(A) of the Act, the Attorney General will review, at least 60 days before August 27, 2000, the designation of Montserrat under the TPS program to determine whether the conditions for designation continue to be met. 8 U.S.C. 1254a(b)(3)(A). Notice of that determination, including the reasons underlying it, will be published in the **Federal Register**.

(5) Information concerning the TPS program for nationals of Montserrat (or aliens having no nationality who last habitually resided in Montserrat) will be available at local Service offices upon publication of this notice.

Dated: August 26, 1999.

Janet Reno,
Attorney General.
