RIN 1115–AF05
Processing, Detention, and Release of Juveniles

AGENCY: Immigration and Naturalization Service, Department of Justice.

ACTION: Proposed rule; reopening of comment period.

SUMMARY: On July 24, 1998, at 64 FR 39759, the Immigration and Naturalization Service (Service) published a proposed rule in the Federal Register proposing to establish procedures for processing juveniles in Service custody. Specifically, the proposed rule set forth proposed service policy for the release of juveniles from custody, as well as standards regarding the placement of juveniles in Service custody into state-licensed programs and detention facilities. The rule also proposed amendments concerning the transportation and transfer of juveniles in Service custody. The original comment period for the proposed rule closed on September 22, 1998. This document reopens the comment period since the close of the original comment period in 1998. The Service is reopening the comment period to hear from the public on the following issues: determinations of who speaks for the child with respect to immigration matters, circumstances under which detention in a secure juvenile facility is necessary, and any additional ideas that may be helpful to minimize the number of juveniles who must be placed in Service custody.

DATES: Written comments must be submitted on or before March 15, 2002.

ADDRESSES: Please submit written comments to Director, Policy Directives and Instructions Branch, Immigration and Naturalization Service, 425 I Street, NW., Room 4034, Washington, DC 20536. To ensure proper handling, please reference INS No. 1906–98 on your correspondence. You may also submit comments to the Service electronically at insreg@usdoj.gov. When submitting comments electronically please include INS No. 1906–98 in the subject box. Comments are available for public inspection at the above address by calling (202) 514–3048 to arrange for an appointment.

SUPPLEMENTARY INFORMATION:

Why is the Service Reopening the Comment Period?

The Service is currently examining the appropriate infrastructure and policies for managing and developing its programs relating to unaccompanied minors. As part of that process, the Service has decided to offer the public an additional opportunity to comment on the proposed rule, and particularly invites comments that relate to issues that have come to the public’s attention since the close of the original comment period in 1998. The Service is reopening the comment period to hear from the public on the following issues:

1. Determinations of who speaks for the child with respect to immigration matters, circumstances under which detention in a secure juvenile facility is necessary, and any additional ideas that may be helpful to minimize the number of juveniles who must be placed in Service custody.

Where Can the Public View the July 24, 1998 Proposed Rule?

Airworthiness Directives; Raytheon Aircraft Company Model 58P, 60, A60, B60, and 65–88 Airplanes

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This document proposes to adopt a new airworthiness directive (AD) that would apply to certain Raytheon Aircraft Company (Raytheon) Model 58P, 60, A60, B60, and 65–88 airplanes. This proposed AD would require you to install new exterior operating instruction placards for the exit doors. The proposed AD is the result of Raytheon improving the visibility and understandability of the door operating instruction placards. This was done as a result of difficulty opening the emergency exits of a similar type design airplane. The actions specified by the proposed AD are intended to assure that clear and complete operating instructions are visible for opening the exit doors. If not visible or understandable, this could result in the inability to open the exit door during an emergency situation.

DATES: The Federal Aviation Administration (FAA) must receive any comments on this proposed rule on or before March 12, 2002.

ADDRESSES: Submit comments to FAA, Central Region, Office of the Regional Counsel, Attention: Rules Docket No. 2001–CE–32–AD, 901 Locust, Room 506, Kansas City, Missouri 64106. You may view any comments at this location between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays. You may get service information that applies to this proposed AD from Raytheon Aircraft Company, P.O. Box 85, Wichita, Kansas 67201–0085; telephone: (800) 429–5372 or (316) 676–3140. You may also view this information at the Rules Docket at the address above.
