This rule eliminates the extended visa validity benefit for certain aliens who qualified under section 154 of the Immigration Act of 1990 (IMMiect 90). Section 154 of IMMiect 90 permitted certain aliens resident in Hong Kong to extend the validity of their immigrant visa up to January 1, 2002. Since this extension can no longer be granted, the Department is removing this provision from the regulations.

On January 30, 1991, the Department published a proposed rule (56 FR 3427) which amended 22 CFR 42.72 by adding a new paragraph (e) which entitled certain residents of Hong Kong who qualified for issuance of an immigrant visa under section 124 of IMMiect 90 to request extended visa validity until January 1, 2002. The Department finalized this rule (56 FR 32322) and it took effect on July 16, 1991. Since this benefit no longer exists, the Department is amending the regulation by removing paragraph (e).
