Three ISE fees would apply to Linkage trades other than satisfaction orders: A trade execution fee ($S.12, S.14, S.17, or S.21, depending on average daily volume); a $S.10 surcharge for options traded pursuant to licensing agreements (but only for executions in options specifically subject to the surcharge); and a $S.03 comparison fee. Each of these Linkage-related fees would be implemented as a one-year pilot, expiring on January 30, 2004.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange and, in particular, the requirements of section 6 of the Act. The Commission finds that the proposed rule change is consistent with section 6(b)(4) of the Act, which requires that the rules of an exchange provide equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Commission believes that the one-year pilot will give the Exchange and the Commission the opportunity to evaluate whether these fees are appropriate.

It is therefore ordered, pursuant to section 19(b)(2) of the Act, that the proposed rule change is approved on a pilot basis until January 30, 2004.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.  
J. Lynn Taylor,  
Assistant Secretary.
