Management Plan (RMP), Provide a Single Comprehensive Land Use Plan, Implementation, Glennallen Field Office District, AK.

Summary: EPA expressed environmental concerns about the potential impacts to wetlands, steams, aquatic wildlife and habitat from impacts not avoided or mitigated from proposed stipulations and required operating procedures. In addition, there is potential for adverse impacts to subsistence users and resources if land along the TAPS corridor is conveyed from federal management. The final EIS should include an environmentally protective strategy for managing off-road vehicles, with particular attention to sensitive wetlands and streams. Rating EC2.

Summary: EPA supports the goals of the project, but expressed environmental concerns about the long-term impacts on plankton, macroinvertebrates and amphibians. Rating EC1.

Summary: EPA expressed environmental concerns about impacts to water quality from landslides and potential impacts from cumulative impacts of future sales in the area. Rating EC1.

Final EISs

Summary: EPA expressed no formal comment letter was sent to the preparing agency.

Summary: No formal comment letter was sent to the preparing agency.

EIS No. 20050309, ERP No. FS–AFS–L65345–WA, Deadman Creek Ecosystem Management Projects, Information of the Planning the Analysis of the Watershed, Three Rivers Ranger District, Colville National Forest, Ferry County, WA.

Summary: No formal comment letter was sent to the preparing agency.

Dated: August 30, 2005.

Robert W. Hargrove, Director, NEPA Compliance Division, Office of Federal Activities.

ENVIRONMENTAL PROTECTION AGENCY

[FR–7964–6]

Anniston Lead and Anniston PCB Superfund Sites; Notice of Proposed Settlement

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed settlement; request for public comment.

SUMMARY: Pursuant to section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended (“CERCLA”), 42 U.S.C. 9622(i), notice is hereby given of a proposed Section 122 Administrative Agreement and Order on Consent for removal activities the Anniston Lead and Anniston PCB Superfund Sites, which includes a de minimis settlement under section 122(g)(4) of CERCLA for the Anniston PCB Superfund Site. The proposed Section 122 Administrative Agreement and Order on Consent also includes an agreement for recovery of past response costs for the Anniston Lead Superfund Site, and for the recovery of future response costs for the Anniston Lead and Anniston PCB Superfund Sites. The following parties have returned signature pages accepting the proposed Section 122 Administrative Agreement and Order on Consent: DH Industries, L.L.C.; FMC Corporation, for itself and as the successor to Kilby Steel Company, Inc., and for FMC Technologies, Inc.; Huron Valley Steel Corporation; McWane, Inc. for itself and as the successor by merger with Ransom Industries, L.P.; MeadWestvaco Corporation; MRC Holdings, Inc.; MW Custom Papers, L.L.C.; Phelps Dodge Industries, Inc.; United Defense, L.P.; United States Pipe and Foundry Company, Inc.; and Walter Industries, Inc. EPA will consider public comments on the proposed Section 122 Administrative Agreement and Order on Consent until October 3, 2005. EPA may withhold consent from, or seek to modify, all or part of the proposed Section 122 Administrative Agreement and Order on Consent if comments received disclose facts or considerations that indicate that the proposed settlement is inappropriate, improper, or inadequate. The proposed settlement can be viewed at www.epa.gov/region4/waste/annistonall.htm and copies are available from: Ms. Paula V. Batchelor, U.S. Environmental Protection Agency; Region 4, Sam Nunn Atlanta Federal Center, 61 Forsyth Street, Atlanta, Georgia 30303, (404) 562–8887, Batchelor.Paula@epa.gov.

Written comments may be submitted to Mr. Michael Sparks at the above address within 30 days of the date of publication.

Dated: August 18, 2005.

Debbie H. Jourdan, Acting Superfund Enforcement and Information Management Branch, Waste Management Division.

BILLING CODE 6560–50–M

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Announcement of Availability of Funds

AGENCY: Department of Health and Human Services, Office of the Secretary, Office of Public Health and Science, Office of Global Health Affairs.

Funding Opportunity Title: Announcement of Availability of Funds for Cooperative Agreement to Provide Medical Equipment, Pharmaceuticals, and Technology-Related Training to Physicians and Other Staff of the Indira Ghandi Children’s Hospital.

Announcement Type: Cooperative Agreement—FY 2005 Initial Announcement.

Funding Opportunity Number: OGHA 05–019.

SUMMARY: The Office of Global Health Affairs (OGHA) announces that up to $200,000 in fiscal year (FY) 2005 funds is available for a cooperative agreement to provide support for a quality of care improvement project based in a partner healthcare institution in Afghanistan. This effort is an undertaking by the Department of Health and Human Services (HHS). The primary goal of this project is to improve the quality of care at health institutions in Afghanistan through the acceptance and delivery of...
donated medical equipment, pharmaceuticals, and technology-related training for physicians, nurses, midwives, and other health care workers at Indira Gandhi Children’s Hospital in Kabul, Afghanistan. OGHA anticipates substantial HHS scientific and programmatic involvement in the administration of the quality improvement program. The project will be approved for up to a one-year period for a total of $200,000 (including indirect costs). Funding for the cooperative agreement is contingent upon the availability of funds.

Application due by 5 pm ET: September 19, 2005.

Award date: September 30, 2005.

ADDRESSES: Application kits may be requested from, and applications submitted to: Ms. Karen Campbell, Director, Office of Grants Management, Office of Public Health and Science (OPHS), Department of Health and Human Services, 1101 Wootton Parkway, Suite 550, Rockville, MD 20852.

I. Funding Opportunity Description

Under the authority of Section 103(a)(1); Section 103(a)(7) of public law 107–327; Public Health Service Act, Section 307, the Office of Global Health affairs (OGHA) announces the intent to allocate fiscal year (FY) 2005 funds for a cooperative agreement for activities that will provide essential biomedical technology, pharmaceuticals, and technology-related training to physicians, midwives, nurses, and ancillary staff. These technologies include but are not limited to monitoring, diagnostic and critical care equipment, and life saving technology to a partner health care institution.

This assistance is geared to support the provision of state of the art quality care to patients of Indira Gandhi Children’s Hospital in Kabul, Afghanistan. Awardee is expected to arrange for the acceptance of donated medical equipment and supplies for use at this hospital. Funding is provided by OGHA in order to prepare donated medical equipment and supplies and prepare these materials for shipment and delivery in Afghanistan. The overall goal of OGHA is to reduce the maternal and infant mortality rates in Afghanistan by upgrading the level of medical equipment and services provided by select healthcare institutions.

A complete list of items required by Indira Gandhi Children’s Hospital is included in the application kit.

II. Award Information

The administrative and funding instrument to be used for this program will be the cooperative agreement in which substantial OGHA/HHS scientific and/or programmatic involvement is anticipated during the performance of the project. Under the cooperative agreement, OGHA/HHS will support and/or stimulate awardee activities by working with them in a non-directive partnership role. Awardee will also be expected to work directly with and in support of HHS’ Centers for Disease Control and Prevention (CDC), the Health Resources Services Administration (HRSA), and the Indian Health Service (IHS).

Approximately $200,000 in FY 2005 funds is available to support the agreement. This level of support is dependent on the receipt of a sufficient number and diversity of applications of high merit.

The anticipated start date is September 30, 2005. There will only be one single award made from this announcement. The program and budget period for this agreement is for 12 months.

Although this program is provided for in the financial plans of the OGHA, the award pursuant to this RFA is contingent upon the availability of funds for this purpose.

III. Eligibility Information

1. Eligible Applicants

Applications may be submitted by non-profit entities with offices in the United States and partner countries or incorporated and headquartered in the United States with offices in the United States. Additionally, organizations or consortia of organizations, including faith-based and community based organizations, that have collective experience with accepting donated medical technology, upgrading drug formularies, training health care providers, local and international transportation, and other logistics are encouraged to apply for a grant under this announcement.

2. Cost Sharing or Matching

Cost sharing, matching funds, and cost participation is not a requirement of this agreement.

3. Other—(If Applicable)

N/A.

IV. Application and Submission Information

1. Address To Request Application Package

This Cooperative Agreement project uses the Application Form OPHS–1, Revised 8/2004, which is enclosed in the application packet. This generic form is used by many different programs funded through the Public Health Service (PHS). Some parts of it are not required; other sections need to be filled out in a fashion specific to the program. Instructions for filling out OPHS–1, Revised 8/2004 will be included in the application packet. These forms may also be obtained from the following sites by: Downloading from https://egrants.osophs.dhhs.gov and clicking on Grant Announcements or http://www.grants.gov/ or by writing to Ms. Karen Campbell, Director, Office of Grants Management, Tower Building, 1101 Wootton Parkway, Suite 530, Rockville, MD 20852; or contact the Office of Grants Management, OPHS,
Applications must be accompanied by a Project Abstract submitted on 3.5 inch floppy disk. The abstract must be typed, single-spaced, and not exceed 2 pages. Reviewers and staff will refer frequently to the information contained in the abstract, and therefore it should contain substantive information about the proposed projects in summary form. A list of suggested keywords and a format sheet for your use in preparing the abstract will be included in the application packet. If additional information and/or clarification are required, please contact the OPHS Office of Grants Management identified in Section VII of this announcement.

Applications must be accompanied by a Project Narrative. In addition to the instructions provided in OPHS–1 (Rev 8/2004) for project narrative, the specific guidelines for the project narrative are provided in the program guidelines. Format requirements are the same as for the Project Abstract Section; margins should be 1 inch at the top and 1 inch at the bottom and both sides; and typeset must be no smaller than 12 cpi and not reduced. Biographical sketches should be either typed on the appropriate form or plain paper and should not exceed two pages, with publications listed being limited only to those that are directly relevant to this project.

Application Format Requirements

If applying on paper, the entire application may not exceed 80 pages in length, including the abstract, project and budget narratives, face page, attachments, any appendices and letters of commitment and support. Pages must be numbered consecutively.

Applications submitted electronically that exceed 80 pages when printed will be deemed non-compliant. All non-compliant applications will be returned to the applicant without further consideration.

a. Number of Copies. Please submit one (1) original and two (2) unbound copies of the application. Please do not bind or staple the application. Application must be single sided.

b. Font. Please use an easily readable serif typeface, such as Times Roman, Courier, or CG Times. The text and table portions of the application must be submitted in not less than 12 point and 1.0 line spacing. Applications not adhering to 12 point font requirements may be returned.

c. Paper Size and Margins. For scanning purposes, please submit the application on 8½” x 11” white paper. Margins must be at least one (1) inch at the top, bottom, left and right of the paper. Please left-align text.

d. Numbering. Please number the pages of the application sequentially from page 1 (face page) to the end of the application, including charts, figures, tables, and appendices.

e. Names. Please include the name of the applicant on each page.

f. Section Headings. Please put all section headings flush left in bold type.

Application Format

Applications for funding must consist of the following documents in the following order:

i. Application Face Page. Public Health Service (PHS) Application Form OPHS–1, provided with the application package. Prepare this page according to instructions provided in the form itself.

ii. Table of Contents. Provide a Table of Contents for the remainder of the application (including appendices), with page numbers.

iii. Application Checklist. Application Form OPHS–1, provided with the application package.

iv. Budget. Application Form OPHS–1, provided with the application package.

v. Budget Justification. The amount of financial support (direct and indirect costs) that an applicant is requesting from the Federal granting agency for the first year is to be entered on the Face Sheet of Application Form PHS 5161–1, Line 15a. Each application should include funds for electronic mail capability unless access by Internet is already available. The amount of financial support (direct and indirect costs) entered on the SF 424 is the amount an applicant is requesting from the Federal granting agency for the project year. Please note that if indirect costs are requested, the applicant must submit a copy of the latest negotiated rate agreement. The indirect costs rate refers to the Other Sponsored Program/Activities rate and to neither the research rate, nor the education/training program rate. Those applicants without an established indirect cost rate for sponsored programs will be held at 26% of total direct costs except, in cases where there is no established rate, applicants may only request of 10% of salaries and wages. However, if an applicant’s established rate for other sponsored programs exceeds 26%, but would be advantageous to the government, the OGHA/HHS may honor that indirect rate cost.

Personnel Costs: Personnel costs should be explained by listing each staff member who will be supported from funds, name (if possible), position title, percent full time equivalency, annual salary, and the exact amount requested.

Indirect Costs: Indirect costs are those costs incurred for common or joint objectives which cannot be readily identified but are necessary to the operations of the organization, e.g., the...
cost of operating and maintaining facilities, depreciation, and administrative salaries. For institutions subject to OMB Circular A–21, the term “facilities and administration” is used to denote indirect costs. If the applicant does not have an indirect cost rate, you may obtain one by visiting the Division of Cost Allocation Web site: http://rates.psc.gov.

Fringe Benefits: List the components that comprise the fringe benefit rate, for example health insurance, taxes, unemployment insurance, life insurance, retirement plan, tuition reimbursement. The fringe benefits should be directly proportional to that portion of personnel costs that are allocated for the project.

Travel: List travel costs according to local and long distance travel. For local travel, the mileage rate, number of miles, reason for travel and staff member/consumers completing the travel should be outlined. The budget should also reflect the travel expenses associated with participating in meetings and other proposed trainings or workshops.

Equipment: List equipment costs and provide justification for the need of the equipment to carry out the program’s goals. Extensive justification and a detailed status of current equipment must be provided when requesting funds for the purchase of computers and furniture items.

Supplies: List the items that the project will use. In this category, separate office supplies from medical and educational purchases. Office supplies could include paper, pencils, and the like; medical supplies are syringes, blood tubes, plastic gloves, etc., and educational supplies may be pamphlets and educational videotapes. Remember, they must be listed separately.

Subcontracts: To the extent possible, all subcontract budgets and justifications should be standardized, and contract budgets should be presented by using the same object class categories contained in the Standard Form 424A. Provide a clear explanation as to the purpose of each contract, how the costs were estimated, and the specific contract deliverables.

Other: Put all costs that do not fit into any other category into this category and provide an explanation of each cost in this category. In some cases, grantee rent, utilities and insurance fall under this category if they are not included in an approved indirect cost rate.

vi. Staffing Plan and Personnel Requirements Applicants must present a staffing plan and provide a justification for the plan that includes education and experience qualifications and rationale for the amount of time being requested for each staff position. Position descriptions that include the roles, responsibilities, and qualifications of proposed project staff must be included in Appendix XX. Copies of biographical sketches for any key employed personnel that will be assigned to work on the proposed project must be included in Appendix XX.

vii. Project Abstract. Provide a summary of the application. Because the abstract is often distributed to provide information to the public and Congress, please prepare this so that it is clear, accurate, concise, and without reference to other parts of the application. It must include a brief description of the proposed grant project including the needs to be addressed, the proposed services, and the population group(s) to be served.

Please place the following at the top of the abstract:
- Project Title
- Applicant Name
- Address
- Contact Phone Numbers (Voice, Fax)
- E-Mail Address
- Web Site Address, if applicable

The project abstract must be single-spaced and limited to two pages in length.

vii. Program Narrative. This section provides a comprehensive framework and description of all aspects of the proposed program. It should be succinct, self-explanatory and well organized so that reviewers can understand the proposed project.

Use the following section headers for the Narrative:
- Introduction
- This section should briefly describe the purpose of the proposed project.
- Work Plan
- Describe the activities or steps that will be used to achieve each of the activities proposed in the methodology section. Use a time line that includes each activity and identifies responsible staff.
- Resolution of Challenges
- Discuss challenges that are likely to be encountered in designing and implementing the activities described in the Work Plan, and approaches that will be used to resolve such challenges.
- Evaluation and Technical Support Capacity
- Describe current experience, skills, and knowledge, including individuals on staff, materials published, and previous work of a similar nature.
- Organizational Information
- Provide information on the applicant agency’s current mission and structure, scope of current activities, and an organizational chart, and describe how these all contribute to the ability of the organization to conduct the program requirements and meet program expectations.

vii. Appendices. Please provide the following items to complete the content of the application. Please note that these are supplementary in nature, and are not intended to be a continuation of the project narrative. Be sure each appendix is clearly labeled.

(1) Appendix A: Tables, Charts, etc.
To give further details about the proposal.

(2) Appendix B: Job Descriptions for Key Personnel.
Keep each to one page in length as much as is possible. Item 6 in the Program Narrative section of the PHS 5161–1 Form provides some guidance on items to include in a job description.

(3) Appendix C: Biographical Sketches of Key Personnel.
Include biographical sketches for persons occupying the key positions described in Appendix B, not to exceed two pages in length. In the event that a biographical sketch is included for an identified individual who is not yet hired, please include a letter of commitment from that person with the biographical sketch.

(4) Appendix D: Letters of Agreement and/or Description(s) of Proposed/Existing Contracts (project specific).
Provide any documents that describe working relationships between the applicant agency and other agencies and programs cited in the proposal. Documents that confirm actual or pending contractual agreements should clearly describe the roles of the subcontractors and any deliverable. Letters of agreements must be dated.

(5) Appendix E: Project Organizational Chart.
Provide a one-page figure that depicts the organizational structure of the project, including subcontractors and other significant collaborators.

(6) Appendix F: Other Relevant Documents.
Include here any other documents that are relevant to the application, including letters of support. Letters of support must be dated.

3. Submission Dates and Times
Notification of Intent To Apply
A letter of intent is not required. However, if a letter of intent is submitted, the letter should identify the applicant organization and its intent to apply, and briefly describe the proposal to be submitted. Receipt of Letters of Intent will not be acknowledged.
This letter should be sent by September 9, 2005, by mail or fax to: Department of Health and Human Services, Office of the Secretary, Office of Global Health Affairs, 5600 Fishers Lane, Suite 18–101, Rockville, MD 20857, Facsimile Number: 301–443–2820.

Application Submission

The OPHS provides multiple mechanisms for submission of applications as described in the following sections.

Electronic Submission: The OPHS electronic grants management system, eGrants, provides for applications to be submitted electronically. While applications are accepted in hard copy, the use of the electronic submission capabilities provided by the eGrants system is encouraged. Information about this system is available on the Office of Population Affairs Web site at http://opa.osophs.dhhs.gov, or may be requested from the OPHS Office of Grants Management at 240–453–8822. Applications sent via any other means of electronic communication, including facsimile or electronic mail, outside of the OPHS eGrants system will not be accepted for review.

The body of the application and required forms can be submitted using the eGrants system. In addition to electronically submitted materials, applicants are required to provide a hard copy of the application face page (Standard Form 424 [Revised 07/03]) with the original signature of an individual authorized to act for the applicant agency or organization and to assume for the organization the obligations imposed by the terms and conditions of the grant award. The application is not considered complete until both the electronic application and the hard copy of the face page with the original signature are received.

Electronic grant application submissions must be submitted no later than 5 p.m. eastern time on the deadline date specified in the DATES section of the announcement. All required hard copy original signatures and mail-in items must be received by the OPHS Office of Grants Management no later than 5 p.m. eastern time on the next business day after the deadline date specified in the DATES section of the announcement.

Applications will be considered responsive to the guidance as they are the basis upon which applications will be judged. Applications that do not meet the deadline will be returned to the applicant unread.

Hand-Delivered Applications: Hand-delivered applications must be received by the OPHS Office of Grants Management, 1101 Wootten Parkway, Suite 550, Rockville, Maryland, 20852, no later than 5 p.m. eastern time on the deadline date specified in the DATES section of the announcement. Hand-delivered applications must include an original and two copies of the application. The original application must be signed by an individual authorized to act for the applicant agency or organization and to assume for the organization the obligations imposed by the terms and conditions of the grant award.

Applications will be screened upon receipt. Those that are judged to be incomplete or arrive after the deadline will be returned without review or comment. Applications that exceed the requested amount may also be returned without review or comment. Applicants that are judged to be in compliance will be notified by the OPHS Office of Grants Management. Accepted applications will be reviewed for technical merit in accordance with DHHS policies.

Applications should be submitted to: Director, Office of Grants Management, OPHS, HHS, 1101 Wootten Parkway, Suite 550, Rockville, MD 20852. Technical assistance on budget and business aspects of the application may be obtained from the OPHS Office of Grants Management, 1101 Wootten Parkway, Suite 550, Rockville, MD 20852, telephone: (240) 453–8822.

4. Intergovernmental Review

This program is not subject to the review requirements of Executive Order 12372, Intergovernmental Review of Federal Programs.

5. Funding Restrictions

Allowability, allocability, reasonableness, and necessity of direct and indirect costs that may be charged are outlined in the following documents: OMB—21 (Institutes of Higher Education); OMB Circular A–122 (Nonprofit Organizations) and 45 CFR Part 74, Appendix E (Hospitals). Copies of these circulars can be found on the Internet at: http://www.whitehouse.gov/omb.

6. Other Submission Requirements

N/A.

V. Application Review Information

1. Criteria

Applications will be screened by OGHA staff for completeness and for responsiveness to the program guidance. Applicants should pay strict attention addressing these criteria, as they are the basis upon which applications will be judged. Those applications judged to be non-responsive or incomplete will be returned to the applicant without review.

Applications that are complete and responsive to the guidance will be evaluated for scientific and technical
merit by an appropriate peer review group specifically convened for this solicitation and in accordance with HHS policies and procedures. As part of the initial merit review, all applications will receive a written critique. All applications recommended for approval will be discussed fully by the ad hoc peer review group and assigned a priority score for funding. Eligible applications will be assessed according the following criteria:

(1) Technical Approach (40 points):
- The applicant’s presentation of a sound and practical technical approach for executing the requirements with adequate explanation, substantiation and justification for methods for handling the projected needs of the partner institution.
- The successful applicant must demonstrate a clear understanding of the scope and objectives of the cooperative agreement, recognition of potential difficulties that may arise in performing the work required, presentation of adequate solutions, and understanding of the close coordination necessary between the OGH/HHS, Afghanistan Ministry of Public Health, U.S. Agency for International Development, and other organizations, such as the World Health Organization and United Nations Children’s Fund.
- Applicants must submit a strategic plan that outlines the schedule of activities and expected products of the Group’s work with benchmarks at months six, 12, 18. The strategic plan should specifically address the expected progress of the Quality of Care program.

(4) Personnel Qualifications and Experience (20 points):
- Project Leadership—For the technical and administrative leadership of the project requirements, successful applicants must demonstrate documented training, expertise, relevant experiences, leadership/management skills, and availability of a suitable overall project manager and surrounding management structure to successfully plan and manage the project. Successful applicant will provide documented history of leadership in the establishment and management of training programs that involve training of health care professionals in countries other than the United States. Expertise in maternal and child health care and services including documented training, expertise, relevant experience, leadership skills, and maternal and child health specific medical expertise. Documented managerial ability to achieve delivery or performance requirements as demonstrated by the proposed use of management and other personnel resources and to successfully manage the project, including subcontractor and/or consultant efforts, if applicable, as evidence by the management plan and demonstrated by previous relevant experience.
- Partner Institutions and other Personnel—Applicants should provide documented evidence of availability, training, qualifications, expertise, relevant experience, education and competence of the scientific, clinical, analytical, technical and administrative staff and any other proposed personnel (including partner institutions, subcontractors and consultants), to perform the requirements of the work activities as evidenced by resumes, endorsements and explanations of previous efforts.
- Staffing Plan—Applicants should submit a staffing plan for the conduct of the project, including the appropriateness of the time commitment of all staff and partner institutions, the clarity and appropriateness of assigned roles, and lines of authority. Applicants should also provide an organizational chart for each partner institution named in the application showing relationships among the key personnel.
- Administrative and Organizational Framework—Adequacy of the administrative and organizational framework, with lines of authority and responsibility clearly demonstrated, and adequacy of the project plan, with proposed time schedule for achieving objectives and maintaining quality control over the implementation and operation of the project. Adequacy of back-up staffing and the evidence that they will be able to function as a team. The framework should identify the institution that will assume legal and financial responsibility and accountability for the use and disposition of funds awarded on the basis of this RFA.

(5) Experience and Capabilities of the Organization (30 Points):
- Applicants should submit documented relevant experience of the organization in managing projects of similar complexity and scope of the activities.
- Clarity and appropriateness of lines of communication and authority for coordination and management of the project. Adequacy and feasibility of plans to ensure successful coordination of a multiple-partner collaboration.
- Documented experience recruiting qualified medical personnel for projects of similar complexity and scope of activities.

(4) Facilities and Resources (10 Points):
- Documented availability and adequacy of facilities, equipment and resources necessary to carry out the activities specified under Program Requirements.

2. Review and Selection Process

Applications will be reviewed in competition with other submitted applications, by a panel of peer reviewers. Each of the above criteria will be addressed and considered by the reviewers in assigning the overall score. Final award will be made by the Deputy Director, Asia and Pacific Division of the Office Global Health Affairs on the basis of score, program relevance and, availability of funds.

VI. Award Administration Information

1. Award Notices

OGHA/HHS does not release information about individual applications during the review process until final funding decisions have been made. When these decisions have been made, applicants will be notified by letter regarding the outcome of their applications. The official document notifying an applicant that an application has been approved and funded is the Notice of Award, which specifies to the awardee the amount of money awarded, the purpose of the agreement, the terms and conditions of the agreement, and the amount of funding, if any, to be contributed by the awardee to the project costs.

2. Administrative and National Policy Requirements

The regulations set out at 45 CFR parts 74 and 92 are the Department of Health and Human Services (HHS) rules and requirements that govern the administration of grants. Part 74 is applicable to all recipients except those covered by part 92, which governs awards to State and local governments. Applicants funded under this announcement must be aware of and comply with these regulations. The CFR volume that includes parts 74 and 92 may be downloaded from http://www.access.gpo.gov/nara/cfr/waisidx_03/45cfrv1_03.html.

3. Reporting

Each party to this Cooperative Agreement has agreed to undertake the following obligations:

The applicant (or recipient) agrees to:
- Provide a budget for the acquisition and installation of the necessary equipment to complete the HHS Project, using the provided HHS Guidelines on Medical Equipment Donation;
b. Facilitate the acquisition, refurbishment and calibration of the necessary equipment at a reduced cost;

c. Prepare the necessary items for shipping including preparation of shipping documents for entry into partner country;

d. Provide manuals for the donated equipment which can be translated into the primary language, at a sixth grade reading level and contain illustrations. Manuals must include content on the proper storage, cleaning and care and repair of the equipment;

e. Ensure that the training method or module includes essential content regarding the adherence to established infection control principles;

f. Provide technical training and examination of proficiency by the user on agreed upon technologies and supplied equipment;

g. Ensure that training is provided by a certified trainer at a time closely coordinated with the delivery of the equipment or materials; and,

h. Accompany the equipment and supplies for the purpose of overseeing the distribution, installation, and training in partner institution.

HHS agrees to:

a. Identify the funds necessary for the acceptance of the necessary equipment in keeping with the approved budget;

b. Identify the funds or transportation necessary for the shipping of goods to partner country; and,

c. Provide Guidelines on Medical Equipment Donation for partner country.

All projects are required to have an evaluation plan, consistent with the scope of the proposed project and funding level that conforms to the project’s stated goals and objectives. The evaluation plan should include both a process evaluation to track the implementation of project activities and an outcome evaluation to measure changes in knowledge and skills that can be attributed to the project. Project funds may be used to support evaluation activities.

In addition to conducting their own evaluation of projects, successful applicants must be prepared to participate in an external evaluation, to be supported by OGHA/HHS and conducted by an independent entity, to assess efficiency and effectiveness for the project funded under this announcement.

Within 30 days following the end of each of quarter, submit a performance report no more than ten pages in length must be submitted to OGHA/HHS. A sample monthly performance report will be provided at the time of notification of award. At a minimum, monthly performance reports should include:

• Concise summary of the most significant achievements and problems encountered during the reporting period, e.g., number of training courses held and number of trainees.

• A comparison of work progress with objectives established for the quarter using the grantee’s implementation schedule, and where such objectives were not met, a statement of why they were not met.

• Specific action(s) that the grantee would like the OGHA/HHS to undertake to alleviate a problem.

• Other pertinent information that will permit monitoring and overview of project operations.

• A quarterly financial report describing the current financial status of the funds used under this award. The awardee and OGHA will agree at the time of award for the format of this portion of the report.

Within 90 days following the end of the project period a final report containing information and data of interest to the Department of Health and Human Services, Congress, and other countries must be submitted to OGHA/HHS. The specifics as to the format and content of the final report and the summary will be sent to successful applicants. At minimum, the report should contain:

• A summary of the major activities supported under the agreement and the major accomplishments resulting from activities to improve mortality in partner country.

• An analysis of the project based on the problem(s) described in the application and needs assessments, performed prior to or during the project period, including a description of the specific objectives stated in the grant application and the accomplishments and failures resulting from activities during the grant period.

Quarterly performance reports and the final report may be submitted to: Ms. Karen Campbell, Director, Office of Grants Management, OPHS, HHS1101 Wootton Parkway, Suite 550, Rockville, MD 20852, phone (240) 453–8822.

VII. Agency Contacts

For assistance on administrative and budgetary requirements, please contact: Ms. Karen Campbell, Director, Office of Grants Management, OPHS, HHS, 1101 Wootton Parkway, Suite 550, Rockville, MD 20852, phone (240) 453–8822.

For assistance with questions regarding program requirements, please contact Dr. Amar Bhat, Asia-Pacific Division, Office of Global Health Affairs, Office of the Secretary, Department of Health and Human Services, 5600 Fishers Lane, Suite 18–101, Rockville, MD 20857. Phone Number: 301–443–1410.

VIII. Tips for Writing a Strong Application

Include DUNS Number. You must include a DUNS Number to have your application reviewed. Applications will not be reviewed without a DUNS number. To obtain a DUNS number, access http://www.dnbreport.com or call 1–866–705–5711. Please include the DUNS number next to the OMB Approval Number on the application face page.

Keep your audience in mind. Reviewers will use only the information contained in the application to assess the application. Be sure the application and responses to the program requirements and expectations are complete and clearly written. Do not assume that reviewers are familiar with the applicant organization. Keep the review criteria in mind when writing the application.

Start preparing the application early. Allow plenty of time to gather required information from various sources.

Follow the instructions in this guidance carefully. Place all information in the order requested in the guidance. If the information is not placed in the requested order, you may receive a lower score.

Be brief, concise, and clear. Make your points understandable. Provide accurate and honest information, including candid accounts of problems and realistic plans to address them. If any required information or data is omitted, explain why. Make sure the information provided in each table, chart, attachment, etc., is consistent with the proposal narrative and information in other tables.

Be organized and logical. Many applications fail to receive a high score because the reviewers cannot follow the thought process of the applicant or because parts of the application do not fit together.

Be careful in the use of appendices. Do not use the appendices for information that is required in the body of the application. Be sure to cross-reference all tables and attachments located in the appendices to the appropriate text in the application.

Carefully proofread the application. Misspellings and grammatical errors will impede reviewers in understanding the application. Be sure pages are numbered (including appendices) and that page limits are followed. Limit the use of abbreviations and acronyms, and
define each one at its first use and periodically throughout application.

Mary Lou Valdez,
Deputy Director for Policy, Office of Global Health Affairs.

Cristina V. Beato,
Acting Assistant Secretary for Health, Office of Public Health and Science.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Announcement of Availability of Funds for Cooperative Agreement To Provide Technical Assistance and Support to the Afghanistan Ministry of Public Health (MOPH) in Strengthening the Management of the Women’s and Children’s Hospitals and Hospital Services in Kabul

AGENCY: Department of Health and Human Services, Office of the Secretary, Office of Public Health and Science, Office of Global Health Affairs.

Announcement Type: Cooperative Agreement—FY 2005 Initial Announcement.

Funding Opportunity Number: OGHA 05–025.

SUMMARY: The Office of Global Health Affairs (OGHA) announces that up to $475,000 in fiscal year (FY) 2005 of funds is available for one (1) cooperative agreement to provide support to strengthen the management of women’s and children’s hospitals by the Afghan Ministry of Public Health (MOPH) in Kabul. This effort is an undertaking by the Department of Health and Human Services (HHS) in partnership with the Afghan MOPH. The primary goal of this project is to improve the quality of care at women’s and children’s health institutions in Afghanistan. The OGHA anticipates substantial HHS scientific and programmatic involvement in the administration of the quality improvement program. The project will be approved for up to a one-year period for a total of $475,000 (including indirect costs). Funding for the cooperative agreement is contingent upon the availability of funds.

Optional Letter of Intent due by 5 p.m. ET: September 9, 2005.

Applications due by 5 p.m. ET: September 19, 2005.

Award date: September 30, 2005.

ADDRESSES: Application kits may be requested from, and applications submitted to: Ms. Karen Campbell, Director, Office of Grants Management, Office of Public Health and Science (OPHS), HHS, 1101 Wootton Parkway, Suite 550, Rockville, MD 20852.

I. Funding Opportunity Description

Purpose of the Agreement

HHS, in partnership with other relevant U.S. Government agencies, anticipates involvement in the development, administration and oversight of this program to improve hospital management capacity within the MOPH. The program will be for a three-year period. Approximately $475,000 (including indirect costs) will be available in the first year. Funding for the cooperative agreement in subsequent years is contingent upon the availability of funds and the performance of the awardee against measurable performance targets.

This Cooperative Agreement is intended to complement and build upon the work of the MOPH Hospital Management Task Force (HMTF) and its efforts to implement the Essential Package of Hospital Services (EPHS) and the recommendations of the Joint U.S. Government/MOPH health-facility management planning team, as outlined above. Implementation and adherence to recognized evidence-based healthcare and facility-management standards will be essential elements of successful proposals.

The awardee will work in collaboration with the MOPH’s HMTF based on the approved recommendations of the Joint USG/MOPH planning mission. The plans will include but are not limited to the type of governance structure, procurement strategies, human resources management, financial management, facility and environmental safety management, sharing of services, developing a continuum of maternal and child healthcare in Kabul and centers of excellence within the consortium, developing an integrated health records system, and quality assurance. The award recipient will work with HHS to review training plans previously developed to support improvements in healthcare administration and provide a phased plan for leadership and healthcare management training as part of their planning process.

Activities: To assist the MOPH in carrying out the recommendations of the USG/MOPH team, including the development of a self-sustaining organizational structure within the MOPH that supports the management, organization and entrepreneurial growth of the healthcare hospital delivery sector in Kabul.

Assist in planning and establishing an organizational structure that facilitates the development of a network of women’s and children’s hospitals, herein referred to as the Kabul Women’s and Children’s Hospital Consortium, or the Consortium. Specifically: Develop a plan and assist in establishment of a Consortium Board of Directors that will provide governance, strategic direction and facilitate communication for the Consortium. The Board and its chair will be appointed by the MOPH.

Develop and implement a non-profit foundation to raise funds and broaden support for the Consortium. Solicit international donors’ resource support for the foundation.

Implement and refine Consortium management and Board of Directors governance process. This includes assisting MOPH in the development of leadership accountability and performance contracts, objective performance assessment and measurement systems, and a performance-based salary and incentive system for healthcare managers and executives.

Summarize in a three-year plan the strategies that the Kabul Women’s and Children’s Hospital Consortium will undertake in the restructuring of hospital service delivery. This plan will be prepared and submitted to the MOPH and HHS no later than three months of the initiation of this grant program.

Advise the HMTF staff on the establishment of a separate city-wide Kabul Hospital Council that will serve as a platform for local hospital directors for discussion, sharing of knowledge and best practices, creation of a referral system for continuity and coordination of care with the goal of improving healthcare services and health of the city of Kabul. The grantees is expected to assist the HMTF with preparing for Council meetings.

Provide technical assistance and logistical support to the MOPH in preparing, hosting and reporting the recommendations of an international healthcare management summit at a date to be determined by the MOPH. The main goal of this summit is to give the Minister a forum to describe the vision for the Afghan healthcare system, describe plans for the establishment of a hospital consortium in Kabul and gain support from the conference attendees for the MOPH vision to improve the
