U.S. Attorney General*, No. 04-CV-21685 (S.D. Fla.) and the plaintiff class in *Padilla v. Ridge*, No. M 03-126 (S.D. Tex.), and a "post-April 1 subclass," who were or will be granted lawful permanent resident status by the EOIR under regulations in effect on April 1, 2005 or thereafter;
- (D) In the same Order of August 24, 2005, the Court granted Plaintiffs' Motion for Summary Judgment Declaring Violations of the Administrative Procedure Act;
 - (E) By Order of December 22, 2005, the Court issued a Permanent Injunction;

- (G) One of Plaintiffs' counsel, Mr. Javier Maldonado on behalf of the Lawyers' Committee for Civil Rights Under the Laws of Texas, represents the plaintiff class in *Padilla v. Ridge*, No. M 03-126 (S.D. Tex.);
- (H) Defendants deny all liability with respect to the Action, deny that they have engaged in any wrongdoing, deny the allegations in the Complaint filed in the Action, deny that

they committed any violation of law, deny that they acted improperly in any way, and deny liability of any kind to the Plaintiffs, the Class, or the Class Members, but have agreed to the settlement and dismissal of the Action with prejudice in order to: (i) avoid the substantial expense, inconvenience, and distraction of protracted litigation; and (ii) finally put to rest and terminate the Action and any and all Settled Claims (see below Section I: "Definitions");

- (I) Class Counsel have conducted discussions and arm's length negotiations with Defendants' Counsel with respect to a compromise and settlement of the Action with a view to settling the issues in dispute and achieving the best relief possible consistent with the interests of the Plaintiffs, the Class, and all Class Members;

Cal. 2005)), after considering the substantial benefits that the Plaintiffs, the Class, and all Class Members will receive from settlement of the Action, the risks of litigation, and the desirability of permitting the Settlement to be consummated as provided by the terms of this Stipulation;

NOW, THEREFORE, it is hereby STIPULATED AND AGREED, by and among the parties to this Stipulation, through their respective attorneys, subject to the approval of the Court pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, in consideration of the benefits flowing to the parties hereto from the Settlement, that the Settled Claims as against the Released Parties shall be compromised, settled, forever released, barred, and dismissed with prejudice, upon and subject to the following terms and conditions:

I. Definitions:

Wherever used in this Stipulation, the following terms have the meanings set forth below:

A. "Action" means the above-captioned action pending in the United States District Court for the Northern District of California (docket no. C 04-2686-MHP) and in the U.S.

Court of Appeals for the Ninth Circuit (docket no. 06-15366).

- B. "Class" means, for purposes of this settlement only, a Plaintiff class pursuant to Rule 23 of the Federal Rules of Civil Procedure, comprising all persons who have been or will be granted lawful permanent resident status prior to termination of this Stipulation by the EOIR, through the Immigration Courts or the BIA, and to whom the USCIS has failed to issue evidence of registration as a lawful permanent resident, with the exception that the class excludes the 34 named plaintiffs in *Lopez-Amor v. U.S. Attorney General*, No 04-CV-21685 (S.D. Fla.). This class definition is dependent upon dismissal of the action in *Padilla*, *et al.*, *v. Ridge*, *et al.*, No. M-03-126 (S.D. Tex.), or transfer of that action to the Northern District of California. The Class ceases to exist upon the termination of this Stipulation, and the Class shall not accrue any additional members after such termination date. If the *Padilla* case is not dismissed or transferred to this court, the parties will re-negotiate the terms of this agreement.
 - C. "Class Member" means any Person included in the Class.
- D. "Effective Date of Settlement" or "Effective Date" means the date upon which the Settlement contemplated by this Stipulation shall become effective, as set forth in paragraph 33 below.
- E. The terms "evidence of LPR status" and "documentation of LPR status" mean documentation issued by DHS to an alien having lawful permanent resident status that the alien may show to demonstrate his or her status for purposes of travel, employment, and other activities requiring documentation of an individual's immigration status in the United States. For purposes of this Stipulation, such documentation also constitutes the "evidence of registration as a lawful permanent resident" in the class definition as defined above.
- F. "Lawful Permanent Resident" ("LPR") means a lawful permanent resident alien of the United States, as defined in 8 U.S.C. § 1101(a)(20).
- G. The term "Permanent Resident Card" or "Form I-551" means the secure, biometric document that is issued by DHS to LPRs as evidence of their permanent resident status.
- H. "Plaintiff(s)" or "Named Plaintiff(s)" means Maria Santillan, Flora Rodriguez Santillan, Jaime Rodriguez Santillan, Maria Camarillo, Jose Miranda, Miroslava

Hernandez, Pablo Hernandez Calvillo, and Rodolfo Navas;

- I. "Plaintiffs' Counsel" or "Class Counsel" means Cooley Godward Kronish LLP, the Lawyers' Committee for Civil Rights Under the Laws of Texas, and the Mexican American Legal Defense and Education Fund. Should these entities change their names or merge with other entities, those new entities shall also qualify as Class Counsel.
- J. "Released Parties" means any and all of the Defendants, their predecessors and successors, their departments and agencies, and their past or present agents, employees, and contractors.
- K. "Settled Claims" means any and all actions, suits, claims, demands, rights, liabilities, and causes of action, of every nature and description, whether known or unknown, accrued or unaccrued, whether based on federal, state, local, statutory, or common law or any other law, rule, or regulation, that were asserted or that could have been asserted or could be asserted in this Action in any forum, that the Plaintiffs, the Class, the Class Members or any of them, or any of their heirs, representatives, attorneys, successors, assigns, and any person they represent, in the past had, now have, or during the pendency of the Stipulation might have against the Defendants or any of them, which regard, concern, relate to, refer to, arise out of, or are based upon, in any way: (a) the allegations, transactions, facts, matters, occurrences, representations, omissions, disclosures, statements, failure to disclose, or failure to act involved, set forth, referred to or that were, could be, or could have been asserted in the Action, including known and Unknown Claims as herein defined, and whether or not concealed or hidden; (b) any Defendant's provision or failure to provide evidence of LPR status, and the manner or timing of such provision or non provision; (c) the Defendants' defense of or settlement of the Action. Provided, however, that the definition of Settled Claims shall not in any way impair or restrict the rights of the settling parties to invoke the dispute resolution provisions of this Stipulation at paragraphs 26-29. Specifically, this definition does not restrict a class member's ability to pursue "Individual Claims" except as set forth in paragraph V.26. As used herein, "Unknown Claims" shall mean any and all actions, suits, claims, demands, rights, liabilities, and causes of action relating to or arising from the allegations in the Action that the Plaintiffs, the Class, or any of the Class

Members do not know of or suspect to exist in their favor at the time of the release of the Released Parties, including but not limited to those that, if known by them, might have affected their agreement to the Settlement.

L. "Settlement" means the settlement contemplated by this Stipulation.

II. Release; Scope and Effect of Release

- 1. The obligations incurred pursuant to this Stipulation shall be a full and final disposition of the Action with prejudice and of any and all Settled Claims as against all Released Parties.
- 2. On the Effective Date, the Plaintiffs, the Class, and the Class Members, on behalf of themselves, their heirs, executors, administrators, representatives, attorneys, successors, assigns, agents, affiliates, and partners, and any Persons they represent ("Releasing Parties"), shall be deemed to have, and by operation of the Final Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Parties of and from any and all of the Settled Claims, and the Releasing Parties shall forever be barred and enjoined from bringing or prosecuting any Settled Claim against any of the Released Parties. The terms of this paragraph do not limit the Individual Claims or Class Claims that Plaintiffs may bring pursuant to paragraphs 26-29.
- 3. This Stipulation is contingent on the Court's vacating its permanent injunction Order of December 22, 2005 (published at 2005 WL 3542661 (N.D. Cal 2005)) and the preservation of the summary judgment Order (published at 388 F. Supp. 2d 1065 (N.D. Cal 2005)). Defendants' concurrence with the preservation of the summary judgment Order does not constitute, and shall not be deemed to imply, Defendants' agreement with the findings or decisions contained in that Order.
- 4. In consideration for the releases contained herein, and subject to this Stipulation's conditions, the Defendants will institute requirements, as detailed herein, for the issuance of evidence of LPR status to Class Members who are issued any of the following final orders by EOIR: (i) orders granting adjustment of status to permanent residence; (ii) orders granting cancellation of removal and adjustment of status of a non-permanent resident to permanent

1

residence; (iii) orders granting suspension of deportation and adjustment of status of a nonpermanent resident to permanent residence; (iv) suspension of deportation or special rule cancellation of removal; or (v) any other form of relief from removal that EOIR may grant that results in a Class Member being granted LPR status at the conclusion of removal proceedings (collectively, the "Covered Orders"). See 8 U.S.C. § 1159; 8 U.S.C. § 1186a; 8 U.S.C. § 1186b; former 8 U.S.C. § 1254; 8 U.S.C. § 1229b(b); 8 U.S.C. § 1255; Pub. L. No. 106-429, § 101(a), Nov. 6, 2000, 114 Stat 1900, 1900A-57; Pub. L. As used in this Stipulation, the term "Final Covered Order" shall apply to Covered Orders that satisfy 8 U.S.C. § 1101(a)(47)(B).

III. Requirements for Issuance of Status Documentation

A. Notice to Class

- 5. Defendants, acting through U.S. Immigration and Customs Enforcement ("ICE"), agree to provide to any Class Member who receives a Covered Order from an Immigration Court a written description of the Post-Order Instructions for obtaining documentation of LPR status from USCIS at the time such Class Member receives such Covered Order. Defendants, acting through the BIA, agree to provide to any Class Member who receives a Covered Order from the BIA information in the decision on how to access DHS procedures for obtaining documentation of LPR status from USCIS.
- 6. Defendants agree to post the information contained in the written description of Post-Order Instructions on USCIS's public website, and to provide appropriate hyperlinks to the Post-Order Instructions from other public websites maintained by DHS and DOJ.

- 7. Any Class Member who received a Covered Order prior to April 1, 2005 and who has not, as of the Effective Date of this Stipulation, received the Post-Order Instructions, shall be provided the Post-Order Instructions if and when he or she contacts USCIS seeking issuance of status documentation.
- 8. Defendants will also notify Class Members of the Settlement pursuant to a Courtapproved Notice to the Class pursuant to paragraph 30 of this Stipulation.

В. Communication between ICE and USCIS of Class Members' Status

9. Within three (3) business days of a Class Member's Covered Order from an Immigration Court becoming final, ICE shall provide notice to USCIS that provides all necessary information for USCIS to process such Class Member's status documentation, such as verification that all required security and background checks have been completed, the Class Member's class admission code, and, where applicable, confirmation that the Department of State has provided such Class Member a visa number.

C. Timing of Issuance of Status Documentation

- Subject to the exceptions in this Stipulation, USCIS shall issue a Permanent Resident Card (Form I-551) within (i) fifteen (15) business days of capture of the Class Member's biometrics at the Application Support Center ("ASC") as described in paragraph 15 of this Stipulation; or (ii) thirty (30) business days from the Starting Date, as defined in paragraph 11 of this Stipulation, whichever date is later.
- For Class Members who have been issued a Final Covered Order as of the 11. Effective Date of this Stipulation, the "Starting Date" shall mean: (i) the date on which the Class Member first presents himself or herself at a local USCIS office in conformity with paragraphs 12-14 of this Stipulation; or (ii) the Effective Date of this Stipulation, whichever is later. For future Class Members who receive a Final Covered Order after the Effective Date of this Stipulation, the "Starting Date" is the date on which the Class Member first presents himself or herself at a local USCIS office in conformity with paragraphs 12-14 of this Stipulation.

D. The Initial USCIS Appointment

12. In order to conform with this paragraph of the Stipulation, the Class Member must

make an appointment at a local USCIS office using InfoPass or other routine means used for making USCIS appointments. For purposes of this Stipulation, this appointment at USCIS will be termed the "InfoPass appointment." If the Class Member is unable to do so himself or herself because the Class Member (or his or her representative, if any) does not have access to, or ability to access, the Internet, or because InfoPass or other routine means used for making USCIS appointments indicates the unavailability of such appointments, the Class Member may come to a local USCIS office without previously contacting USCIS, and USCIS will schedule the Class Member's USCIS appointment not later than two (2) weeks after the Class Member's visit to the USCIS office.

- 13. In order to conform with this paragraph of the Stipulation, the Class Member must appear at the USCIS appointment set pursuant to paragraph 12 of this Stipulation with the following information: (i) his or her copy of the Covered Order; (ii) satisfactory evidence of his or her identity; (iii) a passport, if available; and (iv) any USCIS receipt notice issued to the Class Member in connection with the application for relief and any evidence of prior biometric processing, if such documents are in the Class Member's possession. The failure to present the items in (iii) and (iv) above will not affect the date of the commencement of the prescribed period of time. Using the above documents, USCIS will verify the identity of the Class Member and that the same Class Member has received a Final Covered Order.
- 14. If the Class Member does not bring the documents required in paragraph 13(i) and (ii) to his or her InfoPass appointment, USCIS will schedule a subsequent InfoPass appointment for the Class Member, and the prior appointment will not be deemed in conformity with paragraph 13 of this Stipulation.
- 15. If at the time of an InfoPass appointment at USCIS that conforms with paragraphs 12 and 13 of this Stipulation, USCIS determines that the Class Member's biometrics have not been previously obtained, or have not been obtained in a manner that can be retrieved by USCIS for card production, USCIS shall schedule a new appointment at an ASC for biometrics capture for the Class Member within fifteen (15) business days of the above-mentioned appointment. If a Class Member is required to pay a DHS biometrics collection fee, and the Class Member can

demonstrate prior payment of that fee in association with his application for relief that EOIR granted, the Class Member will not be charged additional fees for providing biometric information at the ASC. A Class Member may demonstrate prior payment by showing a USCIS fee receipt indicating such payment, a cancelled check for the biometric fee, a credit card receipt for the fee, a copy of the money order submitted for the fee payment, or the customer receipt from the institution that issued the money order.

16. The time periods described in paragraphs 10, 11, and 14 shall be tolled during any period that a Class Member fails to attend a scheduled ASC appointment and provide biometrics, fails to provide the information in 13(i) or 13(ii) necessary for processing his or her request for documentation of LPR status, or fails to comply with any other requirements of such paragraphs.

E. Administrative Remedies for Non-Issuance of Status Documentation

- 17. USCIS shall establish a National Point of Contact ("POC"), with a dedicated e-mail address or website, to accept inquiries from Class Members who do not receive status documentation within the period specified in paragraphs 10 and 11 of this Stipulation.
- 18. Any Class Member who does not receive documentation of LPR status within the period specified in paragraphs 10 and 11 of this Stipulation may, personally or through a representative, contact the POC at the dedicated USCIS e-mail address or through a USCIS website location, provided that USCIS is able to establish such a website location as a replacement for the e-mail process. If a Class Member is unable to send an e-mail to the POC or to use the replacement website location, once implemented, to contact the POC, the Class Member may call the USCIS National Customer Service Center toll free number to make such inquiry, and the USCIS National Customer Service Center shall collect the information listed in paragraph 19 and transmit it to the national POC.
- 19. The Class Member or his or her representative, in the e-mail to the POC or the replacement USCIS website location (if created) or the call to the USCIS National Customer Service Center referred to in paragraph 18, must transmit the following information: (a) Class Member's name; (b) Class Member's "A number"; (c) Class Member's date of birth; (d) Class Member's address; (e) the date the Class Member's Covered Order became final; (f) type of relief

granted to the Class Member by EOIR; (g) location of USCIS office where Class Member attended an InfoPass appointment at USCIS; (h) dates of Class Member's USCIS InfoPass appointment(s) and ASC appointments (if applicable); and (i) any other available information regarding Class Member's efforts to obtain status documentation. In order to ensure that the class member provides all the information elements in this paragraph necessary for the POC to inquire about the class member's status documentation, USCIS may provide a form to be attached to the class member's e-mail, or create a replacement website format, for the class member to complete the requested information.

- Within twenty-one (21) business days after a Class Member or his or her 20. representative sends the e-mail, submits the USCIS website form (once created), or contacts the toll free number and conveys the required information in paragraph 19, USCIS shall mail or otherwise issue to the Class Member a Permanent Resident Card (Form I-551). If USCIS does not mail or otherwise issue a Form I-551 to a Class Member within such period, then: (i) the Class Member may appear without an appointment at a local USCIS office; (ii) at such appearance, after USCIS confirms that USCIS has not mailed or otherwise issued the Class Member's Form I-551, USCIS shall issue the Class Member temporary documentation of LPR status that is sufficient for the Class Member to present when required to provide evidence of his or her immigration status for travel, employment, or other purposes requiring such evidence. Any such temporary documentation shall be valid for at least six (6) months. DHS shall issue a permanent I-551 card to the Class Member within six (6) months of issuing the temporary documentation. When issuing either temporary or permanent documentation of status, nothing in this Stipulation shall prevent Defendants from complying with the requirements for secure documents as contained in section 303(b) of the Enhanced Border Security and Visa Entry Reform Act, Pub. L. No. 107-173 (2002) (codified, as amended, at 8 U.S.C. § 1732(b)). Defendants are expected to meet their obligations to issue temporary documentation under this paragraph consistent with the U.S. Code.
- 21. USCIS will maintain for two (2) years following the Effective Date of this Stipulation records of all Class Members who identify themselves to the POC or to the USCIS

F. National Security Exception

22. Plaintiffs agree, on behalf of themselves, the Class, and the Class Members, that nothing in this Stipulation shall limit Defendants from withholding evidence of LPR status from a Class Member beyond any of the time periods stated in this Stipulation, where Defendants possess specific and particular information about that Class Member that was not previously disclosed by the Class Member, on the record while in removal proceedings, that the Class Member may be a risk to national security or public safety. The USCIS Director or Deputy Director will certify, in writing, that (a) Defendants possess the specific and particular information, as described in this paragraph, that the Class Member may be a risk to national security or public safety; (b) he or she has reviewed and considered such information that is available to USCIS, and (c) he or she approves the decision to withhold documentation of LPR status from the Class Member for national security or public safety reasons as provided in this paragraph. This writing is not required to be in the form of a declaration, affidavit, or any other statement or writing made under oath or the penalty of perjury. Plaintiffs also agree that nothing in this Stipulation shall limit Defendants' authority to promulgate regulations, issue policy directives and guidance, and to take other appropriate action, as necessary, concerning background and security investigations conducted on aliens or the issuance of documents to aliens.

G. Emergency Request for Issuance of Status Documentation

A Class Member may seek issuance of temporary status documentation at any InfoPass appointment at USCIS where the class member provides the information in paragraph 13(i) and 13(ii) of this Stipulation if: (a) he or she brings written evidence demonstrating an emergency need to travel (e.g., death or imminent death of an immediate family member abroad or severe illness of a minor child or dependent who needs medical treatment abroad); or (b) demonstrates an emergency need for documentation evidencing his or her eligibility for employment. USCIS will ordinarily provide such temporary documentation of LPR status if the

Class Member's checks have been completed and establish that the Class Member does not pose a risk to national security or public safety.

IV. Defendants' Reporting Obligations

- 24. Defendants agree that, for two (2) years following the Effective Date of this Stipulation, USCIS will provide quarterly reports ("Quarterly Reports") to class counsel listing (by name and A-file number) Class Members who have contacted the POC pursuant to paragraphs 17-20 of this Stipulation during the reporting period and who have not been issued documentation of LPR status by the due date of the Quarterly Report. The Quarterly Report shall identify, for each Class Member, whether the relevant time period for issuance of documentation of LPR status under this Stipulation has indeed expired and any reason Defendants assert for not issuing status documentation; provided, however, that USCIS will not list any reason provided for in paragraph 22 of this Stipulation in the Report. USCIS will provide such quarterly reports to class counsel within twenty-one (21) business days after the end of each quarter, which end on March 31, June 30, September 30, and December 31 of each year.
- 25. Defendants will include in the Quarterly Report to Class Counsel the number of times, if any, during the period that status documents have been withheld for the reason provided for in paragraph 22 of this Stipulation.

V. Dispute Resolution Procedures; Exhaustion of Remedies

26. Plaintiffs, on behalf of themselves, the Class, and the Class Members, agree that:
(a) their sole and exclusive remedy for any alleged breach of this Stipulation is specified in paragraphs 27 ("Class Claims") and 28 ("Individual Claims") of this Stipulation; (b) no Class Member may bring either an Individual Claim or a Class Claim (as defined herein) unless such Class Member has (i) appeared at an InfoPass appointment or other routine means used for making USCIS appointments at USCIS in conformity with paragraphs 12 and 13 of this Stipulation; (ii) if applicable, appeared at an ASC appointment in conformity with paragraph 15 of this Stipulation; (iii) contacted the POC in conformity with paragraphs 17 through 19 of this Stipulation; and (iv) not been issued documentation of LPR status within the twenty-one (21)-business day period in paragraph 20 of this Stipulation; and (c) that the Court's summary

judgment Order of August 24, 2005 (published at 388 F.Supp.2d 1065 (N.D. Cal. 2005) shall not constitute *res judicata* for claim or issue preclusion purposes in the context of either the Individual Claims that may be brought under paragraph 28 or the Class Claims that may be brought under paragraph 27. Any claim that does not meet the requirements of this paragraph shall be dismissed. Defendants reserve any and all applicable defenses, including those that may become available if the law changes, to any Class or Individual Claim filed under this Stipulation.

A. Class Claims

A "Class Claim" is any claim by a Class Member, represented by Class Counsel, 27. to enforce this Stipulation on behalf of the Class. This Court has sole and exclusive jurisdiction to hear any Class Claim. No Class Claims may be filed or made, individually or collectively, unless: (i) the Class Member making the Class Claim can identify at least 25 Class Members from a minimum of 4 different USCIS districts who have exhausted all of the procedures required of them in paragraphs 12 through 20 of this Stipulation without receiving documentation of LPR status, (ii) such Class Members still have not received their documentation of LPR status after two (2) calendar quarters since the Class Members exhausted those procedures; and (iii) the Class Member making the Class Claim has identified the 25 Class Members in subpart (i), including names and A numbers, to the USCIS Chief Counsel, in writing, at least sixty (60) days in advance of requesting enforcement by the Court. The 60-day notice period in subpart (iii) may run concurrently, in whole or in part, with the calendar quarters in subpart (ii). Defendants reserve and do not waive any defenses that they may have to a Class Claim, including defenses without limitation already raised in the Litigation and defenses that may arise under new laws or regulations.

B. Individual Claims

28. An "Individual Claim" is an action brought by an individual Class Member to invoke court assistance to obtain individual relief in the form of documentation of LPR status. An Individual Claim may be brought in this Court or in any other federal district court with jurisdiction over the parties. A Class Member's exhaustion of remedies does not per se establish that such Class Member has met his burden to prove the individual claim brought pursuant to this

Stipulation. With the exception of the requirements set forth in paragraph 26, this Stipulation does not restrict a Class Member's ability to pursue actions in accordance with this paragraph. Defendants reserve and do not waive any defenses that they may have to an Individual Claim, including defenses without limitation already raised in the Litigation and defenses that may arise under new laws or regulations.

29. If a Class Member who has not received documentation of LPR status for the reasons allowed in paragraph 22 of this Stipulation files an Individual Claim, and the court determines that the Individual Claim was filed in accordance with this Stipulation, Defendants shall, within thirty (30) days of such determination, inform the Class Member or his appropriate representative in his individual lawsuit, in writing, that the Director or Deputy Director of USCIS has made a determination to withhold that Class Member's evidence of status beyond the applicable time period in the Stipulation because DHS possesses specific and particular information that the Class Member may be a risk to national security or public safety; provided, however, that issuing documentation of LPR status to that Class Member prior to that time will obviate the need for USCIS to provide such writing. Defendants are not required to describe the nature or details of information that they possess regarding Class Members for whom Defendants decide to withhold evidence of LPR status under paragraph 22 of this Stipulation.

VI. Terms of Order for Notice and Hearing

30. Concurrently with their filing of this Stipulation, Class Counsel and Defendants' Counsel shall jointly apply to the Court for preliminary Court approval of the Settlement contemplated by this Stipulation and entry of a Preliminary Approval Order, substantially in the form appended hereto as Exhibit A. Such Preliminary Approval Order will seek approval of a Notice to the Class, as well as a finding that the following satisfies the publication requirements of Fed. R. Civ. P. 23: (i) posting the Notice to the Class and this Stipulation in appropriate places on the USCIS, ICE, and DOJ/EOIR public websites, and (ii) distributing within three (3) business days of the date of the Court's preliminary approval of this Stipulation, the Notice to the class and the Stipulation to all immigration assistance providers listed on the Roster of Recognized Organizations and Accredited Representatives maintained by EOİR pursuant to 8 C.F.R. §§ 292

and 1292, and the Pro Bono Program section of the EOIR website.

VII. Terms of Order and Final Judgment

- 31. If the Settlement contemplated by this Stipulation is approved by the Court, counsel for the parties shall request that the Court enter Final Judgment substantially in the form appended hereto as Exhibit B. Such Final Judgment shall include a full vacatur of the Court's permanent injunction Order of December 22, 2005 (slip copy published at 2005 WL 3542661 (N.D. Cal. 2005)) with such vacatur effective as of the date of the Final Judgment, except as to those matters that will remain the subject of the District Court's retained jurisdiction under paragraph 27 of this Stipulation. The Final Judgment shall not include vacatur of the Court's summary judgment Order of August 24, 2005 (published at 388 F. Supp. 2d 1065 (N.D. Cal. 2005)).
- 32. Within 60 days following the Court's entry of the Final Judgment, Defendants will publish a Notice of Final Settlement Agreement according to the methods set forth in paragraph 30. The language of the Notice of Final Settlement Agreement will be agreed upon by the parties and will constitute an updated Notice to the Class.

VIII. Effective Date of Settlement, Waiver or Termination

- 33. The Effective Date of this Stipulation shall be the date when all of the following shall have occurred:
- (a) entry of the Preliminary Approval Order in all material respects in the form appended hereto as Exhibit A;
- (b) approval by the Court of this Stipulation, following notice to the Class and a hearing, as prescribed by Rule 23 of the Federal Rules of Civil Procedure; and
- (c) entry by the Court of Final Judgment, in all material respects in the form appended hereto as Exhibit B.
- 34. In the event that the District Court's approval of the Stipulation or the Final Judgment referenced in 33(c) is voided on appeal, vacated, or terminated, the parties' good faith adherence to the terms of this Stipulation prior to said voidance, vacation or termination shall not be considered unlawful.

35. Defendants' Counsel or Class Counsel shall have the right to terminate the Settlement and this Stipulation by providing written notice of their election to do so ("Termination Notice") to all other parties hereto within thirty (30) days of (a) the Court's declining to enter the Preliminary Approval Order or modification of that Preliminary Approval Order in any material respect; (b) the Court's declining to approve the Settlement embodied in this Stipulation, or any material part of it; (c) the Court's declining to enter the Final Judgment or modification of the Final Judgment in any material respect; (d) the date upon which the Final Judgment is modified, reversed, or vacated in any material respect by the Court, the Court of Appeals or the United States Supreme Court; or (e) the date upon which an Alternative Judgment is modified, reversed, or vacated in any material respect by the Court, the Court of Appeals or by the United States Supreme Court.

36. Except as otherwise provided herein, in the event the Settlement is terminated or modified in any material respect or fails to become effective for any reason, then the Settlement shall be without prejudice and none of its terms shall be effective or enforceable; the parties to this Stipulation shall be deemed to have reverted to their respective status in the Action as of the date and time immediately prior to the execution of this Stipulation; and except as otherwise expressly provided, the parties shall proceed in all respects as if this Stipulation and any related orders had not been entered. In the event the Settlement is terminated or modified in any material respect, the Defendants shall be deemed not to have waived, modified, or be estopped from asserting any additional defenses available to them.

IX. Termination of Obligations

37. The obligations of this Stipulation shall terminate after two (2) years from the Effective Date without further action by the Court. The termination of this Stipulation shall not extinguish or diminish the District Court's authority to resolve claims pending during the effective period of the Stipulation pursuant to the District Court's retained jurisdiction under paragraph 27, nor shall the termination of the Stipulation extinguish or diminish the rights of any party with such pending claims to obtain relief based on the terms of this Stipulation.

X. No Admission of Wrongdoing

- 38. This Stipulation, whether or not executed, and any proceedings taken pursuant to it:
- (a) shall not be construed to waive, reduce or otherwise diminish the authority of the Defendants to enforce the laws of the United States against Class Members notwithstanding the terms of this Stipulation, consistent with the Constitution and laws of the United States.
- (b) shall not be offered or received against the Defendants as evidence of, or construed as or deemed to be evidence of, any presumption, concession, or admission by any of the Defendants of the truth of any fact alleged by the Plaintiffs or the validity of any claim that had been or could have been asserted in the Action or in any litigation, or the deficiency of any defense that has been or could have been asserted in the Action, or of any liability, negligence, fault, or wrongdoing of the Defendants; or any admission by the Defendants of any violations of, or failure to comply with, the Constitution, laws or regulations.
- (c) shall not be offered or received against the Defendants as evidence that failure to provide documents within the time frame set forth herein, or within any time frame, is unjustified or illegal; and
- (d) shall not be offered or received against the Defendants as evidence of a presumption, concession, or admission of any liability, negligence, fault, or wrongdoing, or in any way referred to for any other reason as against any of the parties to this Stipulation, in any other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation; provided, however, that if this Stipulation is approved by the Court, Defendants may refer to it and rely upon it to effectuate the liability protection granted them hereunder.

XI. Attorneys' Fees

39. Within 90 days of entry of a final and nonappealable judgment in this case approving this Stipulation, Defendants will deliver to Class Counsel the sum of \$575,000, in settlement of all claims for attorneys' fees and costs that could have been or will be claimed in this litigation. Defendants shall bear any costs incurred in connection with notifying the class of

the terms and conditions of this Stipulation.

XII. Additional Provisions

- 40. This Stipulation, and the obligations incurred herein, shall be in full and final disposition of the Action with prejudice and any and all Settled Claims against Defendants. On the Effective Date, Plaintiffs shall be deemed to have fully, finally, and forever released, relinquished, and discharged the Defendants of and from any and all Settled Claims.
- 41. All of the exhibits attached hereto are hereby incorporated by reference as though fully set forth herein.
- 42. This Stipulation may not be modified or amended, nor may any of its provisions be waived except by a writing signed by all parties hereto or their successors-in-interest.
- 43. The headings herein are used for the purpose of convenience only and are not intended to have legal effect.
- 44. The administration and consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of enforcing the terms of this Stipulation.
- 45. The waiver by one party of any breach of this Stipulation by any other party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.
- 46. This Stipulation and its exhibits constitute the entire agreement among the parties hereto concerning the Settlement of the Action, and no representations, warranties, or inducements have been made by any party hereto other than those contained and memorialized in such documents.
- 47. This Stipulation may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument provided that counsel for the parties to this Stipulation shall exchange among themselves original signed counterparts.
- 48. This Stipulation shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto.
 - 49. This Stipulation shall not be construed more strictly against one party than another

merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the parties, it being recognized by the parties that this Stipulation is the result of arm's length negotiations between the parties and that all parties have contributed substantially and materially

- All counsel and any other person executing this Stipulation and any of the exhibits hereto, or any related settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.
- Class Counsel and Defendants' Counsel agree to cooperate fully with one another in seeking Court approval of the Preliminary Order in Connection with the Settlement Proceedings, the Stipulation and Agreement of Settlement, and to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by
