PROPOSED DECISION

Claimant has presented a claim against the Hungarian Govern-  
ment under Section 303 of the International Claims Settlement Act of  
1949, as amended.

Section 303 of the Act provides for the receipt and determi-  
nation by the Commission, in accordance with applicable substantive  
law, including international law, of the validity and amounts of  
claims of nationals of the United States against the Governments of  
Bulgaria, Hungary and Rumania.

Evidence available to the Commission establishes that claimant  
never acquired nationality of the United States.

The Commission, therefore, finds that this claim should be  
and the same is hereby denied. Other elements bearing upon the com-  
pensability of the claim have not been considered.
