FOREIGN CLAIMS SETTLEMENT COMMISSION

In the Matter of the Claim of

PIERONI GIANNINA ANTONIETTI
Viale Carducci 21
Viareggio (Lucca)
Italy

Claim No. IT-10,065

Decision No. IT-///

Under Section 304 of the International
Claims Settlement Act of 1949, as amended

PROPOSED DECISION

This is a claim against the Government of Italy under Section 304 of the International Claims Settlement Act of 1949, as amended.

Section 304 of the aforesaid Act provides for the receipt and determination by the Commission, in accordance with the Memorandum of Understanding and applicable substantive law, including international law, of the validity and amounts of claims of nationals of the United States against the Government of Italy, arising out of the war in which Italy was engaged from June 10, 1940 to September 15, 1947, and with respect to which provision was not made in the treaty of peace with Italy.

Under Article 78 of the treaty of peace the Government of Italy undertook, among other things, to restore all legal rights and interests in Italy of United Nations nationals as they existed on June 10, 1940; to return all property in Italy of the United Nations nationals as they existed on the date of said treaty, September 15, 1947; and, in cases where the property could not be returned, or where, as a result of the war, a United Nations national had suffered a loss by reason of injury or damage to property in Italy, to pay compensation in accordance with the terms of the treaty.

E.L.

The records of the Commission disclose that claimant is seeking to recover for losses sustained in San Pietro Campo, Barga, Italy.

Inasmuch as provision for such claim was made in the treaty of peace with Italy, the Commission finds that the claim is not compensable under the provisions of Section 304 of the aforementioned Act. It is therefore concluded that this claim should be, and is hereby denied.

Other elements bearing on eligibility have not been considered.
