BASIL N. FLOOR, formerly known as

Claim No. IT-10,332

Decision No. It-12

Under Section 304 of the International
Claims Settlement Act of 1949, as amended

PROPOSED DECISION

This is a claim against the Government of Italy, under Section 304, of the International Claims Settlement Act of 1949, as amended.

Section 304 of the aforesaid Act provides for the receipt and determination by the Commission, in accordance with the Memorandum of Understanding and applicable substantive law, including international law, of the validity and amounts of claims of nationals of the United States against the Government of Italy, arising out of the war in which Italy was engaged from June 10, 1940 to September 15, 1947, and with respect to which provision was not made in the treaty of peace with Italy.

Under a well established principle of international law, eligibility for compensation requires that the property which was the subject of damage or loss must have been owned by a United States national at the time the damage or loss occurred and that the claim arising as a result of such damage or loss, must have been continuously owned thereafter by a United States national or nationals.

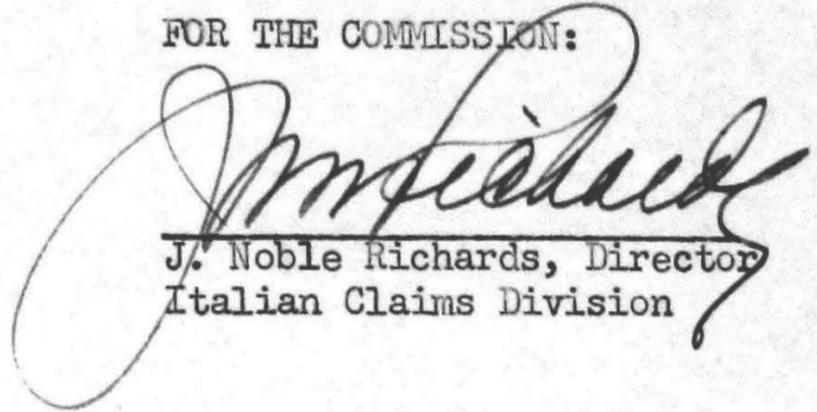

The Commission's records disclose that the claimant was not a national of the United States at the time the loss or damage to his property occurred.

For the foregoing reason, the claim must be, and is hereby, denied. Other elements bearing upon eligibility have not been considered.
