PROPOSED DECISION

This is a claim for \$51,000 originally filed by Frank Peters, now deceased, a citizen of the United States by naturalization on August 5, 1942 and is for damage to real property and loss of personal property situated in Argercastro, Albania, arising as a result of the war in which Italy was engaged from June 10, 1940 to September 15, 1947.

Section 304 of the aforesaid Act provides for the receipt and determination by the Commission, in accordance with the Memorandum of Understanding and applicable substantive law, including international law, of the validity and amounts of claims of nationals of the United States against the Government of Italy, arising out of the war in which Italy was engaged from June 10, 1940 to September 15, 1947, and with respect to which provision was not made in the treaty of peace with Italy.

Under a well established principle of international law, eligibility for compensation requires that the property which was the subject of damage or loss must have been owned by a United States national at the time the damage or loss occurred and that the claim arising as a result of such damage or loss, must have been continuously owned thereafter by

a United States national or nationals.

The facts before the Commission disclose that Frank Petrides died on or about February 26, 1957 in Chicago, Illinois, and under the terms of his will, Agathia Petrides, his widow residing in Albania, succeeded to the claim for damage to and loss of the property. However, the record fails to establish that Agathia Petrides is or at any time ever became a citizen of the United States.

It would, therefore, appear that the claim for damages and loss was not continuously owned by a United States national or nationals.

For the foregoing reason, the claim must be, and is hereby denied. Other elements bearing upon eligibility have not been considered.

Dated at Washington, D. C.
