INTERNATIONAL CLAIMS COMMISSION OF THE UNITED STATES
DEPARTMENT OF STATE
Washington, D. C.

In the Matter of the Claim of

AXEL SEALUND
139 Hugo Street
San Francisco, California

Packet No. Pan-66

Decision No. 32

Under the Convention between the United
States and Panama, effective October 11,
1950 and the International Claims
Settlement Act of 1949

PROPOSED DECISION OF THE COMMISSION

This is a claim for \$80,000 by Axel Sealund and is based on the nullification of his title to approximately 160 acres of land in the so-called "El Encanto Tract," located in the District of Bonoso, Province of Colon, Panama.

The Agreement of October 11, 1950, between the Governments of the United States and Panama, pursuant to which this claim has been filed, settled claims "with respect to property losses suffered by several nationals of the United States of American in relation to the lands called El Encanto." It is clear, therefore, that for a claimant to have standing before this Commission he must establish that he was a citizen of the United States on October 20, 1931, the date of the judgment of the Supreme Court of Justice of the Republic of Panama, which judgment declared the El Encanto Tract the property of the Republic of Panama.

Claimant appears to believe that he was born in the United States and is a citizen of the United States. He has not, however, filed persuasive evidence regarding the matter although the Commission has repeatedly invited him to do so and has made specific suggestions as to the kind of evidence it would consider.

The burden of establishing citizenship rests with the claimant. Claimant has failed to meet that burden. Therefore, his claim must be and is hereby denied.

I hereby certify that the within is a true and correct copy
