FY 2011 Strategy:

In FY 2011, the Commission will continue to administer a program that resulted from the President's Executive Order 13477 dated October 31, 2008, implementing the U.S-Libya Claims Settlement Agreement of August 14, 2008, as well as the Libyan Claims Resolution Act (LCRA), passed by Congress and signed into law on August 4, 2008. Pursuant to this Agreement and the LCRA, the government of Libya paid \$1.5 billion to the United States to provide compensation to U.S. nationals with terrorism related-claims against Libya.

The Commission will also continue to have authority under the International Claims Settlement Act of 1949, as amended, and the 1995 United States-Albania claims settlement agreement to make awards in any additional claims against Albania that are filed. In addition, the Commission will continue to reopen and reconsider claims that it had previously denied, taking into account the modification of the Albanian claims settlement agreement effected in 2006.

The Commission will also continue to: research and respond to requests for information concerning properties expropriated by the Castro regime in Cuba; engage in preliminary planning or a possible future program involving claims against Iraq; and award compensation, under the War Claims Act of 1948, as amended, to any previously uncompensated American servicemen, or their families, held as prisoners of war during the Vietnam conflict.

FY 2011 Program Changes:

The FY 2011 Budget does not request a program change for FCSC.
