**Subject:** FY09 Records Management Grant for City of Granbury

Hi [text omitted],

I wanted to follow up with one of our FY09 COPS Technology Grants for Rep. Chet Edwards (TX 17). About a month or two ago, I talked with you about changing the recipient to Granbury Police Department instead of the Hood County Sheriff's Department. Like I mentioned before, the use and project remains completely the same – it was the Sheriff's office that thought the Police Department and would be able to better manage the grant. The Sheriff let us know that he received an email from DOJ pertaining to the grant, and the Police Chief of Granbury still hasn't heard anything.

I wanted to make sure the confusion was cleared up so that the Police Department can manage the grant. Here is the Chief's information.

**Mitch Galvan**  
**Chief of Police Granbury Police Department**  
**116 W. Bridge St. Granbury, TX. 76048**  
**(817) 573-2648 - Office**  
**(817) 579-0043 – Fax**  
**galvan@granbury.org**

Please let me know if there are any problems or any additional information I can provide you!

Thanks for your work,
