Subject: Earmarks for Beaver and Lawrence County

[text omitted],

Thanks for your call today. Yes, our original intent was, via the appropriations process, to give Beaver and Lawrence counties the ability to purchase much-needed police vehicles. Both counties are struggling today to find the funds to pay for the vehicles and if it's possible to help them do that without a technical correction, we'd love to do that. Please let me know the outcome of your discussions and if there's any additional information you need.
