

Attorney Student Loan Repayment Program Organization Input - New Requests

Part 4: Validation and Certification of Eligibility (For Department use).

Information in Part 4 must be signed by the Executive Officer of the component (or equivalent), or designate.

Attorney's Name: _____

Please review Part 2 (Justification), Item 2 (High or Unique Qualifications Relevant to DOJ Duties - or - Special Need of the Department).

In this part of the review, components are asked to recommend the points to be awarded to the applicant in two key areas of the Justification he or she submitted in Part 2 of the Request for Consideration. The Justification consists of five areas the attorney must address: Education, High or Unique Qualifications Relevant to DOJ Duties or Special Need of the Department, Demonstrated Potential Based on Objective Accomplishments, Basis for a Determination of Recruitment/Retention Difficulty, and a Short Essay.

In the blocks below, components may recommend the number of points to be awarded for two of those areas. To assist reviewers and applicants, detailed guidance on the relevant areas of interest for each part of the Justification is provided online in the "Form for New Requesters" at www.usdoj.gov/oarm/aslrp/requestforconsideration.pdf.

The areas are:

1. "High or Unique Qualifications Relevant to DOJ Duties or Special Need of the Department" (Item 2 of the Justification)
2. Demonstrated Potential Based on Objective Accomplishments (Item 3 of the Justification).

In summary, areas of interest for Item 2 may include component-identified qualifications or criteria, judicial clerkship (if relevant to current duties); other knowledge, skills, experience, education, prior employment or training that contributes to effectiveness as a DOJ attorney, and the manner in which the attorney contributes to accomplishment of one or more DOJ Strategic Goals.

1	If attorney based all or part of Part 2 (Justification), Item 2 on specific component-identified qualifications or criteria listed in Appendix A for 2015, do you agree that he/she meets the requirement? (Please check "N/A" if the component did not list qualifications or criteria in Appendix A or if the attorney submitted a justification not based on the component's criteria)	YES <input type="checkbox"/>
		NO <input type="checkbox"/>
		NA <input type="checkbox"/>
2	<i>Please recommend a numeric score (from 1 to 40) for Part 2, Item 2 for this attorney. The maximum score is 40. Please note that an attorney's justification may or may not rely on component-specific criteria. Some components do not list specific criteria and, for those that do, some attorneys may not qualify. In any case, the requester's justification must establish "High or Unique Qualifications Relevant to DOJ Duties" or "Special Need of the Department."</i>	
Please review Part 2 (Justification), Item 3 (Demonstrated Potential Based on Objective Accomplishments).		
Item 3 focuses on overall potential as demonstrated by performance, activities, and accomplishments. (Incoming attorneys may base their response on current employment or law school environment). Areas of interest include performance evaluations, ability to train or mentor others, pro bono or other volunteer or public service activities, other service to the Department or component, and demonstrated leadership.		
3	<i>Please recommend a numeric score (from 1 to 10) for Part 2, Item 3 for this attorney. The maximum score is 10.</i>
