* DEA's number of consultations received from other agencies that were pending as of the start of Fiscal Year 2009 is slightly higher than the number reported in the Fiscal Year 2008 Report due to a DEA computer error.

* In the Fiscal Year 2008 Report, EOUSA reported six pending consultations at the end of Fiscal Year 2008. This year's Report reflects five pending consultations at the start of Fiscal Year 2009 because one of EOUSA's requests was designated a consultation during Fiscal Year 2008, but upon further review it was determined that it was a referral. As a result, it was corrected in the database and processed as a referral instead of a consultation.

* JMD inadvertently failed to include one consultation in its Fiscal Year 2008 Report.

* OLC's system was unable to capture this data in Fiscal Year 2008.

* In certain instances, the dates and number of days may not correspond because the request was tolled for a period of time. In addition, certain components' systems were unable to calculate working days, so calendar days are shown.

** The Antitrust Division is waiting for the agency to send records to review in connection with the consultation process for its two oldest pending consultations.
