Gang,

I hope everyone is doing well. Enclosed is a "rough agenda" for the upcoming Depression RAB in Bermuda, 8/11/8/13. Elizabeth, Jim and I can talk to expand some of these areas and "talking points" which need to be conveyed as part of the program.

I will gladly accept any additional thoughts, comments or content changes that you feel necessary to benefit the program. Looking forward to seeing everyone in Bermuda. "Warm regards."
