

**WSR**

Original list from Ray Johnson, John Tisdell's TAS rep sent in an e-mail dated 7/11 at 11:23 AM to Gary Bean with cc to John Tisdell, Eric Doherty, Carlo Bontempo and Tom Nichols. All 3 were not confirmed, ie Drs. Weiss, Patnaude, and Clark. The list did not include a fax number for Weiss or Patnaud. Ray followed up the next day with Dr. Weiss' fax number. I called and got Dr. Patnaud's.

7/13/00 I rec'd an octel from Ray Johnson at 11:15 AM that "Dr. Gordy Clark is a no go".

Approx. 7/15 Dr. George Nowak declined

7/17 Dr. Marc Sadowsky cancelled.

7/19 I rec'd an e-mail from Kim Reardon at 10:02 AM that they had rec'd a call from Dr. Patnaud. He said he would like someone to give him a call regarding what the expectations will be from him at the meeting and as an advisory board member. Ventiv felt it best a GWI person handle this. I spoke live line with Dr. Patnaud on 7/20 early AM. I asked if he were recruited by Ray Johnson and he said no. Said a brand new rep had asked him to go and her understanding was to sit for 4 hours, share your thoughts around WSR, get paid at a nice place in Bermuda. Dr. Patnaud also conveyed this was a new rep that shared he was being asked because he was the number one potential doc in the entire state of Maine prescribing anti-depressants. He expanded that he was surprised because of his work schedule. I conveyed this to the RSD because I thought this was inappropriate and places D1 at risk.

7/19/00 Rec'd an e-mail from Kim Reardon sent at 2:47 PM that "Dr. Parentier would not be able to attend the WSR meeting due to an office move."

7/19/00 Dr. Mark Waynik cancelled.

7/20/00 Rec'd a phone call live line from Serene Mastrianni regarding Dr. Pramila Naphan as a replacement for Dr. Waynik. Confirmed with Ventiv 7/20/00.

7/21/00 asked Serene to send an extra person in case of cancellation because she said she had someone in mind. Rec'd fax 3:08 on 7/21 for Dr. Richard Tomb.

7/27/00 I called Dr. Tomb and left a message at 11:45 AM. He called me back at 2:15 PM and said he was interested, willing and able. I obtained his fax number and called Ventiv at 3:30 PM. I called Dr. Tomb back at 4 PM and left a message to confirm that he was good to go and provided both home and office phone numbers.

7/27/00 left messages to the managers regarding physicians that did not send back their TRF's for tickets.

Included are  
Dr. John Worthington, Thom Davies  
Dr. Michael Patnaude, Eric Doherty  
Dr. Pramila Nathan, Serene Mastrianni
