COUNTS ONE THROUGH FIVE

[18 U.S.C. §§ 1347 and 2(b)]

A. INTRODUCTORY ALLEGATIONS

1. Between in or about March 2004 and in or about December 2009, defendant AKINOLA EMMANUEL AFOLABI ("AFOLABI") was the owner and operator of Emmanuel Medical Supply, also known as "Emmanuel Medical Inc." ("Emmanuel"), a supplier of durable medical equipment ("DME"), primarily power wheelchairs ("PWCs"), located in Long Beach, California, within the Central District of California.

1 2. On or about October 25, 2004, defendant AFOLABI
2 executed and submitted an application to Medicare to obtain a
3 Medicare provider number for Emmanuel.

4 3. In or about December 2005, defendant AFOLABI opened a
5 corporate bank account for Emmanuel at Bank of America, account
6 number xxxxxx3262 (the "Emmanuel Bank Account"). Defendant
7 AFOLABI maintained primary control of this account.

8 4. On or about July 17, 2006, and again on or about August
9 4, 2006, defendant AFOLABI executed and submitted an electronic
10 funds transfer agreement ("EFT") to Medicare, requesting that all
11 future reimbursements from Medicare be directly deposited into
12 the Emmanuel Bank Account.

13 5. Between on or about June 7, 2006, and on or about
14 September 28, 2009, Emmanuel submitted to Medicare claims
15 totaling approximately \$2,668,384, primarily for PWCs and
16 accessories, and Medicare paid Emmanuel approximately \$1,490,532
17 on those claims.

18 The Medicare Program

19 At all times relevant to this Indictment:

20 6. Medicare was a federal health care benefit program,
21 affecting commerce, that provided benefits to individuals who
22 were over the age of 65 or disabled. Medicare was administered
23 by the Centers for Medicare and Medicaid Services ("CMS"), a
24 federal agency under the United States Department of Health and
25 Human Services ("HHS").

26 7. CMS contracted with private insurance companies to (a)
27 certify DME providers for participation in the Medicare program
28 and monitor their compliance with Medicare standards; (b) process

1 and pay claims; and (c) perform program safeguard functions, such
2 as identifying and reviewing suspect claims.

3 8. Individuals who qualified for Medicare benefits were
4 referred to as Medicare "beneficiaries." Each Medicare
5 beneficiary was given a Health Identification Card containing a
6 unique identification number ("HICN").

7 9. DME companies, physicians, and other health care
8 providers that provided medical services that were reimbursed by
9 Medicare were referred to as Medicare "providers."

10 10. To obtain payment from Medicare, a DME company first
11 had to apply for and obtain a provider number. By signing the
12 provider application, the DME company agreed to abide by Medicare
13 rules and regulations, including the Anti-Kickback Statute (42
14 U.S.C. § 1320a-7b(b)), which, among other things, prohibits the
15 payment of kickbacks or bribes for the referral of Medicare
16 beneficiaries for any item or service for which payment may be
17 made by Medicare.

18 11. If Medicare approved a DME company's application,
19 Medicare would assign the provider a Medicare provider number,
20 enabling the DME company to submit claims to Medicare for
21 services and supplies provided to Medicare beneficiaries.

22 12. From in or about October 2006 through the date of this
23 Indictment, Noridian Administrative Services ("Noridian")
24 processed and paid Medicare DME claims in Southern California.

25 13. To bill Medicare for DME it provided to a beneficiary,
26 a DME provider was required to submit a claim (Form 1500).
27 Medicare required claims to be truthful, complete, and not
28 misleading. In addition, when a claim was submitted, the

1 provider was required to certify that the services or supplies
2 covered by the claim were medically necessary.

3 14. Most DME providers, including Emmanuel, submitted their
4 claims electronically pursuant to an agreement with Medicare that
5 they would submit claims that were accurate, complete, and
6 truthful.

7 15. Medicare required a claim for payment to set forth,
8 among other things, the beneficiary's name and HICN, the type of
9 DME provided to the beneficiary, the date the DME was provided,
10 and the name and unique physician identification number ("UPIN")
11 or national provider identifier ("NPI") of the physician who
12 prescribed or ordered the DME.

13 16. Medicare paid DME providers only for DME that was
14 medically necessary to the treatment of a beneficiary's illness
15 or injury, was prescribed by a beneficiary's physician, and was
16 provided in accordance with Medicare regulations and guidelines
17 that governed whether a particular item or service would be paid
18 by Medicare.

19 B. THE SCHEME TO DEFRAUD

20 17. Beginning on or about June 3, 2006, and continuing
21 through in or about December 2009, in Los Angeles County, within
22 the Central District of California, and elsewhere, defendant
23 AFOLABI, together with others known and unknown to the Grand
24 Jury, knowingly, willfully, and with intent to defraud, executed,
25 and attempted to execute, a scheme and artifice: (a) to defraud a
26 health care benefit program, namely Medicare, as to material
27 matters in connection with the delivery of and payment for health
28 care benefits, items, and services; and (b) to obtain money from

1 Medicare by means of materially false and fraudulent pretenses
2 and representations and the concealment of material facts in
3 connection with the delivery of and payment for health care
4 benefits, items, and services.

5 C. MEANS TO ACCOMPLISH THE SCHEME TO DEFRAUD

6 18. The fraudulent scheme operated, in substance, as
7 follows:

8 a. Defendant AFOLABI obtained Medicare beneficiary
9 information through various means, including "marketers," whom
10 defendant AFOLABI paid to refer Medicare beneficiaries to
11 Emmanuel, for the purpose of using that information to submit,
12 and cause the submission of, false and fraudulent claims to
13 Medicare on behalf of Emmanuel. Many of these beneficiaries
14 lived more than 50 miles from Emmanuel.

15 b. Defendant AFOLABI obtained prescriptions for DME,
16 primarily PWCs, purportedly ordered by doctors who were not the
17 primary care physicians for the beneficiaries and who often were
18 unaware that their provider numbers were being used without their
19 authorization to prescribe DME.

20 c. Defendant AFOLABI delivered, or caused to be
21 delivered, PWCs, to some of the Medicare beneficiaries, knowing
22 that those beneficiaries could walk, and so did not medically
23 need a PWC. For other beneficiaries, defendant AFOLABI and his
24 co-schemers either failed to deliver any DME or delivered less
25 expensive items, such as scooters, instead of PWCs.

26 d. Defendant AFOLABI then created false and
27 fraudulent documentation to support Emmanuel's purported delivery
28 of PWCs to beneficiaries, even though, as defendant AFOLABI well

1 knew, some of the beneficiaries did not receive any DME or
2 received less-expensive DME than what was documented in the
3 patient files. Defendant AFOLABI also created false and
4 fraudulent documentation that made it appear as though he had
5 delivered DME when, in fact, defendant AFOLABI was out of the
6 country.

7 e. Defendant AFOLABI then submitted, and caused the
8 submission of, false and fraudulent claims to Medicare for DME,
9 including PWCs and related accessories, that were purportedly
10 provided by Emmanuel to Medicare beneficiaries, knowing that the
11 beneficiaries did not have a medical need for the PWCs and that
12 some beneficiaries did not receive the DME for which Emmanuel
13 billed Medicare.

14 f. As a result of the submission of false and
15 fraudulent claims, Medicare made payments to the Emmanuel Bank
16 Account, which defendant AFOLABI controlled.

17 g. Defendant AFOLABI then transferred and disbursed
18 monies from the Emmanuel Bank Account to himself and others,
19 including marketers, and withdraw large amounts of money in cash.

20 D. EXECUTIONS OF THE FRAUDULENT SCHEME

21 19. On or about the dates set forth below, within the
22 Central District of California and elsewhere, defendant AFOLABI,
23 together with others known and unknown to the Grand Jury, for the
24 purpose of executing and attempting to execute the fraudulent
25 scheme described above, knowingly and willfully caused to be
26 submitted to Medicare for payment the following false and
27 fraudulent claims purportedly for power wheelchairs and related
28 accessories:

| <u>COUNT</u> | <u>BENEFICIARY</u> | <u>CLAIM NUMBER</u> | <u>DATED CLAIM SUBMITTED</u> | <u>AMOUNT CLAIMED</u> |
