

SETTLEMENT AGREEMENT BETWEEN
THE UNITED STATES OF AMERICA
AND
WASHINGTON COUNTY, MISSOURI
UNDER THE AMERICANS WITH DISABILITIES ACT

DJ # 204-42-142

I. BACKGROUND

SCOPE OF THE INVESTIGATION

The United States initiated this matter as a compliance review of Washington County under title II of the Americans with Disabilities Act of 1990 (ADA), 42 U.S.C. §§ 12131-12134, and the United States Department of Justice's implementing regulation, 28 C.F.R. Part 35.

The Disability Rights Section of the Department of Justice's Civil Rights Division conducted this review of Washington County's compliance with the following title II requirements:

- to conduct a self-evaluation of its services, policies, and practices by July 26, 1992, and make modifications necessary to comply with the Department of Justice's title II regulation, 28 C.F.R. § 35.105;
- to notify applicants, participants, beneficiaries, and other interested people of their rights and Washington County's obligations under title II and the Department of Justice's regulation, 28 C.F.R. § 35.106;
- to designate a responsible employee to coordinate its efforts to comply with and carry out Washington County's ADA responsibilities, 28 C.F.R. § 35.107(a);
- to establish a grievance procedure for resolving complaints of violations of title II, 28 C.F.R. § 35.107(b);
- to operate each program, service, or activity so that, when viewed in its entirety, it is readily accessible to and usable by individuals with disabilities, 28 C.F.R. §§ 35.149-.150, by:
 - delivering services, programs, or activities in alternate ways, including, for example, redesign of equipment, reassignment of services, assignment of aides, home visits, or other methods of compliance and/or;

- making physical changes to buildings (required to have been made by January 26, 1995), in accordance with the Department of Justice's title II regulation, 28 C.F.R. §§ 35.150-.151, and the 1991 ADA Standards for Accessible Design (1991 ADA Standards), 28 C.F.R. Part 36, App. D (2011) or the Uniform Federal Accessibility Standards (UFAS), 41 C.F.R. § 101-19.6, App. A, and the 2010 ADA Standards for Accessible Design (2010 Standards), 28 C.F.R. § 35.104;¹
- to ensure that facilities for which construction or alteration was begun after January 26, 1992, are readily accessible to and usable by people with disabilities, in accordance with 1) the Department of Justice's title II regulation and 2) the 1991 ADA Standards or UFAS, or the 2010 ADA Standards, as applicable, 28 C.F.R. § 35.151;
- to ensure that communications with people with disabilities, including applicants, participants, and members of the public, are as effective as communications with others, including furnishing auxiliary aids and services when necessary, 28 C.F.R. § 35.160;
- to provide direct access via TTY (text telephone) or computer-to-telephone emergency services, including 911 services, 28 C.F.R. § 35.162;
- to provide information for interested people with disabilities concerning the existence and location of Washington County's accessible services, activities, and facilities, 28 C.F.R. § 35.163(a); and
- to provide signage at all inaccessible entrances to any facility, directing users to an accessible entrance or to information about accessible facilities, 28 C.F.R. § 35.163(b).

The United States reviewed compliance with the ADA's new construction and alterations requirements at the following facility constructed or altered after January 26, 1992: New Parking Lot.

The program access review covered those of Washington County's programs, services, and activities that operate in the following facilities that were constructed prior to January 26, 1992: Washington County Courthouse; Washington County Juvenile Court and Extension Office; and Washington County Sheriff's Department.

The Department conducted a program access review of the following polling places: Ozark Heights Baptist Church; Kingston K-14 School; Irondale City Hall; Springtown Baptist Church; Cornerstone Christian Academy; Pleasant Hill Christian Church; Lost Creek Baptist Church; Caledonia Firehouse; Richwoods School; and Knights of Columbus.

This review was limited to the areas of the facilities used by the voting public: parking, the route from the parking area to the area used for voting, and the area used for voting.

¹ Section 35.104 defines the 2010 ADA Standards as the requirements set forth in appendices B and D to 36 C.F.R. part 1191 and the requirements contained in subpart D of 28 C.F.R. part 36.

At the following facilities that are designated as emergency shelters, the United States reviewed areas of the facilities used by members of the public during an emergency, including the parking, the route from the parking area to the area used as a shelter, the area used as a shelter, and toilet facilities serving that area: Richwoods School; Belgrade Fire House; Irondale Firehouse; Potosi Southern Baptist Church; Potosi Lions Club; First Baptist Church; and Maw and Paw's Grocery Store.

JURISDICTION

1. The ADA applies to Washington County because it is a "public entity" as defined by title II. 42 U.S.C. § 12131(1).
2. The United States is authorized under 28 C.F.R. Part 35, Subpart F, to determine the compliance of Washington County with title II of the ADA and the Department of Justice's title II implementing regulation, to issue findings, and, where appropriate, to negotiate and secure voluntary compliance agreements. Furthermore, the Attorney General is authorized, under 42 U.S.C. § 12133, to bring a civil action enforcing title II of the ADA.
3. The parties to this Agreement are the United States of America and Washington County.
4. Based on its review of Washington County's programs, services, activities, and facilities, the United States has concluded that qualified individuals with disabilities are, by reason of such disabilities, excluded from participation in or are denied the benefits of many of Washington County's programs, services, or activities or are subjected to discrimination in violation of the ADA. The agreed upon remedial actions, below, are intended to remedy those violations.
5. In order to avoid the burdens and expenses of a further investigation and possible litigation, the parties enter into this Agreement.
6. In consideration of, and consistent with, the terms of this Agreement, the Attorney General agrees to refrain from filing a civil suit in this matter regarding paragraphs 8 through 55, except as provided in the section entitled "Implementation and Enforcement."

Within two (2) months of the effective date of this Agreement, Washington County will adopt the attached Notice under the ADA, Attachment A (Notice); distribute it to all its agency heads; publish the Notice in a local newspaper of general circulation serving Washington County; post the Notice on its Internet Home Page; and post the Notice in conspicuous locations in its public buildings. It will refresh each posted Notice, and update the contact information contained on each Notice, as necessary, during the term of this Agreement. Washington County will provide the Notice to any person, upon request.

B. ADA COORDINATOR

10. Within three (3) months of the effective date of this Agreement, Washington County will appoint or hire one or more ADA Coordinators. The ADA Coordinator(s) will coordinate Washington County's effort to comply with and carry out its responsibilities under the ADA, including any investigation of ADA-related complaints. Washington County will make available to all interested individuals the name(s), office address(es), email address(es), and telephone number(s) of the ADA Coordinator(s). Washington County will maintain the ADA Coordinator(s) for the term of this Agreement. C. INDEPENDENT LICENSED ARCHITECT

11. Within three (3) months of the effective date of this Agreement, Washington County will retain an Independent Licensed Architect (ILA), approved by the United States, who is knowledgeable about the architectural accessibility requirements of the ADA and the Rehabilitation Act. The ILA must act independently to certify whether any alterations, additions, or modifications made by Washington County during the term of this Agreement comply with the applicable standard pursuant to 28 C.F.R. § 35.151(c) and the Appendix to 28 C.F.R. § 35.151(c). Washington County will bear all costs and expenses of retaining and utilizing the ILA, including the costs and expenses of any consultants and staff. Washington County will compensate this ILA without regard to the outcome.
12. In issuing certifications pursuant to this Agreement, the ILA will impartially prepare reports with photographs identifying that the violation has been remediated and will use the certification form at Attachment L. The ILA will be considered a neutral inspector for purposes of issuing certifications of compliance and will be reasonably available to the

United States to discuss findings in the reports, photographs, and certifications. The United States may also, in its discretion, provide technical assistance to the ILA throughout the term of this Agreement. Upon request by the United States, Washington County will provide prior notice to the United States of inspections by the ILA to allow representatives of the United States to be present.

13. Washington County will submit ILA certifications along with its reporting requirements as set forth in this Agreement.

D. GRIEVANCE PROCEDURE

14. Within three (3) months of the effective date of this Agreement, Washington County will adopt the attached ADA Grievance Procedure, Attachment B, distribute it to all of its agencies, and post copies of it in conspicuous locations in each of its public buildings. It will refresh each posted copy, and update the contact information contained on it, as necessary, for the term of the Agreement. Washington County will provide copies to any person upon request.

E. GENERAL EFFECTIVE COMMUNICATION PROVISIONS

15. Within three (3) months of the effective date of this Agreement, Washington County will identify sources of qualified sign language and oral interpreters, qualified readers, real-time transcription services, and vendors able to put documents in Braille. Within this time Washington County will implement and report to the United States its written procedures, with time frames, for fulfilling requests for sign language or oral interpreters, qualified readers, real-time transcription services, and documents in alternate formats, including Braille, large print, cassette tapes, and accessible electronic format (*e.g.*, HTML).
16. Washington County will ensure that all appropriate employees are trained and practiced in using Relay Missouri 711 Relay Service to make and receive calls, and report to the United States the details of the trainings and employees trained.

F. 911

17. Within three (3) months of the effective date of this Agreement, Washington County will ensure that each of its 911 consoles or call stations can receive and respond to TTY communications effectively with an analog TTY or computer equivalent.
18. Within three (3) months of the effective date of this Agreement, Washington County will develop written procedures for answering 911 calls that include training all call takers to use a TTY or computer equivalent to take 911 calls, to recognize a "silent" open line as a potential TTY call and respond by analog TTY or computer equivalent, and to ensure that TTY calls are answered as quickly as other calls received. Washington County will monitor its incoming 911 TTY calls to ensure it answers them as quickly and accurately as other calls received, and will send the written procedures and details of the monitoring to

the United States, or will provide sufficient evidence that its computerized system ensures that TTY calls are answered as quickly as other calls received.

19. Within three (3) months of the effective date of this Agreement, Washington County will incorporate correct TTY call-taking procedures into 911 call takers' performance evaluations.

G. LAW ENFORCEMENT AND EFFECTIVE COMMUNICATION

20. Within three (3) months of the effective date of this Agreement, Washington County will implement Washington County Sheriff's Department's Policy Statement on Effective Communication with People Who are Deaf or Hard of Hearing, Attachment C, and distribute to all Sheriff's Department officers the Guide for Law Enforcement Officers When in Contact with People Who are Deaf or Hard of Hearing, Attachment D.
21. Within three (3) months of the effective date of this Agreement, Washington County will hire or contract with local qualified oral and sign language interpreters to be available twenty-four hours every day to its Sheriff's Department.
22. Within three (3) months of the effective date of this Agreement, Washington County will equip each sheriff station and each jail facility with a sufficient number of working TTYs and videophones, but no fewer than one (1) of each, to enable people who are deaf, hard of hearing, or who have speech impairments to make telephone calls of the same frequency and with the same availability as those people who do not use TTYs or videophones. Where telephone calls are time-limited, Washington County will adopt policies permitting a longer period of time for individuals using a TTY, videophone, or relay service due to the slower nature of these communications as compared to voice communications. If any person who is deaf, hard of hearing, or who has a speech impairment prefers a different method of communication, such as a captioned telephone or computer, Washington County will make reasonable efforts to provide the communication device requested.

H. POLLING PLACES

23. Some Washington County polling places may be owned or operated by other public entities subject to title II or by public accommodations subject to title III and therefore they must provide program access or remove barriers to accessibility under the ADA. This Agreement does not limit future enforcement action against the owners or operators of these polling places.
24. Before designating any new polling place, Washington County will survey the polling place using the survey instrument at Attachment F to determine whether it has barriers to access by people with disabilities in the parking, exterior route to the entrance, entrance, interior route to the voting area, or voting area. If Washington County finds any barriers, Washington County will not use the polling place until all barriers have been remedied.
25. The United States surveyed some of Washington County's polling places. Barriers to access at surveyed polling places not owned by Washington County are listed in

Attachment E. Within one (1) month of the effective date of this Agreement, Washington County will request in writing that each of the polling place owners and operators listed in Attachment E remove the listed barriers to access for people with disabilities within nine (9) months of the effective date of this Agreement. Washington County will provide a copy of the Department of Justice's ADA Checklist for Polling Places (www.ada.gov/votingck.htm) with its written requests. Washington County will simultaneously send courtesy copies of the requests to the United States.

26. Within one (1) year of the effective date of this Agreement, the ILA hired by Washington County will survey all facilities listed in Attachment E to determine whether the listed barriers have been removed. If each listed barrier has not been removed, then, for that polling place, Washington County will identify within eighteen (18) months of the effective date of this Agreement an alternate fully accessible polling place; and comply with paragraph 24 in doing so. Washington County will immediately change its polling place to the alternative location. Washington County will remove barriers at each polling place identified in Attachment E or substitute an alternative accessible polling place before the next election occurring eighteen (18) months or later after the effective date of this Agreement.
27. Within six (6) months of the effective date of this Agreement, using the survey instrument at Attachment F, the ILA hired by Washington County will survey all polling places not surveyed by the United States to identify barriers to access by people with disabilities in the parking, exterior route to the entrance, entrance, interior route to the voting area, and voting area. For each surveyed polling place, Washington County will then either (1) remove all barriers to access by people with disabilities and have the ILA confirm this to the United States; or (2) identify an alternate polling place with no barriers to access by people with disabilities and comply with paragraph 24 in doing so. Washington County will then take immediate steps to change each new inaccessible polling place to an alternative accessible location. Washington County will remove barriers at each polling place the United States did not survey and have the ILA confirm this or substitute an alternative accessible polling place before the next election occurring nine (9) months or later after the effective date of this Agreement.
28. Until all polling places in each precinct or voting district have accessible parking, accessible routes to the accessible entrance, accessible entrances, accessible interior routes to the voting area, and an accessible voting area, prior to each election, Washington County will identify and widely publicize to the public, people with disabilities, and organizations serving people with disabilities the most accessible polling place(s) in each precinct and voting district.
29. Within three (3) months of the effective date of this Agreement, Washington County will provide Election Day balloting for voters with disabilities whose assigned polling place has accessibility barriers. The method for providing these opportunities may include implementing temporary remedies to make the polling place accessible on election day, allowing the individual to vote at another nearby accessible polling place, to vote by an absentee ballot that is accepted if postmarked on the day of the election (or picked up by election officials at the home of the voter on the same day as the election), to vote curbside

at the inaccessible polling place, or to vote by any other method that affords the same degree of information as is available to others.

30. Within six (6) months of the effective date of this Agreement, the ILA hired by Washington County will survey its voter registration locations for accessibility using the form at Attachment F. The ILA will report the results of this survey to the United States. If Washington County identifies barriers to access, then Washington County will remove the barriers and have the ILA confirm the same to the United States or report to the United States its plan to provide program access that may include allowing people to register to vote through alternative means or at alternative locations verified to be accessible by the ILA. This provision does not modify, alter, or change Washington County's obligations under the National Voter Registration Act of 1993, 42 U.S.C. § 1973gg-5(a), (b).
31. Within three (3) months of the effective date of this Agreement, Washington County will make all voter registration materials available in alternate formats, including Braille, large print, audio tape, and accessible electronic format (e.g., HTML).
32. Within the month prior to the next election and annually thereafter during the term of this Agreement, Washington County will train poll workers on the rights of people with disabilities and the practical aspects of assuring those rights. The training will cover, at a minimum, the need to maintain the physical accessibility of polling locations, how to assist people with disabilities, as necessary, and how to operate any non-standard voting equipment, including accessible voting systems, or accessible features of standard equipment. This provision does not modify, alter, or change Washington County's obligations under the Help America Vote Act, 42 U.S.C. § 15301.

I. EMERGENCY MANAGEMENT PROCEDURES AND POLICIES

33. Washington County's Emergency Operations Plan (EOP) must comply with the ADA. Washington County will use Chapter 7 of the Department of Justice's *ADA Best Practices Tool Kit for State and Local Government (ADA Tool Kit)* to address ADA obligations of emergency management, including planning, preparedness, evacuation, shelters, medical and social services, lodging and housing programs, recovery, and rebuilding.
34. Within sixty (60) days of the effective date of this Agreement, Washington County will incorporate the provisions of Chapter 7 of the *ADA Tool Kit* into its EOP and provide a copy (including supporting documents) to the United States.
35. Washington County's EOP will include the following:
 - a. procedures to solicit, receive, and use input from people with a variety of disabilities on its emergency management plan (preparation, notification, response, and clean-up).
 - b. community evacuation plans to enable people who have mobility disabilities, are blind or have low vision, are deaf or hard of hearing, have cognitive disabilities, mental illness, or other disabilities to safely self-evacuate or be evacuated by others.

- c. if its emergency warning system uses sirens or other audible alerts, then procedures to effectively inform people who are deaf or hard of hearing of an impending disaster.
- d. a requirement that emergency shelters have a back-up generator and a way to keep medications refrigerated (such as a refrigerator or a cooler with ice). Access to back-up power and refrigeration at such shelters will be made available to people whose disabilities require access to electricity and refrigeration, for example, for using life-sustaining medical devices, providing power to motorized wheelchairs, and preserving certain medications, such as insulin, that require refrigeration. The written procedures will include a plan for notifying people of the location of such shelters.
- e. procedures ensuring that people who use service animals are not separated from their service animals when sheltering during an emergency, even if pets are normally prohibited in shelters. The procedures will not segregate people who use service animals from others but may take into account the potential presence of people who, for safety or health reasons, should not be in contact with certain types of animals.
- f. plans for providing equivalent opportunities for accessible post-emergency temporary housing to people with disabilities. Washington County will ensure that information it makes available regarding temporary housing includes information on accessible housing (such as accessible hotel rooms within the community or in nearby communities) that could be used if people with disabilities cannot immediately return home after a disaster if, for instance, necessary accessible features such as ramps or electrical systems have been compromised.

J. PHYSICAL CHANGES TO EMERGENCY SHELTERS

- 36. Some Washington County emergency shelters may be owned or operated by other public entities subject to title II or by public accommodations subject to title III and therefore they must provide program access or remove barriers to accessibility under the ADA. This Agreement does not limit future enforcement action against the owners or operators of these emergency shelters.
- 37. Within one (1) month of the effective date of this Agreement, Washington County will request in writing that each of the owners and operators of the shelter facilities listed in Attachment G will remove the noted barriers to access for people with disabilities. The request will specify that the remediation be completed within one (1) year of the effective date of this Agreement. Washington County will simultaneously send a courtesy copy of the request to the United States.
- 38. Within one (1) year of the effective date of this Agreement, the ILA will survey the shelters listed in Attachment G to determine whether the noted barriers have been removed. If all barriers have not been removed, Washington County will identify within eighteen (18) months of the effective date of this Agreement an appropriate number of alternate accessible shelters as confirmed by the ILA using the survey instrument entitled ADA Checklist for Emergency Shelters, Attachment K.

39. Within three (3) months of the effective date of this Agreement and until all emergency shelters are accessible as confirmed by the ILA, Washington County will identify and widely publicize to the public and to people with disabilities the most accessible emergency shelters.

**K. NEW CONSTRUCTION, ALTERATIONS,
AND PHYSICAL CHANGES TO FACILITIES**

40. Any construction or alterations to Washington County buildings and facilities by it or on its behalf will fully comply with the requirements of 28 C.F.R. § 35.151, including applicable architectural standards.
41. The parts of a Washington County facility that do not comply with the 2010 ADA Standards (or the 1991 ADA Standards, as applicable), as listed in Attachments H and J, prevent people with disabilities from fully and equally enjoying Washington County's services, programs, or activities and constitute discrimination on the basis of disability within the meaning of 42 U.S.C. § 12132 and 28 C.F.R. §§ 35.149-35.151.
42. All architectural changes by Washington County or on its behalf made on or after March 15, 2012, must comply with the 2010 ADA Standards.
43. In the event that Washington County has already undertaken an alteration, addition, or other modification to any element identified in Attachments or otherwise after January 26, 1992, and prior to the Effective Date of this Agreement, Washington County will submit, within six (6) months, a written report to the ILA and the United States pursuant to paragraph 52 below summarizing the actions taken and providing evidence establishing each individual element's compliance with the applicable architectural standard as permitted by 28 C.F.R. § 35.151(c) and its Appendix, copied below:

Date of Construction or Alteration	Applicable Standards
Before September 15, 2010	1991 ADA Standards or UFAS
On or after September 15, 2010, and before March 15, 2012	1991 ADA Standards, UFAS, or 2010 ADA Standards
On or after March 15, 2012	2010 ADA Standards

44. Within six (6) months of the effective date of this Agreement, Washington County will have the ILA survey all facilities that are the subject of this Agreement for the purpose of identifying those that have multiple entrances not all of which are accessible. Also within six (6) months of the effective date of this Agreement, Washington County will install directional signage at all inaccessible entrances to each of its facilities and will place the international symbol for accessibility at each accessible entrance to a facility, in accordance with 28 C.F.R. § 35.163(b).

45. Newly Constructed Facilities: Washington County will take the actions listed in Attachments H and J to make the newly constructed parts of Washington County facilities for which construction was commenced after January 26, 1992, readily accessible to and usable by people with disabilities.
46. Program Access in Existing Facilities: Washington County will take the actions listed in Attachments I and J to make each of Washington County's programs, services, and activities operating at a facility that is the subject of this Agreement, when viewed in its entirety, readily accessible to and usable by people with disabilities.
47. Facilities and Programs that the United States Did Not Survey: Washington County will review compliance with the requirements of title II of the ADA for those Washington County facilities and programs that the United States did not survey or review. The ILA will survey all Washington County's facilities for compliance with title II of the ADA that the United States did not survey. Within one (1) year of the effective date of this Agreement, Washington County will submit to the United States a detailed report from the ILA listing the access issues identified during the ILA's review together with the corrective actions and completion dates proposed to resolve such issues. The proposed completion dates may be no later than six (6) months prior to the termination of this Agreement. The survey conducted by the ILA, the access issues identified, and the corrective actions and completion dates proposed will be consistent with the requirements of title II of the ADA; the review of Washington County facilities and programs conducted by the United States for purposes of this Agreement; and the access issues, corrective actions, and completion dates reflected in Attachments H, I, and J.
48. Washington County Courthouse. To the extent that the Washington County Courthouse is a qualified historic building or facility as defined by 106.5 of the 2010 Standards, if Washington County believes that compliance with the requirements for accessible routes (206.2.1 Exception 1 and 206.2.3 Exception 7); entrances (206.4 Exception 2); and toilet facilities (213.2 Exception 2) would threaten or destroy the historical significance of the building or facility, then Washington County should consult with the State Historic Preservation Officer. If the State Historic Preservation Officer determines that compliance with the requirements for a specific element would threaten or destroy the historic significance of the Washington County Courthouse, the exception for alterations to historic buildings or facilities for that specific element shall be permitted to apply (206.2.1 Exception 1, 206.2.3 Exception 7, 206.4 Exception 2, or 213.2 Exception 2).

L. PROGRAMS FOR VICTIMS OF DOMESTIC VIOLENCE AND ABUSE

49. If Washington County owns or operates any programs that provide shelter, counseling, or other assistance or supportive services to victims of domestic violence or abuse and their families (hereafter referred to as Domestic Violence Programs), within three (3) months of the effective date of this Agreement, it will do the following:
 - a. Whatever written information is provided regarding its Domestic Violence Programs will also be provided in alternate formats, including Braille, large print, audio recording, and electronic formats (e.g., HTML), upon request.

- b. Washington County shall enter into contracts or make other arrangements with qualified sign language and oral interpreters to ensure their availability when required for effective communication with people who are deaf or hard of hearing. The type of aid that will be required for effective communication will depend on the individual's usual method of communication, and the nature, importance, and duration of the communication at issue. In many circumstances, oral communication supplemented by gestures and visual aids, an exchange of written notes, use of a computer, or use of an assistive listening device may be effective. In other circumstances, qualified sign language or oral interpreters are needed to communicate effectively with people who are deaf or hard of hearing. The more lengthy, complex, and important the communication, the more likely it is that a qualified interpreter will be required for effective communication with a person whose primary means of communication is sign language or speech reading.
- c. If Washington County's Domestic Violence Programs operate a hotline to take telephone calls of an emergency nature, Washington County shall ensure that it provides equivalent service for people who use TTYs, including providing direct-connection service for TTY users with hotline operators, without requiring TTY users to call through a third party operator, such as through the state or local Telecommunication Relay Services. Washington County will obtain the necessary equipment, establish the written procedures, and provide the training necessary to ensure effective communication by hotline staff with direct-connection callers using TTYs, as well as the training necessary to respond to callers who use the Telecommunication Relay Services.
- d. Washington County shall have the ILA survey all facilities used as shelters or designated as potential shelters – or for counseling, job training, education, clothing or household provisioning, or other aspects of Domestic Violence Programs – to ensure that adequate arrangements are available for potential clients and family members with disabilities, including adults and children who have mobility impairments, who are blind or have low vision, and who are deaf or hard of hearing. Within one (1) year of the effective date of this Agreement, the County shall modify each such facility to remove the barriers or, alternatively, procure another, fully accessible facility to ensure that potential clients and family members with disabilities have integrated options when participating in a sheltering or other Domestic Violence Program. Nothing in this Agreement requires any modifications that would compromise the confidentiality of a shelter or counseling center. Until there is a sufficient stock of accessible housing and other facilities within the sheltering program, Washington County will implement written procedures ensuring that it has identified temporary accessible housing (such as accessible hotel rooms within the community or in nearby communities) and other facilities that could be used if people with disabilities need sheltering or inservice access to a Domestic Violence Program. The cost to potential clients of being housed or otherwise served in alternate accessible facilities shall not exceed any costs normally attributed to clients of Washington County's Domestic Violence Programs.
- e. Washington County shall implement written procedures and modify, as appropriate, eligibility criteria, to ensure that no person with a disability is turned away from a shelter or

otherwise denied the opportunity to benefit from the services of Washington County's Domestic Violence Programs on the basis of disability.

- f. Washington County shall implement written procedures to ensure that people with disabilities who use service animals are not denied or discouraged from participating in Domestic Violence Programs, are able to be housed and served in an integrated environment, and are not separated from their service animals while participating in Washington County's Domestic Violence Programs even if pets are normally not permitted in the facilities where such programs are conducted. The procedures will not unnecessarily segregate people who use service animals from others but may take into account the potential presence of people who, for safety or health reasons, should not be in contact with certain types of animals. If Washington County's Domestic Violence Programs require clients to make any payments for shelter or other services they provide, clients shall not be required to make additional payments because they or their family members use service animals.
 - g. Washington County shall implement written procedures to ensure that reasonable modifications are made to Washington County's Domestic Violence Programs when necessary for a client or family member with a disability to participate in such programs, unless doing so would fundamentally alter the nature of the program.
 - h. Washington County shall implement written policies to ensure that despite any "drug-free" policy of Washington County's Domestic Violence Programs, people with disabilities who use medication prescribed for their use are able to continue using such medication while participating in such programs or being housed in a shelter.
50. If Washington County contracts with another entity to provide Domestic Violence Programs, it will ensure that the other entity complies with the preceding provisions on its behalf. If that entity will not comply with the preceding provisions, Washington County will nonetheless take all necessary steps to ensure that its program is accessible to people with disabilities.
51. Some of Washington County's shelters may be owned or operated by other public entities subject to title II or by public accommodations subject to title III and, as such, would be subject to the obligation to provide program access or remove barriers to accessibility under the ADA. This Agreement does not limit such future enforcement action against the owners or operators of these facilities by any person or entity, including the Department.
52. This Agreement shall not be construed to require Washington County to divulge confidential information relating to the location or existence of any Domestic Violence Programs, beyond what is otherwise required by applicable law or what is necessary for the Department to effectively enforce this Agreement.

IV. MISCELLANEOUS PROVISIONS

53. Except as otherwise specified in this Agreement, six (6) months after the effective date of this Agreement and annually thereafter until it expires, Washington County will submit written reports to the United States summarizing its actions pursuant to this Agreement. Reports will include reports with certifications from the ILA, photographs showing measurements, architectural plans, notices published in the newspaper, and copies of adopted policies, among other things.
54.
