OVW LEGAL ASSISTANCE FOR VICTIMS GRANT PROGRAM (CFDA 16.524)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

About the OVW Legal Assistance for Victims Grant Program

This program is authorized by 42 U.S.C. 3796gg-6.

The Legal Assistance for Victims (LAV) Grant Program is intended to increase the availability of civil and criminal legal assistance¹ needed to effectively aid adult and youth victims of sexual assault, domestic violence, dating violence, and stalking who are seeking relief in legal matters relating to or arising out of that abuse or violence, at minimum or no cost to the victims. LAV Grant Program funds may not be used to provide criminal defense services.

The LAV Grant Program makes awards to law school clinics, domestic violence victims' programs and shelters, bar associations, rape crisis centers and other sexual assault services programs, private nonprofit entities, Indian tribal governments and tribal organizations, territorial organizations, and legal aid or statewide legal services. Grant funds may be used to provide direct legal services to victims of sexual assault, domestic violence, dating violence, and stalking in matters relating to or arising out of that abuse or violence. The objective of the LAV Grant Program is to develop innovative, collaborative projects that provide quality representation to victims of sexual assault, domestic violence, dating violence, and stalking.

For additional information on the LAV Grant Program, including what past LAV grantees have accomplished with their grant funds and to view the LAV performance measures, see <http://muskie.usm.maine.edu/vawamei/lavmain.htm>.

Program Scope

Activities supported by the LAV Grant Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of

¹ "Legal assistance" includes assistance to adult and youth victims of sexual assault, intimate partner domestic violence, dating violence, and stalking in: a) family, tribal, territorial, immigration, employment, administrative agency, housing matters, campus administrative or protection or stay away order proceedings, and other similar matters; and b) criminal justice investigations, prosecutions and post-trial matters (including sentencing, parole, and probation) that impact the victim's safety and privacy.

this solicitation, the [Financial Guide](#), any updates to the Financial Guide, and the conditions of the recipient's award.

Purpose Areas

In FY 2015, funds under the LAV Grant Program may be used for the following purposes:

1. To implement, expand, and establish cooperative efforts and projects between sexual assault, domestic violence, and dating violence victim service providers and legal assistance providers to provide legal assistance for victims of sexual assault, domestic violence, dating violence, and stalking.
2. To implement, expand, and establish efforts and projects to provide legal assistance for victims of sexual assault, domestic violence, dating violence, and stalking by organizations with a demonstrated history of providing direct legal or advocacy services on behalf of these victims.
3. To implement, expand, and establish efforts and projects to provide competent, supervised pro bono legal assistance for victims of sexual assault, domestic violence, dating violence, or stalking, except that not more than 10 percent of the funds awarded may be used for this purpose.

OVW Priority Areas

Applications proposing activities in the following areas will be given special consideration during the review process:

1. Sexual Assault Focused Applications

OVW recognizes the need to place increased focus on sexual assault in order to address the lack of available direct legal services for survivors of sexual assault and the unique aspects of sexual assault trauma from which survivors must heal. To increase legal services for victims of sexual assault, LAV continuation applicants that propose to focus 80% or more of their grant activities on sexual assault legal services may submit applications requesting up to \$800,000. Applicants must demonstrate both an understanding of the range of legal services that a sexual assault survivor may require, and the capacity and willingness of the applicant and its partners to provide these services. Applicants should articulate the specific legal needs of sexual assault survivors within their communities and how project activities would meet those needs. Applications should also reflect the applicant's specialized training and experience in legal matters specific to sexual assault. Meaningful responses to this priority area should demonstrate an authentic commitment to addressing sexual assault and should clearly show that the applicant has the capacity to address the priority effectively. Whether an applicant addresses sexual assault as a priority area, as well as the extent to which the application warrants special consideration under this priority area will be determined by OVW. Not all applicants that state their intent to address sexual assault will be favorably considered over other applicants. Please see below for examples of how applicants can incorporate sexual assault services into their LAV proposals. Please note that these are examples, and it is not mandatory to duplicate each example; however, sexual assault focused applicants are encouraged to review each example for reference when formulating their own innovative sexual assault focused project.

Examples of Sexual Assault Focused Projects

- A. Providing direct legal services or partnering with a local rape crisis agency to provide legal advice and direct legal representation in civil and criminal matters resulting from sexual assault. The collaborative relationship between the partners may provide legal assistance and advice on matters such as protection orders or no contact harassment orders; legal assistance regarding employment; assistance with income maintenance (TANF, disability, food stamps, unemployment, etc.) related to the sexual assault; assistance with U visas and other immigration matters; Crime Victims' Compensation; privacy issues; no contact letters; use of state victim laws to assist sexual assault victims; housing; employment issues; and criminal matters.
 - B. Sexual assault organizations can partner with their local legal services program by implementing cross training among partners and establishing the provision of pro bono representation to victims of sexual assault.
 - C. Assist victims of sexual assault with representation in campus disciplinary hearings against perpetrators. This includes but is not limited to: educational advocacy on behalf of clients to ensure that disciplinary hearings do not move forward until victims are adequately afforded their rights under both school policy and Title IX; filing complaints on behalf of victims under their schools grievance procedures for resolving complaints of sex discrimination; negotiating with schools to develop a sexual assault policy; and assisting students in seeking restitution in a protective order or criminal case.
2. **Holistic Legal Services**

The LAV Grant Program was created to provide victims with access to appropriately trained representation designed to meet the broad spectrum of legal issues survivors encounter. OVW will give priority to applications that propose to provide victims with "holistic" legal representation. Although protection orders play an important role in victim safety, they do not address the breadth of legal needs of survivors of sexual assault, domestic violence, dating violence, and stalking. Holistic representation goes beyond a victim's need for a protection order and includes representation in other legal proceedings directly related to a client's experience of violence such as: child support, child custody, legal separation/divorce, unemployment compensation, immigration matters, financial matters and/or housing.
 3. **Underserved Communities**

In FY 2015, the LAV Grant Program encourages organizations with expertise in providing specialized legal services and representation addressing elder abuse, as well as to individuals who identify as Lesbian, Gay, Bisexual, and/or Transgender (LGBT). Applicants stating that they will focus on legal services and representation addressing elder abuse (victims that are age 50 or older), and/or serve the LGBT community will need to demonstrate their expertise in providing appropriate population-specific services and/or partnering with an organization with the requisite demonstrated expertise. Applicants stating that they will serve either or both the elder or LGBT communities will need to demonstrate in the applications that they 1) understand the holistic legal needs of these communities; (2) have expertise in providing appropriate population-specific legal services, or plan to partner with an organization with this demonstrated expertise; and (3) will conduct appropriate outreach to these communities. Please note if an applicant proposes to serve one or both communities, they must indicate which community they intend to serve

in the Summary Data Sheet (see "Summary Data Sheet" in the "[D. Application and Submission Information](#)" section).

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;²
2. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
3. Policies or practices that discourage accepting cases for victims who do not have physical evidence;
4. Refusal to represent victims who are also respondents/defendants;
5. Mediation,³ alternative dispute resolution, or joint counseling as a response to sexual assault, domestic violence, dating violence, and stalking;
6. Representation on the condition that victims seek protection orders, counseling, or some other course of action with which they disagree; or
7. Failure to conduct safety planning with clients.

Applications that propose activities that compromise victim safety and recovery may receive a deduction of up to 10 points during the review process or may be eliminated from further consideration entirely.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope. Applications that propose out-of-scope activities may receive a point deduction during the review process. Applications that are determined to be substantially outside the scope of the LAV Grant Program will not be considered for funding. The following activities are out of scope and will not be supported by LAV grant funding:

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See section on Research and Protection of Human Subjects in the [Solicitation Companion Guide](#))
2. Tort cases
3. Child sexual abuse cases
4. Cases involving the child protection system
5. Victim service employee cases
6. Criminal defense of victims charged with crimes
7. Support of law reform initiatives, including but not limited to litigation
8. Providing general trainings to agencies that are not formal or informal LAV project partners.

² If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section on "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information".

³ Applicants in States and/or jurisdictions where mediation is required may not be subject to a deduction in points or eliminated from consideration.

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the LAV Grant Program is no longer available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, dependent on the merits of the applications and on the availability of appropriations.

Award Period

The grant award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. The award period will start on October 1, 2015.

Award Amounts

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs. Awards under the LAV Grant Program for FY 2015 will be made for up to \$600,000 except that sexual assault focused applications, as defined in the “[Examples of Sexual Assault Focused Projects](#)” section, may be made for up to \$800,000.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

The LAV Grant Program typically makes awards in the range of 66-77 awards. OVW estimates that it will make up to 77 awards for an estimated total of \$34,000,000.

Awards will be made as “grants.”

For more information on budgets, and things that must be included, please see [Budget Detail Worksheet](#) and [Narrative](#).

Types of Applicants

In FY 2015, OVW will accept applications for the LAV Grant Program from the following:

New: applicants that have never received funding under the LAV Grant Program or whose previous funding has expired more than 12 months ago.

Continuation: applicants that received funding under the LAV Grant Program and have an open award at the time of the solicitation release that closes before December 31, 2015. Continuation funding is not guaranteed.

Grant recipients that received LAV funding in FY 2014 are NOT eligible to apply.

C. Eligibility Information

Eligible Applicants

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

Eligible Entities

Eligible entities for this program are:

1. Private nonprofit entities
2. Publicly funded organizations not acting in a governmental capacity, such as law schools
3. Territorial organizations: For the purposes of this solicitation, a "territorial organization" is defined as a nonprofit, nongovernmental organization addressing sexual assault, domestic violence, dating violence and/or stalking within a United States territory.
4. Indian tribal governments
5. Indian tribal organizations: The term "tribal organization" means the governing body of any Indian tribe; any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body of a tribe or tribes to be served, or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of Indians in all phases of its activities; or any tribal nonprofit organization. The term "tribal nonprofit organization" means a victim services provider that has as its primary purpose to assist Native victims of sexual assault, domestic violence, dating violence or stalking; and that has staff and leadership with a demonstrated history of assisting American Indian or Alaska Native victims of sexual assault, domestic violence, dating violence or stalking.

Other

Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applications for the LAV Grant Program must also meet the requirement(s) below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2015 solicitation.

Partnership with Sexual Assault or Domestic Violence Programs

Eligible applicants that are not nonprofit, nongovernmental, sexual assault and/or domestic violence service providers **are required** to enter into a collaborative working relationship with nonprofit, nongovernmental, sexual assault and/or domestic violence service providers within the community to be served. A sexual assault or domestic violence program is a nonprofit, nongovernmental organization that assists sexual assault, domestic violence, dating violence, or stalking victims as their primary mission, e.g. rape crisis centers, battered women's shelters. For example, if the applicant is an organization whose primary mission is to provide services to victims of crime generally, that organization would need to partner with a domestic violence or sexual assault program. If a legal services program is the applicant, it must partner with a domestic violence or sexual assault program.

Statutory Requirements (Certification Letter)

To be eligible for an award under the LAV Grant Program, applicants must certify in writing that:

1. any person providing legal assistance with funds through this program
 - A. has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault or stalking in the targeted population; or
 - B.
 - i. is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and
 - ii. has completed, or will complete, training in connection with domestic violence, dating violence, stalking, or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide;
2. any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a tribal, state, territorial, or local domestic violence, dating violence, sexual assault or stalking victim service provider or coalition, as well as appropriate tribal, state, territorial, and local law enforcement officials;
3. any person or organization providing legal assistance with funds through this program has informed and will continue to inform state, local, or tribal domestic violence, dating violence, sexual assault or stalking programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
4. the grantee's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, domestic violence, dating violence, or child sexual abuse is an issue.

This certification shall take the form of a letter, on letterhead, signed and dated by the authorizing official during the development of the FY 2015 LAV application. Applicants for continuation funding must also submit a newly executed certification letter.

For a sample letter, see <http://www.ovw.usdoj.gov/docs/sample-cert-letter.pdf>.

Limit on Number of Application Submissions

If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted.

7. Describe how proposed activities would address the need described.
8. Ensure proposed project activities are clearly described and reflect sound and/or innovative strategies to improve victim safety and offender accountability.
9. Ensure that the application does not include any activities that may compromise victim safety and describe how the applicant plans to address and protect victim safety and autonomy in the project.
10. Detail how the proposed activities will protect confidentiality.
11. Include a reasonable, detailed time-line that realistically identifies when specific tasks and activities will be accomplished and could feasibly succeed within the grant cycle.
12. If the applicant is not a nongovernmental sexual assault and/or domestic violence program, explain how the proposed project will coordinate with local nongovernmental sexual assault and/or domestic violence programs.
13. Provide a supervision and mentoring plan for attorney staff involved in the project.

Applications proposing to serve victims of underserved communities, including elder and/or LGBT communities, must demonstrate both an understanding of the range of legal services that a survivor may require and the capacity and willingness of the applicant and its partners to provide these services. Applicants should articulate the specific legal needs of survivors within their communities and how project activities would meet those needs. Applications should also reflect the applicant's specialized training and experience in legal matters specific those communities.

This section should also include a description of the products, if any, that will be generated and how these products could be used to assist other communities to address the legal needs of victims of sexual assault, domestic violence, dating violence, and stalking. Some communities would not benefit from the development of new products.

In addition, if applicants are proposing to use any technology (including, but not limited to, security systems, GPS, hotlines, and databases), they should explain how they plan to address any victim safety concerns that may arise from the use of the technology, such as confidentiality, safety planning, and informed consent.

Who Will Implement the Project (15 points)

This section must include the information below. In doing so, the applicant must justify who will be involved in the project and demonstrate that they have the capacity to address the stated need and that they can successfully implement the stated project activities.

⁴ The term "underserved populations" includes populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, and populations underserved because of special needs (such as language barriers, disabilities, alienage status, or age). 42 U.S.C. 13925 (a)(39).

1. Identify the organization(s) or office(s) responsible for implementing the project.
2. Identify all project partners, specify their respective roles and responsibilities, and describe the collaborative relationship to be developed or enhanced.
3. Demonstrate the capacity and expertise of the lead applicant and all project partners to serve victims of sexual assault, domestic violence, dating violence, and/or stalking.
4. Identify key personnel and their relevant experience addressing sexual assault, domestic violence, dating violence, and/or stalking; or, where positions are vacant, applicants should describe the expertise that will be sought.
5. Ensure that all specific activities and tasks are linked to a specific agency or organization to ensure that there is accountability.
6. Ensure that organizations necessary for successful project implementation are project partners.

In addition, all applicants that are not nonprofit, nongovernmental, sexual assault and/or domestic violence service providers **are required** to enter into a collaborative working relationship with nonprofit, nongovernmental, sexual assault and/or domestic violence service providers within the community to be served. A sexual assault or domestic violence program is a nonprofit, nongovernmental organization that assists sexual assault, domestic violence, dating violence, or stalking victims as their primary mission; has a demonstrated history of effective work in the field of violence against women; and addresses a demonstrated need in their communities by providing services that promote the dignity and self-sufficiency of victims, improve their access to resources, and create options for victims seeking safety from perpetrator violence. Nonprofit, nongovernmental sexual assault or domestic violence programs must be involved in the development and implementation of the project.

In developing an application for the LAV Grant Program, applicants are encouraged to consider some important distinctions among the following:

1. Victim assistants who work for government agencies (e.g., the police department or the district or city attorney's office);
2. Victim advocates who represent nonprofit, nongovernmental sexual assault, domestic violence, dating violence, or stalking programs (e.g., shelters, rape crisis centers, advocacy groups or coalitions); and
3. Legal representatives and advocates (e.g., students from law school clinics, paralegals, attorneys working for legal service agencies, victim service providers, or independent attorneys).

While there is an important role for all victim advocates to play in the creation of a coordinated community multidisciplinary response to sexual assault, domestic violence, dating violence and stalking, the participation of nonprofit, nongovernmental sexual assault, domestic violence, dating violence and stalking programs, is required in the development and implementation of the project. This does not preclude applicants from requesting support for government agency victim services; the budget and budget narrative, however, must distinguish between the two and should include compensation for the contributions of nonprofit, nongovernmental victim service organizations. In addition, if funding is requested for both governmental and nongovernmental victim assistance and advocacy, the project narrative must explain how these different entities will collaborate.

Victim service organizations can provide varying degrees of confidentiality, often depending on state, tribal, and federal laws. This may affect what information about victims they can share with partners. Other partners may have legal limitations as well. Applicants should explain information sharing between partners, including how they will protect information that is confidential or privileged.

Proposal Abstract (Required but not scored)

The Proposal Abstract should provide a short and accurate summary (no more than 2 pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section.

Budget Detail Worksheet and Narrative (15 Points)

All applicants are required to submit a detailed budget and supporting budget narrative. Budgetary requirements vary slightly among programs, and applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program.

Award Period and Amount

1. The following budget limits are firm and apply to all applications, including those applying for continuation funding (see #2 for the one exception). Additionally, project partners' total compensation from all LAV awarded grants should not exceed the total award caps for their service area. To ensure project partners do not go over the applicable budget cap, project partners should calculate their total compensation from all LAV lead applicants from which they are being compensated for services. Applicants should carefully consider the resources needed to implement this project and present a realistic budget that accurately reflects the costs involved. Requests for funding may not exceed \$600,000 for the 36-month project period, excluding continuation applicants described below.
2. Continuation applicants that propose 80% or more legal services for sexual assault victims may apply for up to \$800,000 for the 36-month project period.

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. Specifically, the budget should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

A Sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure

to include all necessary budget categories as outlined in the Worksheet. The budget must adhere to the Financial Guide and must:

1. Include a budget narrative that supports and justifies all proposed costs and provides a clear link between specific project activities and proposed budget items;
2. Include a budget that reflects all costs related to implementing the proposed project and provides calculations for all costs;
3. Provide an explanation of proposed expenses that is detailed, complete, reasonable and within established limits;
4. Exclude any unrelated or out-of-scope costs for the proposed project;
5. Reflect 36 months of project activity;
6. Reflect that all partners are fairly compensated for their participation in any project-related activities; and
7. Reflect that the appropriate amount of funds, as described in the "Training and Technical Assistance" in "[Funding Restrictions](#)" section, are allocated to support travel costs associated with technical assistance and capacity building activities sponsored by OVW-designated technical assistance providers.

**Memorandum of Understanding or Internal Memorandum of Understanding (MOU/IMOU)
(20 Points Total)**

For purposes of this application, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU should be a single document and should be signed and dated by the Authorized Organization Representative (AOR) (see "[Application for Federal Assistance \(SF-424\)](#)" for the definition of the AOR) of each proposed partner agency during the development of the application. In rare circumstances an MOU can include multiple signature pages as long as each page includes the name and title of each signing party.

Applicants that have previously been funded under this program must develop a new MOU that reflects the continuation of project activities and include current dates and signatures from all relevant project partners.

The MOU must:

1. Have a page limit that does not exceed 8 pages and may be single spaced.
2. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
3. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
4. Describe the resources each organization would contribute to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training);
5. Provide the total compensation that each project partner(s) is receiving from all FY 2014 LAV funded projects or plans to receive from FY 2015 LAV applications;

6. Demonstrate a commitment on the part of all project partners to work together to achieve stated project goals;
7. Demonstrate a commitment from each project partner to sustain the project once grant funds have expired, and specify what each partner will do to sustain the project;
8. Identify the representatives of the planning and development team who will be responsible for developing and implementing project activities and describe how they will work together and with project staff;
9. Specify the extent of each partner's participation in developing the application;
10. Specifically indicate approval of the proposed project budget by all signing partners; and
11. Include a current (i.e., signed and dated during the development of the proposal), single MOU signed by the chief executive officers and/or directors of:
 - A. Nonprofit, nongovernmental sexual assault, domestic violence, dating violence and/or stalking programs;
 - B. Other nonprofit, nongovernmental organizations that adequately demonstrate history and expertise in working with victims of sexual assault, domestic violence, dating violence and/or stalking programs (if applicable);
 - C. Relevant criminal justice agencies participating in project development and/or sexual assault victim services organizations or community groups that represent the views and concerns of victims participating in the development and implementation of the project (if applicable); and/or
 - D. Other community agencies or organizations that will collaborate to implement the project (if applicable).

Internal Memorandum of Understanding (IMOU)

Applications from agencies that as their **primary mission** provide services to sexual assault, domestic violence, dating violence and/or stalking victims may submit an IMOU in lieu of the MOU. Please note agencies that generally provide services to victims (such as crime victim organizations) are not eligible to apply with an IMOU. Applicants eligible to submit the IMOU may do so in place of the required MOU; however an applicant may elect to submit the MOU.

Applicants must submit either an MOU or an IMOU. An organization that submits an IMOU but does not meet the criteria of being a sexual assault, domestic violence, dating violence and/or stalking victim service provider (see “Partnership with Sexual Assault or Domestic Violence Programs” under the “[Other](#)” section for a description of a sexual assault or domestic violence program) will not be forwarded to peer review and therefore may be removed from further consideration for funding. If there is any uncertainty as to whether an applicant meets the IMOU eligibilities, the applicant is encouraged to contact the LAV Grant Program at ovw.lav@usdoj.gov.

The absence of an IMOU that fully addresses all of the points described below will be deemed a deficiency of the overall proposal. **The IMOU should not exceed 8 pages and may be single spaced.** This page limit does not include signature pages. Signatories should be sure to include their titles and organizations under their signatures. The IMOU should be a **single document** that includes signatures and dates from the authorized official and any external and/or internal partners. The IMOU should be a single attachment to the application in [Grants.gov](#).

Applicants that have previously been funded under this program must develop a new IMOU that reflects the continuation of project activities and include current dates and signatures from all relevant project partners.

The **IMOU** must:

1. Demonstrate that the organization primarily serves victims of domestic violence, sexual assault, dating violence and stalking. Victim service providers that generally serve victims of crime do not qualify as an eligible IMOU for the purposes of the FY 2015 LAV Grant Program solicitation.
2. Provide a copy of the organization's mission statement within the IMOU.
3. Explain the primary purposes of the victim service provider in providing services to victims of sexual assault, domestic violence, dating violence and stalking.
4. Provide the applicant's history of providing services to victims of sexual assault, domestic violence, dating violence, and/or stalking, including the length of time the victim service provider has operated.
5. Describe the organization's accomplishments in the community.
6. Describe the applicant's experience providing legal representation if legal services will be provided by in-house attorneys.
7. Identify any external partners, including outside organizations/individuals who will provide mentoring/supervision for "in-house" attorneys; and include a brief history of any past or current collaborative relationship with these organizations/individuals.
8. Describe the roles and responsibilities of any external partners, and specify the extent of each party's participation in developing the application.
9. Demonstrate a commitment from each partner to sustain the project once grant funds have expired, and specify what each partner will do to sustain the project.
10. Describe the resources the lead agency and any external partners would contribute to the project, including in-kind match.
11. Include the title and agency under each signature of all signing parties, including signatures of all key staff from the lead applicant that will participate in the development and implementation of the proposed project.

Certification Letter (5 points)

To be eligible for an award under the LAV Grant Program, applicants must certify in writing that they are in compliance with statutory requirements outlined in "[Statutory Requirements \(Certification Letter\)](#)" section.

All applicants should note that certification must be in the form of a letter on letterhead that must be signed (electronic or typed signatures do not satisfy this requirement) and dated by the authorizing official. The signed Certification Letter must be uploaded as a separate attachment in [Grants.gov](#). A sample Certification Letter is available at <http://www.ovw.usdoj.gov/docs/sample-cert-letter.pdf>.

Additional Required Information

The following documents will not be scored during the review process but they should be included with your submission. Failure to include any of the information may result in the inability to access funds if your application is selected for funding.

Disclosures Related to Executive Compensation

Any applicant that is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure for establishing a rebuttable presumption that its executives' compensation is reasonable, must provide the following: (1) a brief description of the process used for determining the compensation of its officers, directors, trustees, and key employees, including the independent persons involved in reviewing and approving such compensation (in lieu of a description, an applicant may submit its written compensation policy); (2) the comparability data used in establishing executive compensation; and (3) contemporaneous substantiation of the deliberation and decision regarding executive compensation. This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Applicants that want to learn about best practices for establishing compensation for their executives and the IRS's safe-harbor procedures can find more information through the National Council of Nonprofits, <http://www.councilofnonprofits.org/nonprofit-executive-compensation-policy>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The [Acknowledgement of Notice of Statutory Requirement to Comply with the Confidentiality and Privacy Provisions of the Violence Against Women Act, as Amended](#) is available on the OVW website and must be signed by the authorized representative and uploaded to the application on Grants.gov.

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For "Type of Applicant", please do not select "other." Please pay careful attention to the amount of Federal funding requested in the "Estimated Funding" section of this form. This amount must match the amount of Federal funding requested in the budget section of the application package. Only include values for "Applicant" if the program solicitation requires a match. The individual who is listed in "Authorized Representative" must be the AOR for the applicant agency. The AOR is an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. These forms will be completed online at a later time during the application process. All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the AOR, certifying that Federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to http://www.ovw.usdoj.gov/docs/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Financial Accounting Practices

Each applicant must prepare a response to the following questions. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in Grants.gov.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Please provide a brief description of the organization's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Please provide a brief list of the topics covered in the organization's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicants' financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Please provide a brief summary of the organization's process for tracking expenditures.
4. Does the applicant have procedures in place for minimizing the time elapsing between transfer of funds from the United States Treasury and disbursement for project activities? Please provide a short summary of the organization's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to adequately safeguard grant assets and to ensure that they are used solely for authorized purposes? Please provide a brief description.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.
7. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the new Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) issued on December 26, 2013? Please provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the organization is notified of their award to coordinate training.

Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW or OJP must complete a Financial Capability Questionnaire, and submit it online. Additionally, the applicant may be required to submit their current year's audit report at a later time. The form can be found at http://www.ojp.gov/funding/forms/financial_capability.pdf.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a Federally-approved indirect cost agreement. Please include a copy of a current, signed Federally-approved indirect cost rate agreement. This should be a separate attachment to the application in Grants.gov.

Non-federal entities, other than State and local governments and Indian tribes that have never received a Federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. If chosen, this methodology once elected must be used consistently for all Federal awards until such time a non-federal entity chooses to negotiate for a rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)

Applicants for Federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once you have completed the D&B registration, your DUNS Number should be available the next business day.

Federal guidelines require that applicant organizations must (1) be registered in SAM prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration by a Federal awarding agency. Also, Federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

Registration

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with Grants.gov immediately, but no later than **February 18, 2015**.

Each applicant must obtain a Data Universal Numbering System (DUNS) number, be registered in the System for Award Management (SAM) and submit their application online via either Grants.gov or the Grants Management System (GMS) according to the instructions. Applicants are encouraged to submit their applications 48, but no less than 24, hours before the deadline to allow sufficient time to address technical problems. Applicants should ensure that the DUNS number for the application is for an organization that is eligible to apply for the grant program. Also, only the organization that is registered in SAM may use that DUNS number and Grants.gov registration to submit an application.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. **Organizations must update/renew their registration annually in order to maintain a current registration status.** Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to Grants.gov and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

Submission Dates and Times

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on March 11, 2015**. Applications submitted after **11:59 p.m. E.T. on March 11, 2015** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer to the [Experiencing Unforeseeable Technical Issues](#) section of this solicitation.

Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. After application submission, Authorized Organization Representatives (AOR) should closely monitor their email for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov. One will confirm receipt of the application package. The other will either notify the AOR that the

application was successfully submitted, or it will notify the AOR that there was an error with the application submission.

Please note that the Grants.gov notification process is automatic. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process. Please see "[Experiencing Unforeseeable Technical Issues](#)" for information on the steps applicants must follow if corrective action must be taken.

Note: For applicants without Internet access, who cannot submit an application electronically, please contact ovw.lav@usdoj.gov no later than February 18, 2015 to request permission to submit an application by alternative means.

OVW Policy on Duplicate Applications

If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

Experiencing Unforeseeable Technical Issues

As previously stated, applicants should begin the **registration process** immediately, but no less than **February 18, 2015**. Furthermore, the applicant should begin the **application submission process** 48, but no less than 24, hours prior to the application deadline. This will allow for sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseeable technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact **Grants.gov Customer Support Hotline at 1-800-518-4726, or support@grants.gov, 24 hours a day, 7 days a week, except closed for federal holidays.**

If an applicant experiences unforeseeable technical issues that prevent submission of an application by the deadline, the applicant must take the following actions:

1. contact the LAV Grant Program at ovw.lav@usdoj.gov prior to the application deadline stating that they are experiencing unforeseeable technical issues and provide a phone number and/or email address where the applicant can be reached; and
2. contact the technical support number above prior to the application submission deadline.

Within 24 hours after the deadline, the applicant must again contact the LAV Grant Program at ovw.lav@usdoj.gov to request permission to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide a [Grants.gov](#) Help Desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues were unforeseeable with the Help Desk, OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified as unforeseeable, the application will be rejected as late.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow GMS or [Grants.gov](#) instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

OVW Policy on Late Submissions

OVW offers several options for applicants to provide advance notice to OVW if receipt of their application will be delayed due to a temporary lack of Internet access, unforeseeable technical difficulties, or geographic isolation. If applicants do not provide advance notice to OVW about an issue that may cause a delay in the submission of the application, the application will not be considered for funding. If applicants follow the steps outlined above, OVW will consider an applicant's request for late submission. Extension of deadlines is not guaranteed and late submission does not automatically result in an award. Late submission only allows an application to be considered for funding. If late submission is approved, the application will be reviewed for registration information and completeness, and to ensure that the applicant meets the basic eligibility requirements (BMR) as defined in the solicitation. If the applicant meets BMR the application will be subject to both peer review and programmatic review before any funding decision is made.

Extraordinary Natural or Manmade Disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The request should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.

Intergovernmental Review

Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_spoc.

Funding Restrictions

Federal grants are governed by the provisions of the OMB circulars applicable to financial assistance and the Financial Guide. The Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, OMB circulars and guidelines, and the Financial Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve

the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of Federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.ovw.usdoj.gov/grantees.html>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences

For additional information regarding food and beverage regulations, please refer to the Financial Guide.

Training and Technical Assistance

All new applicants are required to allocate a minimum of \$7,500 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. All continuation applicants are required to allocate a minimum of \$5,000. Applicants may increase their allocated travel funds to adequately support travel for their proposed LAV funded staff and partners. Applicants from Alaska, Hawaii, and United States Territories

should allocate a minimum of \$15,000 to account for higher travel costs and may exceed the budget caps by \$7,500 to account for the increased travel amounts. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Accommodations and Language Access

Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities and Deaf individuals and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Applicants proposing to use grant funds to create websites, videos and other materials must ensure that they are accessible to persons with disabilities. Grant funds must be allocated for these purposes.

Pre-Agreement Cost Approval

Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the Financial Guide for more information on pre-award costs.

Program Income

Program income is income generated from the Federally-supported activities or earned as a result of the award and requires prior approval from OVW. Program income is not a requirement for this program.

Applicants that anticipate earning program income must include in the budget how the income will be expended. If approved, the program income will be in addition to the award amount and must be used for allowable activities of the program. Per federal guidelines, recipients that earn

program income but did not anticipate earning program income at the time of the award must use the income generated for allowable activities of the program and reduce the award amount (rather than increase funds available for the program).

Unallowable Activities

The following is a list of activities that are unallowable and cannot be supported by LAV Grant Program funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

1. Lobbying
2. Fundraising
3. Purchase of real property
4. Construction
5. Physical modifications to buildings, including minor renovations (such as painting or carpeting)

Other Submission Requirements

As discussed in the “[Submission Dates and Times](#)” section above, applications must be submitted electronically via [Grants.gov](#). Applicants that are unable to submit electronically must follow the instructions contained in the ‘Note’ in the “[Submission Dates and Times](#)” section above.

[Grants.Gov](#)

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.Gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [www.grants.gov](#). **The registration process can take between three and five business days or as long as four weeks if all steps are not completed in a timely manner.** Please note that [Grants.gov](#) is not the Office of Justice Programs’ (OJP) Grants Management System (GMS) through which OVW discretionary program applicants have submitted applications in previous years. If applicants experience difficulties at any point during this process, they may call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

Note: [Grants.gov](#) limits the use of specific characters in names of attachment files. Valid file names may include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parenthesis ()	Curly braces { }	Square brackets []
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Underscore (_)	Comma (,)	Semicolon (;)	Apostrophe (‘)
Hyphen (-)	At sign (@)	Number sign (#)	Dollar sign (\$)
Space	Percent sign (%)	Plus sign (+)	Equal sign (=)
Period (.)	When using the ampersand (&) in XML, applicants must use the “&” format.		

Note: Grants.gov continues to update guidance regarding file naming convention. As such, OVW strongly encourages applicants to include only the following characters in file names:

A-Z, a-z, 0-9, and space. The applicant should ensure that only allowable characters are included in file names. Any application rejected by Grants.gov due to the inclusion of unsupported special characters is not a valid reason for OVW to consider late submission of an application. OVW strongly suggests using simple titles for all documents, such as “FY 2015 OVW Project Narrative.” Please note that file names are limited to 50 characters. Further, although Grants.gov accepts executable files, these types of files are not supported by OVW’s operating system. These unsupported file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.”

The E-Business Point of Contact (E-Biz POC) within the applicant’s organization must register the organization with Grants.gov. The E-Biz POC oversees the organization's Grants.gov transactions and assigns the AOR. The AOR submits the application to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for an organization.

1. *Step 1:* Go to Grants.gov. Mouse over the “APPLICANTS” drop down and click the “Organization Registration Link”.
2. *Step 2:* Register with SAM
3. [Step 3: Username & Password](#)
4. [Step 4: AOR Authorization](#)
5. [Step 5: TRACK AOR STATUS](#)

The application process can move forward once the organization successfully registers with Grants.gov.

Downloading a Grant Application Package

An applicant may download the application package to complete it offline and route it through the applying organization for review before final submission.

Applicants must use the correct version of Adobe software in order to download the grant application. To verify if the Adobe software version is compatible with Grants.gov, visit the following link: <http://www.grants.gov/web/grants/support/technical-support/software/adobe-reader-compatibility.html>.

Instructions on how to open and use the forms in the package are on the application package cover sheet. Agency-specific instructions are available for download when the application package is downloaded. The instructions identify the required information for a complete application.

Completing the Grant Application Package

The applicant must manually save changes to the grant application. Grants.gov does NOT automatically save changes. The package cannot be submitted until all required fields have been completed.

Submitting the Completed Grant Application Package

Log on to Grants.gov. After the application is fully completed, errors are corrected, and the application is saved, click the “Save & Submit” button on the cover page. The application package will be automatically uploaded to Grants.gov.

Reminder: To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. AORs should closely monitor their email for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov.

A confirmation screen will appear once the submission is complete. A Grants.gov tracking number will be provided at the bottom of this screen, as well as the official date and time of the submission. Applicants must record the tracking number if technical support is needed. The Grants.gov Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T.

E. Application Review Information

Criteria

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the applicant responds to each section and addresses each element contained within the corresponding section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically for the LAV Grant Program, scoring will be as follows:

1. Summary data sheet: 5 points
2. Project narrative: 55 points, of which
 - A. Purpose of the project: 10 points
 - B. What will be done: 30 points
 - C. Who will implement: 15 points
3. Budget narrative and detail: 15 points
4. MOU/IMOU: 20 points
5. Certification letter: 5 points
6. Possible programmatic point deductions:
 - A. Failure to follow the formatting and technical requirements: up to 5 points
 - B. Activities that compromise victim safety and recovery: up to 10 points
 - C. Out-of-Scope activities: up to 10 points
 - D. Past performance review: up to 25 points

While cost sharing or match-funding are not required, in the case of a tie OVW will assess the extent and viability of cost sharing to break the tie, as well as other factors such as geographic distribution of funding.

Review and Selection Process

Peer Review

OVW will subject all applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may utilize internal review, external review, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing for scope, activities that compromise victim safety and, if applicable, past performance.

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recent (closed within the calendar year) OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives;
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas;
3. Adherence to all special conditions of existing grant award(s) from OVW;
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports;
5. Completion of close-out of prior awards in a timely manner;
6. Appropriate utilization and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award;
7. Receipt of financial clearances on all current or recent grants from OVW;
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit;
9. Adherence to the Office of Management and Budget single-audit requirement; and
10. Timely expenditure of grant funds.

OVW grantees with significant past performance issues may not be considered for funding.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee may be denied continuation funding.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-

standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by September 30, 2015.

F. Federal Award Administration Information

Federal Award Notice

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System. This award notification will be sent to the individuals listed as the Authorized Representation and the Point of Contact in GMS for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the authorized representative and the scanning of the fully-executed award document to OVW.

Administrative and National Policy Requirements Information for All Federal Award Grantees

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements upon acceptance of an award. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the [Solicitation Companion Guide](#).

Awards under this program will be made as either grants or cooperative agreements. General terms and conditions applied to all OVW grants and cooperative agreements, including [awards made by this program](#), are available at [Standard Special Conditions-Grants](#) and [Standard Special Conditions-Cooperative Agreements](#). Each OVW grant program has additional program specific conditions that are included in the award document immediately following the standard special condition. Some awards will also have project-specific special conditions to ensure compliance with the statutory scope of the LAV Grant Program.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2015 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/fags-ngc-vawa.pdf>. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee's award may be frozen or terminated and the grantee may be denied continuation funding.

Reporting

Reporting Requirements

All OVW grantees receiving awards are required to submit a semi-annual progress report and quarterly Federal Financial Reports (SF 425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. The estimated average time to complete and file this form is 30 hours. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the [Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to 2 CFR Part 200.330.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current Federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities, other than State and local governments and Indian tribes, which have never received a Federally-approved indirect cost rate, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely.

Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Please Note: The following budget is an example intended to assist you in preparing your application budget.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$23,500 x 100% x 3 years	\$ 70,500
Investigator	\$45,000 x 100% x 3 years	\$135,000
Administrative Assistant	\$10/hr. x 20 hrs/month x 36 months	\$ 7,200

The Program Coordinator will coordinate the tribe's Tribal Governments Program project by organizing regular coordinating council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of \$10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

TOTAL PERSONNEL: \$ 212,700

B. Fringe Benefits – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

TOTAL PERSONNEL AND FRINGE BENEFITS: \$ 245,181

The tribe is requesting fringe benefits for the Program Coordinator, the Investigator, and the Administrative Assistant.

C. Travel – Itemize travel expenses of project personnel by purpose (e.g., staff to training, field interviews, advisory group meeting, etc.). Show the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). In training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of Travel Policies applied, Applicant or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	Airfare	\$500 (avg.) x 3 people x 4 trips	\$ 6,000
		Lodging	\$100 (avg.) x 3 nights x 3 people x 4 trips	\$ 3,600
		Per diem	\$ 50 (avg.) x 4 days x 3 people x 4 trips	\$ 2,400

\$12,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the cost of travel for staff of the tribe in accordance with program guidelines. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The sites of the training sessions are unknown at this time. Travel estimates are based upon the tribe's formal written travel policy.

TOTAL TRAVEL: \$ 12,000

D. Equipment – List non-expendable items that are to be purchased. (Note: Organization’s own capitalization policy for classification of equipment should be used.) Expendable items should be included in the “Supplies” category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “Contractual” category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$750/camera x 2 cameras	\$ 1,500

The video cameras will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking.

TOTAL EQUIPMENT: \$ 1,500

E. Supplies – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, hand held tape recorders) and show the basis for computation. Generally, supplies include any materials that are expendable or consumed during the course of the project.

<u>Supply Items</u>	<u>Computation</u>	<u>Cost</u>
Office Supplies (paper, printer, toner, pens, etc.)	\$150/month x 36 months	\$5,400
Postage	\$ 50/month x 36 months	\$1,800
75 Victim Assistance Kits	\$ 25/kit x 75 kits	\$1,875

Office supplies and postage are needed for the general operation of the program. The Victim Assistance Kits will be provided to victims of domestic violence, dating violence, sexual assault, and stalking who seek assistance from the program. The kits contain toiletries and other necessities. The estimated cost is based on previous kit prices from other programs. We estimate that at least 75 kits will be needed.

TOTAL SUPPLIES: \$ 9,075

F. Construction – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with the program office before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
TOTAL CONSTRUCTION:		\$ 0

G. Consultants/Contracts – Indicate whether applicant’s formal, written Procurement Policy or the Federal Acquisition Regulations are followed.

Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to \$500 to assist with rent and utility payments or security deposits.

TOTAL OTHER COSTS: \$ 84,900

I. Indirect Costs – Indirect costs are allowed if the applicant has a Federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be attached. Non-federal entities, other than State and local governments and Indian tribes, which have never received a Federally-approved indirect cost rate, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely
