A. Program Description

Overview
The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities’ capacity to hold offenders accountable for their crimes.

About the OVW State and Territorial Sexual Assault and Domestic Violence Coalitions Programs
This solicitation provides program and application guidelines for Fiscal Year 2015 and contains information on how to apply for two grant programs: 1) State and Territorial Sexual Assault and Domestic Violence Coalitions (State and Territorial Coalitions Program) and, 2) Sexual Assault Services Program for Coalitions (SASP Coalitions Program). (These programs are jointly referred to as the Coalition Programs.) By statute, the purposes of these programs are: to coordinate victim services activities, collaborate and coordinate with federal, state, territorial and local entities; and to support the maintenance and expansion of state and territorial sexual assault coalitions.

State and Territorial Coalitions Program
State and territorial domestic violence and sexual assault coalitions play a critical role in advancing the goals of VAWA, serving as a collective voice to end violence against women through collaboration with federal, state, and local organizations. Statewide sexual assault coalitions provide direct support to member rape crisis centers through funding, training and technical assistance, public awareness activities, and public policy advocacy (e.g. state coalitions might work with law enforcement, prosecution, and community organizations to enhance their responses to victims of sexual assault). Statewide domestic violence coalitions provide comparable support to member domestic violence shelters and other domestic violence victim service providers. For approximately one-third of states and territories, these support services are provided through a dual sexual assault and domestic violence coalition. For the small number of states and territories where more than one state or territorial sexual assault and/or domestic violence coalition exists, only those coalitions that meet statutory eligibility requirements will be eligible. (See OVW’s website for a current list of eligible state and territorial sexual assault, domestic violence and dual coalitions, http://www.ovw.usdoj.gov/statedomestic.htm). This grant program supports the enhancement of coalitions by funding specific projects.

SASP Coalitions Program
The Sexual Assault Services Program was created by the Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA 2005), 42 U.S.C. 14043g, and is the first federal funding stream solely dedicated to the provision of direct intervention and related
assistance for victims of sexual assault. Ten percent of the SASP funding stream is set aside for state, territorial, and tribal sexual assault coalitions to assist in supporting the maintenance and expansion of such coalitions.

For additional information on the Coalition Programs, including what past grantees have accomplished with their grant funds and to view the program’s performance measures, see http://muskie/usm.maine.edu/vawamei/statecoalitionsupdates.htm.

**Program Scope**

Activities supported by the Coalition Programs are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the Financial Guide, any updates to the Financial Guide, and the conditions of the recipient’s award.

**Purpose Areas**

In FY 2015, funds under the Coalition Programs may be used for the following purposes:

**A. State and Territorial Coalition Program**

- Coordinating state and territorial victim services activities; and
- Collaborating and coordinating with federal, state, territorial, and local entities engaged in anti-violence against women activities.

**Examples of activities that may be supported**

Grant funds may be used for activities, including the following:

- Providing training and technical assistance to member agencies;
- Expanding the technological capacity of coalitions and/or member agencies;
- Developing or enhancing appropriate standards of services for member programs, including culturally appropriate services to underserved populations;
- Conducting statewide, regional and/or community-based meetings or workshops for victim advocates, survivors, legal service providers, and criminal justice representatives;
- Bringing local programs together to identify gaps in services and to coordinate activities;
- Increasing the representation of underserved populations in coordination activities, including providing financial assistance to organizations that serve underserved communities to participate in planning meetings, task forces, committees, etc.;
- Engaging in activities that promote coalition-building at the local and/or state level; and
- Coordinating federal, state and territorial and/or local law enforcement agencies to develop or enhance strategies to address identified problems.

**B. SASP Coalitions Program**

- To support the maintenance and expansion of sexual assault state and territorial coalitions.

**Examples of activities that may be supported**

Grant funds may be used for the following activities:
• Working with local sexual assault programs and other providers of direct services to encourage appropriate responses to sexual assault within the state or territory;
• Working with judicial and law enforcement agencies to encourage appropriate responses to sexual assault cases;
• Working with courts, child protective services agencies, and children’s advocates to develop appropriate responses to child custody and visitation issues when sexual assault has been determined to be a factor;
• Designing and conducting public education campaigns;
• Planning and monitoring the distribution of grants and grant funds within their state or territory; or
• Collaborating with and informing federal, state, or local public officials and agencies to develop and implement policies to reduce or eliminate sexual assault.

Activities that Compromise Victim Safety and Recovery
The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;¹
2. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
3. Crafting policies that require victims to report domestic violence, sexual assault, dating violence or stalking crimes to law enforcement or that require victims to participate in criminal proceedings;
4. Crafting policies that deny individuals access to services based on their relationship to the perpetrator;
5. Developing materials that are not tailored to the dynamics of domestic violence, sexual assault or the culturally specific population to be served; and
6. Crafting policies or engaging in practices that impose restrictive conditions to be met by the victim in order to receive services (e.g. mandatory counseling, seeking an order for protection).

Applications that propose activities that compromise victim safety and recovery may be eliminated from further consideration entirely.

Out-of-Scope Activities
OVW has determined the activities listed below to be out of the program scope. Applications that are determined to be substantially outside the scope of the Coalition Programs will not be considered for funding. The following activities are out of scope and will not be supported by Coalition Programs grant funding:

¹If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section on "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information".
1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See section on Research and Protection of Human Subjects in the Solicitation Companion Guide.)

2. Direct services for victims.

B. Federal Award Information
Availability of Funds
All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the Coalition Programs becomes no longer available.

Award Period
The grant award period is 12 months. Budgets must reflect 12 months of project activity, and the total “estimated funding” on the SF-424 must reflect 12 months. The award period will start on September 1, 2015.

Award Amounts
Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs.

Funding levels under the Coalition Programs for FY 2015 is as follows:

Sexual Assault Coalitions
Sexual assault coalitions in each state, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Northern Mariana Islands, and the Virgin Islands should propose activities under the State and Territorial Coalitions Program purpose areas and budget for $82,882. Dual coalitions must ensure an equitable distribution of funds in their budgets to sexual assault and domestic violence related activities. Consequently, dual sexual assault and domestic violence coalitions in each state, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Northern Mariana Islands, and the Virgin Islands should propose activities under the State and Territorial Coalitions Program purpose areas budgeted for $82,822. Activities related to SASP Coalitions Program purpose area can only be directed to sexual assault activities and should be budgeted for $48,214. The total of budgets submitted by dual sexual assault and domestic violence coalitions clearly denoting the different activities should equal $213,978.

Domestic Violence Coalitions
Domestic violence coalitions in each state, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Northern Mariana Islands, and the Virgin Islands should propose activities under the State and Territorial Coalitions Program purpose areas budgeted for $82,882. **Additional Required Information**

The following documents should be included with your submission.

**Disclosures Related to Executive Compensation**

Any applicant that is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure for establishing a rebuttable presumption that its executives' compensation is reasonable, must provide the following: (1) a brief description of the process used for determining the compensation of its officers, directors, trustees, and key employees, including the independent persons involved in reviewing and approving such compensation (in lieu of a description, an applicant may submit its written compensation policy); (2) the comparability data used in establishing executive compensation; and (3) contemporaneous substantiation of the deliberation and decision regarding executive compensation. This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Applicants that want to learn about best practices for establishing compensation for their executives and the IRS's safe-harbor procedures can find more information through the National Council of Nonprofits, [http://www.councilofnonprofits.org/nonprofit-executive-compensation-policy](http://www.councilofnonprofits.org/nonprofit-executive-compensation-policy).

**Confidentiality Notice Form**

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The [Acknowledgement of Notice of Statutory Requirement to Comply with the Confidentiality and Privacy Provisions of the Violence Against Women Act, as Amended](http://www.ovw.usdoj.gov/docs/nonsup_letter.pdf) is available on the OVW website and must be signed by the authorized representative and uploaded to the application on [GMS](https://www.ovw.usdoj.gov/docs/nonsup_letter.pdf).

**Application for Federal Assistance (SF-424)**

Applicants must complete the SF-424 online. For “Type of Applicant”, please do not select “other.” Please pay careful attention to the amount of federal funding requested in the “Estimated Funding” section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. Only include values for “Applicant” if the program solicitation requires a match. The individual who is listed in “Authorized Representative” must be the AOR for the applicant agency. The AOR is an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

**Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)**

Please carefully review the assurances and certification forms online. These forms will be completed online at a later time during the application process. All applicants must complete the Disclosure of Lobbying Activities (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

**Letter of Nonsupplanting**

Applicants must submit a letter to OVW’s Director, signed by the AOR, certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to [http://www.ovw.usdoj.gov/docs/nonsup_letter.pdf](http://www.ovw.usdoj.gov/docs/nonsup_letter.pdf) for a sample letter. This should be a separate attachment to the application in [GMS](https://www.ovw.usdoj.gov/docs/nonsup_letter.pdf).
Financial Accounting Practices
Each applicant must prepare a response to the following questions. OVW will review the applicant’s responses to assist in evaluating the adequacy of the organization’s financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in GMS.

6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.

7. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the new Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) issued on December 26, 2013? Please provide a short list of the individual’s qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the organization is notified of their award to coordinate training.

Financial Capability Questionnaire (if applicable)
All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW or OJP must complete a Financial Capability Questionnaire, and submit it online. Additionally, the applicant may be required to submit their current year’s audit report at a later time. The form is found at the following link: Accounting System and Financial Capability Questionnaire.
Indirect Cost Rate Agreement (if applicable)
Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost agreement. Please include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in GMS.

Non-federal entities, other than state and local governments and Indian tribes that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. If chosen, this methodology once elected must be used consistently for all federal awards until such time as a non-federal entity chooses to negotiate for a rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)
Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once you have completed the D&B registration, your DUNS Number should be available the next business day.

Federal guidelines require that applicant organizations must (1) be registered in SAM prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

Registration
There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with GMS immediately, but no later than May 1, 2015.

Each applicant must obtain a Data Universal Numbering System (DUNS) number, be registered in the System for Award Management (SAM) and submit their application online via GMS according to the instructions. Applicants are encouraged to submit their applications 48, but no less than 24, hours before the deadline to allow sufficient time to address technical problems. Applicants should ensure that the DUNS number for the application is for an organization that is eligible to apply for the grant program. Also, only the organization that is registered in SAM may use that DUNS number and GMS registration to submit an application.
The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. **Organizations must update/renew their registration annually in order to maintain a current registration status.** GMS uses SAM to establish roles and IDs for electronic grant applicants.

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process.** If the applying organization does not have an EIN, then the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet. Follow the steps listed below to register in the SAM:

2. Access the SAM online registration through the SAM homepage at [https://www.sam.gov/](https://www.sam.gov/) and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to GMS and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

**Submission Dates and Times**

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on May 15, 2015.** Applications submitted after **11:59 p.m. E.T. on May 15, 2015** will **not** be considered for funding. Applicants experiencing difficulties submitting an application should refer to the *Experiencing Unforeseeable Technical Issues* section of this solicitation.

Applicants must be registered and current with the SAM registration and with GMS prior to submitting an application. It is strongly recommended that applicants begin the registration process immediately, but no later than **May 1, 2015** in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. **Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission.** It is important that applicants do not wait until the day of the application deadline to begin the application submission process. **To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.**

**Note:** For applicants without Internet access, who cannot submit an application electronically, please contact **Kim Galvan at 202-307-3348** no later than **May 1, 2015** to request permission to submit an application by alternative means.
OVW Policy on Duplicate Applications
If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

Experiencing Unforeseeable Technical Issues
As previously stated, applicants should begin the registration process immediately, but no less than May 1, 2015. Furthermore, the applicant should begin the application submission process 48, but no less than 24, hours prior to the application deadline. This will allow for sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseeable technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact OVW GMS Support at 1-866-655-4482, Monday through Friday, 9:00 a.m. to 5:00 p.m. E.T.

If an applicant experiences unforeseeable technical issues that prevent submission of an application by the deadline, the applicant must take the following actions:

1. contact Kim Galvan at 202 307 3348 or at kim.c.galvan@usdoj.gov prior to the application deadline stating that they are experiencing unforeseeable technical issues and provide a phone number and/or email address where the applicant can be reached; and
2. contact the technical support number above prior to the application submission deadline.

Within 24 hours after the deadline, the applicant must again contact Kim Galvan at 202-307 3348 or kim.c.galvan@usdoj.gov to request permission to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide a GMS Help Desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues were unforeseeable with the Help Desk, OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified as unforeseeable, the application will be rejected as late.

The following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow GMS or Grants.gov instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

OVW Policy on Late Submissions
OVW offers several options for applicants to provide advance notice to OVW if receipt of their application will be delayed due to a temporary lack of Internet access, unforeseeable technical difficulties, or geographic isolation. If applicants do not provide advance notice to OVW about an issue that may cause a delay in the submission of the application, the application will not be considered for funding. If applicants follow the steps outlined above, OVW will consider an applicant's request for late submission. Extension of deadlines is not guaranteed and late submission does not automatically result in an award. Late submission only allows an application to be considered for funding. If late submission is approved, the application will be reviewed for registration information and completeness, and to ensure that the applicant meets the basic eligibility requirements (BMR) as defined in the solicitation. If the applicant meets BMR the application will be subject to both peer review and programmatic review before any funding decision is made.
Extraordinary Natural or Manmade Disasters
In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The request should specify the nature of the disaster and how it affected the applicant’s ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.

Intergovernmental Review
Single Point of Contact Review
Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the state Single Point of Contact (SPOC) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_spoc.

Funding Restrictions
Federal grants are governed by the provisions of the OMB circulars applicable to financial assistance and the Financial Guide. The Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, OMB circulars and guidelines, and the Financial Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals
Generally food and beverage costs are not allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.
Conference Planning and Expenditure Limitations
Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at http://www.ovw.usdoj.gov/grantees.html. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website http://www.ovw.usdoj.gov/grantees.html. For additional information regarding food and beverage regulations, please refer to the Financial Guide.

Training and Technical Assistance
All applicants are strongly encouraged to allocate funds in the amount of $5,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate $8,000 to account for higher travel costs. Include an estimated breakdown for these costs in the “Consultants/Contracts” category, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full set-aside amount listed above.

Program Assessments
Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Accommodations and Language Access
Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities and Deaf individuals and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.
Applicants proposing to use grant funds to create websites, videos and other materials must ensure that they are accessible to persons with disabilities. Grant funds must be allocated for these purposes.

Pre-Agreement Cost Approval
Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the Financial Guide for more information on pre-award costs.

Program Income
Program income is income generated from the federally-supported activities or earned as a result of the award and requires prior approval from OVW. Program income is not a requirement for this program.

Applicants that anticipate earning program income must include in the budget how the income will be expended. If approved, the program income will be in addition to the award amount and must be used for allowable activities or the program. Recipients that earn program income but did not anticipate earning program income at the time of the award must use the income generated for allowable activities of the program and reduce the award amount (rather than increase funds available for the program).

Unallowable Activities
The following is a list of activities that are unallowable and cannot be supported by Coalition Programs grant funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

1. Lobbying
2. Fundraising
3. Purchase of real property
4. Construction
5. Physical modifications to buildings, including minor renovations (such as painting or carpeting)

Other Submission Requirements
As discussed in the “Submission Dates and Times” section above, applications must be submitted electronically via GMS. Applicants that are unable to submit electronically must follow the instructions contained in the ‘Note’ in the “Submission Dates and Times” section above.

Reminder: To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.

Grants Management System

Applicants are required to submit applications through the Office of Justice Programs’ Grants Management System (GMS) instead of Grants.gov. In order to apply for a grant through GMS, go to https://grants.ojp.usdoj.gov/ and either sign in using the applicant’s current GMS ID and password or register as a new user. Once the applicant has logged into GMS, they should select
the program that they intend to apply for and follow the instructions. Training materials are available on the main GMS homepage.

**E. Application Review Information**

**Criteria**
Applications will be subject to a programmatic review. Applications will be reviewed based on the degree to which the applicant responds to each section and addresses each element contained within the corresponding section. Furthermore, applications will be reviewed based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested.

1. Summary data sheet
2. Project narrative
   A. Purpose of the application
   B. What will be done
   C. Who will implement
3. Budget narrative and detail

**Review and Selection Process**

**Programmatic Review**
All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing for scope, activities that compromise victim safety and, if applicable, past performance.

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will be asked to revise their application and may experience a delay in receiving funds.

As a part of the programmatic review process, applicants with current or recent (closed within the calendar year) OVW awards and/or cooperative agreements will be conducted by OVW, for past performance based on the elements listed below:

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives;
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas;
3. Adherence to all special conditions of existing grant award(s) from OVW;
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports;
5. Completion of close-out of prior awards in a timely manner;
6. Appropriate utilization and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award;
7. Receipt of financial clearances on all current or recent grants from OVW;
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit;
9. Adherence to the Office of Management and Budget single-audit requirement; and
10. Timely expenditure of grant funds.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director. All award decisions are final and not subject to appeal.

**Compliance with OVW Financial Requirements**
Each OVW grantee agrees to follow the financial and administrative requirements in the Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee may be denied continuation funding.

**High Risk Grantees**
Based on DOJ’s assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated “high risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

**Anticipated Announcement and Federal Award Dates**
It is anticipated that all applicants will be notified of the outcome of their applications by September 30, 2015.

**F. Federal Award Administration Information**

**Federal Award Notice**
Successful applications will receive OVW award notifications electronically from the OJP Grants Management System. This award notification will be sent to the individuals listed as the Authorized Representation and the Point of Contact in GMS for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the authorized representative and the scanning of the fully-executed award document to OVW.

**Administrative and National Policy Requirements**

Information for All Federal Award Grantees
Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements upon acceptance of an award. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the Solicitation Companion Guide.

17. Awards in Excess of $5,000,000 – Federal Taxes Certification Requirement
18. Active SAM Registration

Awards under this program will be made as grants. General terms and conditions applied to all OVW grants and cooperative agreements, including awards made by this program, are available at Standard Special Conditions-Grants and Standard Special Conditions-Cooperative Agreements. Each OVW grant program has additional program specific conditions that are included in the award document immediately following the standard special condition. Some awards will also have project-specific special conditions to ensure compliance with the statutory scope of the Coalition Programs.

Violence Against Women Act Non-Discrimination Provision
The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2015 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Compliance with OVW Financial Requirements
Each OVW grantee agrees to follow the financial and administrative requirements in the Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee’s award may be frozen or terminated and the grantee may be denied continuation funding.

Reporting Requirements
All OVW grantees receiving awards are required to submit a semi-annual progress report and quarterly Federal Financial Reports (SF 425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

Public Reporting Burden - Paperwork Reduction Act Notice
Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and
instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. The estimated average time to complete and file this form is 30 hours. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

**H. Other Information**
**Application Checklist**
Applicants must submit a fully executed application to OVW, including all required supporting documentation. OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, please ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g. a Legal Assistance for Victims Certification Letter submitted with a Transitional Housing Program Application).

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet
Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the Financial Guide.

Consultants/Contracts
Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant’s rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of $650 per day. Please note that this does not mean that the rate can or should be as high as $650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than $650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the “Consultants/Contracts” category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of $150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to 2 CFR Part 200.330.

Rent
Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property. In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs
Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization’s fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs
Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities, other than state and local governments and Indian tribes, which have never received a federally-approved indirect cost rate, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely.
Purchase and/or Lease of Vehicles
The purchase and/or lease of vehicles is prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners
In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget must include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. If a partner is a state or local governmental agency and the partnership duties are conducted within the course of the agency’s “regular” scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-federal contributions
Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424. Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.
Budget Detail Worksheet

**Purpose:** The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

**Please Note:** The following budget is an example intended to assist you in preparing your application budget.

**A. Personnel** – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of $10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

**TOTAL PERSONNEL:** $212,700

**B. Fringe Benefits** – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker’s Compensation, and Unemployment Compensation.

The Sexual Assault Training manuals will be purchased from the Sexual Assault Resource Center and will be used in conjunction with the on-site training that will be provided by the Consultant/Trainer.

The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages $200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to $500 to assist with rent and utility payments or security deposits.

TOTAL OTHER COSTS: $ 84,900

1. Indirect Costs – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. Non-federal entities, other than state and local governments and Indian tribes, which have never received a federally-approved indirect cost rate, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely
