PROPOSED DECISION

This is a claim against the Government of Hungary under Section 303(1) of the International Claims Settlement Act of 1949, as amended, for \$13,025.00 by WILFRED NEDSON KELLER, a national of the United States since his birth in the United States on April 3, 1890, for loss of property in Hungary during World War II.

The Commission finds that the claimant was the sole owner of certain items of personal property and owned a one-half interest in certain other items of personal property in Hungary and Northern Transylvania, Rumania, which were lost as a result of World War II and for which loss no compensation has been paid by the Government of Hungary. The Commission further finds that the loss actually sustained amounted to five thousand three hundred and eighty-two dollars (\$5,382.00) and concludes that claimant is entitled to an award under Section 303(1) of the Act. Under this Section awards are limited to two-thirds of the loss or damage actually sustained.

A W A R D

Pursuant to the provisions of the International Claims Settlement Act of 1949, as amended, an award is hereby made to WILFRED NEDSON KELLER in the amount of three thousand five hundred and eighty-eight
