

CHASING THE DRAGON

THE LIFE OF AN OPIATE ADDICT

In Support of National Opioid Abuse Prevention Week

The United States Attorney's Office invites you to a free showing of the documentary *Chasing the Dragon*. The numbers are appalling:

*Tens of thousands of
Americans will die this year
from drug-related deaths*

*And more than half of these
deaths are from heroin and
prescription opioid overdoses*

This documentary is a wakeup call!
