The Goals of the MSPI

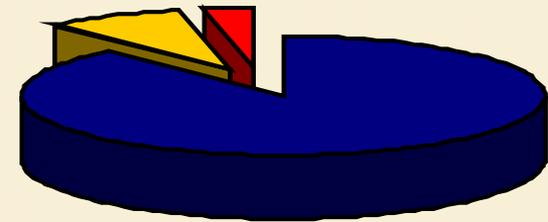

1. Provide funding to communities to support their own meth/suicide response;
2. Promote successful models for other communities to localize and implement;
3. Develop a self-sustaining “learning community”.

Types of MSPI Programs

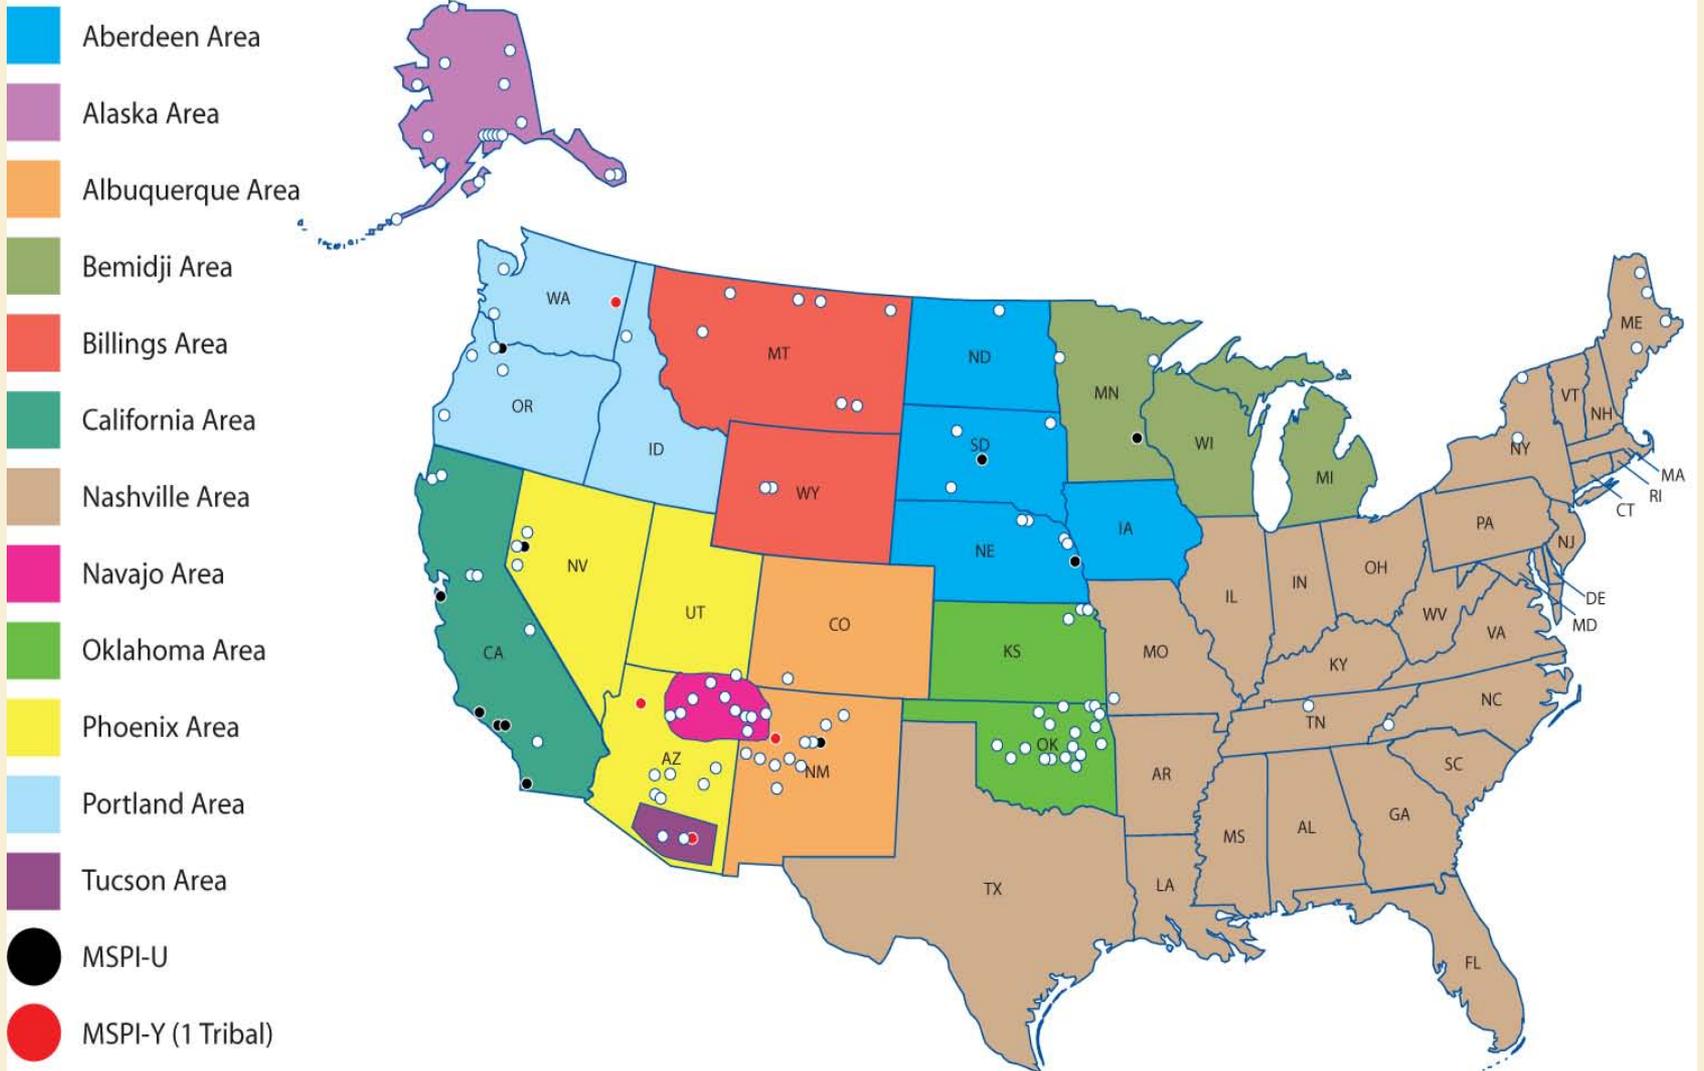

MSPI Programs can be clustered into three distinct types:

- MSPI-Tribal Programs
- MSPI-Urban Org.
- MSPI-Youth

National Evaluation Process

Jan. 2010, JBS International became the national evaluator. JBS has a long history of conducting evaluations in Indian Country.

For MSPI, JBS continues to:

1. Lead the MSPI local and national evaluation;
2. Provide evaluation technical assistances;
3. Facilitate the 1st Annual MSPI Conference; and
4. Analyze and report evaluation data.
