

ADVANCED LAW ENFORCEMENT RAPID RESPONSE TRAINING

Training law enforcement officers - specifically first responders - to safely and effectively respond to, address, and stop terroristic acts and active shooters.

ALERRT CRASE

CIVILIAN RESPONSE TO ACTIVE SHOOTER EVENTS

TRAIN THE TRAINER

4 Hour Class Block (Two blocks per day) 75-100 law enforcement officers per class = 150-200 trained in one day

For Law Enforcement Professionals

Have you ever been asked to give a presentation to a school, business, or group about what civilians should do if they find themselves in an active shooter event, but you didn't know where to start?

This class is designed to prepare you to present the ALERRT Civilian Response to Active Shooter Events lecture and scenario material.

Topics covered include the history and prevalence of active shooter events, the role of professional guardians, civilian response options, medical issues, and drills. Participants will receive a manual and a power point presentation suitable for use in their own presentations.
