

Introduction to Drug Endangered Children Training Program

Location: North Little Rock, AR

Date: August 18-19, 2015

The Introduction to Drug Endangered Children Training Program is a 1½ day training designed to familiarize the student with the elements of the crime of child abuse as it relates to drug labs, other drug environments, and severe neglect. The course provides the investigator with the tools necessary to collect, preserve and present evidence to the prosecutor to prove the crime of felony child abuse and neglect. This program also includes recognizing the evidence of a crime, collection and preservation of evidence, understanding the careful methodology required for forensic interviews of children, presenting judicial authorities with the specific components required to obtain a search/arrest warrant and completing concise literary documentation or reports to substantiate child abuse in a drug environment.

Who Should Attend: Qualified applicants must be sworn state, local or tribal law enforcement officers.

Cost: TUITION-FREE (*Attendees are responsible for meals, lodging and travel expenses.*)

Applicant Information: Go to <https://sass.fletc.dhs.gov/fast/> and select the program, date and/or location for the training you are interested in from the list and complete all of the requested information. Note that the application process does not guarantee a seat in the class. If the location and/or program you are looking for is not visible, it means that particular program is filled and is closed to applicants.
