-Registration will close on September 14th.

If you have any questions, please contact Sean Vassar at:
(916)-554-2907 or Sean.Vassar@usdoj.gov

Prescription drug abuse is America's fastest growing drug problem, especially among our youth. The consequences can be deadly.

This summit brings together educators, parents, community leaders, government officials, public health experts and law enforcement for a provocative and public discussion on the complex issues surrounding the abuse of pharmaceutical drugs and efforts to address this growing problem in our communities today.
