Deanna

Coleman: 3:18pm Sunday, September 21<sup>st</sup>. Calling Tom back.

Tom

Petters: Hey Deanna.

Coleman: Hi Tom. How are you?

Petters: Good. What's going on?

Coleman: Not a lot. I just got your message.

Petters: Okay.

Coleman: So, Bob is not answering your calls or returning your calls?

Petters: No, nope. But I'm just at Hazelden now, so.

Coleman: Okay.

Petters: I can't really be on the phone but, um.

Coleman: I'll try calling him.

Petters: Uh, anyway, just tell him to check his voicemail. I don't know what else to do so. I don't know what to do (UI). I left him very pumped-up messages, so.

Coleman: Okay.

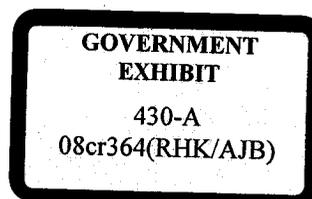

Petters: And um, so, I don't know. I know he called Greg Bell back yesterday.

Coleman: Yeah, Greg, Greg Bell called me yesterday.

Petters: Yeah, he called me today and said, uh, that um, (UI) switched out for BJ's. And he would be fine with some more updated (UI).

Coleman: Oh, he just wants the dates changed or he wants new purchase orders?

Petters: Bell said he called me about seventeen times today, um, he wanted the dates changed. Then he said that 1.1

that's total past due and then some of it's not very past due, like some of it (UI) past due. Anyway, um, he'd take a combination of, ya know, I don't know, he doesn't really know what to do. He just said he'd rather have less from BJs and (UI) there's not that much on their balance sheet. Anyway, I can't really talk right now.

Coleman: Okay, that's fine. I'll talk to you later.

Petters: But I just wanted to tell you I left him a message and, um, I know Greg was calling him back today and I, I, I didn't, I didn't work out a deal with him cuz I just said, he's talking to Bob and Bob said he can get some stuff for me or whatever. And he said it might take til Monday. (UI). I'm sorry so. Anyway, he said maybe some of them can be changed, the dates, and some can be replaced. But he wanted more, less Bjs and more Walmart. You know? Anyway. For us that's probably good anyway because it's not on much BJs balance sheet. But anyways, he knows it's not gonna happen in five minutes. Bob, Bob made it sound like it has to be Monday, you know.

Coleman: Well, that's a lot. Um, Bob's not gonna redo all that (UI).

Petters: No, I said that. I don't, Greg doesn't expect them done by Monday, and he said that to me and I said that to Bob, but I haven't been involved in Bob's conversations. So, but anyway, um, I gotta hang up. I'm sorry.

Coleman: Okay.

Petters: I saw it was you. Okay?

Coleman: Alright. I'll just, I'll talk to you later.

Petters: Yeah, if you hear anything, let me know. Okay?

Coleman: Okay.

Petters: Alright, thanks.

Coleman: Okay, bye.

Petters: Bye-bye. Bye.
