Deanna

Coleman: Um, Wednesday, September 24th a message from Tom last night around 9-ish.

Machine: Message sent yesterday at 8:49p.m.

Tom

Petters: Hey Deanna, it's Tom. Hay was going to call Sabes back. Need to talk to you. (UI) coming out tomorrow morning, I gotta call Bob. I gotta have a call, calling Fortress, gotta call Greg Bell. Call me back in another four hours. Gonna meet Larry tonight. Um, John Koneck and David Baer has been calling me because they think we need to start an investigation, which I gotta hold off. Don't want a fucking investigation on my own goddamn time. I mean on my own. Don't need an attorney like Larry (UI). The reason they want to start an investigation, everybody's getting worried. But we're not gonna start an investigation. That's why I want Larry to be the one to do the investigation. I knew they were gonna go there. Wanted to meet with me yesterday morning. At any rate, that's why just want to know if you heard from anybody or called Tom Hay yesterday. Thanks.
