Good morning Jim.

I have reviewed the 2004 tax return and compared it to previous years in file, 2001-2203 and in those years I was provided with an amended return that showed all the inclusive distributions Tom received.

i.e. for 2003 I received a tax return for Tom with an AGI of \$746,141. Later I received an amended and signed return showing an AGI of \$25,718,063. May I assume that I will receive an amended 2004 return also as the one I have shows an AGI of \$54,447?

Thank you
