Deanna

Coleman: (UI) Tom

Thomas

Petters: (UI)

Coleman: I know, (UI)

Petters: (UI) I mean seriously. We, you have ADD worse than I do and I tell you what. Fucking kill ya. I mean just kill ya (UI)

Coleman: Yeah.

Petters: I gotta tell you what. (UI)

Coleman: (UI) This is Deanna. Um, yeah (UI) you know I should, um, (UI). I should be home probably...

Petters: (UI)

Coleman: ...I'm g-, I'm leaving right now.

Petters: Put that money back in the (UI)

Coleman: Nope. Nope. Nope. I'm leaving right now so, um, I'll, ah, see you in about ten, twenty minutes.

Petters: (UI) Hey.

Coleman: Bye. Oh, too late, he already hung up.

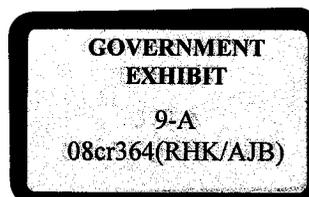

Petters: Tell him Debbie called him today. Cuz I was worried about you looking for you? (UI)

Coleman: Yeah.

Petters: Have you (UI)?

Coleman: Oh he did call. Yeah, he sent me a. Well I didn't have my email (UI).

Petters: Then when he called I went into Debbie's office. I said where is she? And I went in your office and I looked at your calendar.

Coleman: Yeah?

Petters: And there was no court date on there or anything and.

Coleman: Oh just a meeting. I think I just put meeting on there because I....

Petters: (UI).

Coleman:no I (UI).

Petters: (UI).

Coleman: No, I am fine.

Petters: No, you're not.

Coleman: No, I am fine.

Petters: (UI). Me too, but I'll tell what, you know what Deanna?

Coleman: We'll make it.

Petters: (UI) I hate everything I've done (UI). I just wanna get beyond talking about purchase orders.

Coleman: I know it's just so hard.

Petters: It's. You know.

Coleman: It just comes to a point where I just can't even I, I (UI).

Petters: Yeah I know you just can't even. I, I tell you what.

Coleman: You can't lie about 'em anymore you know.

Petters: Yeah, yeah I know. That's why I just said (UI) when are you gonna get paid? I said I don't know.

Coleman: Yeah.

Petters: You know what I'm not gonna tell it to the auditors but I, I told 'em, you know, these guys have been.

Coleman: They're fake PO's. No, I'm kidding. I'm not, but I mean...

Petters: Yeah, yeah we've got one for 75 million and another one for 250 million and another one for 300 million. What do you mean they don't even buy that much?

Coleman: Yeah.

Petters: How did Greg Bell ever start rolling 20 to 30 million dollar notes? He never.

Coleman: I don't, I don't even have. I mean I can't make the PO's fast enough for Greg Bell. I don't know how he does it. Um, he wants to do 20, 40, 60. About 60 million dollars a week and I just. Like today he begged me to do some more PO's.

Petters: Has he been sending you money?

Coleman: He'll send me. Like I said he'll send me roughly 20 million and I have to turn around and send it right back to him.

Petters: The same day.

Coleman: The same day.

Petters: The banks must hate this.

Coleman: I, I'm surprised we can get by with it. It just amazes me that everyone, no one. I mean Greg Bell. I don't see how he can possibly think this is real PO's and real deals.

Petters: How can? See the only thing that makes me believe that there is like some divine intervention, seriously, when, when you get to it there's no possibility we could of got away with this for so long.

Coleman: How can you possibly do this much business with three re...retailers? Sam, B.J.'s, Boscov's. I mean how can you do millions and millions of dollars in business?

Petters: What do you think this guy's comin' in to ask?

Coleman: Yeah.

Petters: (UI). You know what we're gonna do? You're gonna help me sell licenses we're gonna raise money and shit and we're gonna have some fun. That'll be fun shit. See if

we get this 350 million do you know how far that will take us? By the way and then I get another 200 million from Girard and it doesn't sound a lot. Doesn't fix it. But I tell you what it goes a long fucking way.

Coleman: It will.

Petters: But right now I gotta get a hundred million in to get rid of Michael Liss and the Sabeses and couple of those things and I get (UI) your guys five million or 10 million you know what I mean?

Coleman: Right.

Petters: There will come a day real soon here where we're gonna crack the safe cuz I tell you what my frustration, honestly, is not with you and Bob it's that I can't have, answer anything, we have such a little group now (UI) and you don't know what to say and now and I just wish I could just go Goddamnit. I wish I'd say I sold fucking Petters Company. Sold it. That's my next avenue that I'm gonna do. These guys that want me to consult, they think I'm the greatest diverter (UI) in the world. These fucking guys. Can I tell you something? People over there in fucking Switzerland talk about our diverting business. These guys called, called Girard and said they wanted to meet me because they wanted to talk to me while I was on the phone with you and you were telling me about Bob Sabes and I'm goin' Deanna I said I got like 40 minutes with these guys. These three guys are we'll pay you three million dollars a year just to come up and just give us two days every three months.

Coleman: I believe that.

Petters: I'm like okay and then I said well I got. I said then (UI) in my mind I'm going hum these guys can do this much business and they got all this money I'm thinking (UI) I said would you like to invest over in our business in the United States and I said cuz I won't let you and they go well we would like you and I said well I can't let you do that right now and I tell you what you know why? Cuz I knew they couldn't for sixty days.

Coleman: Right. Okay. Anyway I'll see you tomorrow, Tom.

Petters: (UI) talking.

Coleman: Yeah. Goodbye. See you.

Petters: Thank you for staying.

Coleman: Not a problem. We'll see you tomorrow.

Petters: Thank you a lot.

Coleman: Not a problem.
