

20TH ANNUAL FARGO POLICE COMMUNITY PICNIC

Employees of the United States Attorney's Office (USAO) participated in the 20th annual Fargo Police Community Picnic on Tuesday, June 24, 2014. The USAO was joined by agents from the FBI, Homeland Security Investigations (HSI), and the North Dakota Bureau of Criminal Investigation (BCI). This free event was held in Fargo's Island Park and provided an opportunity for the community to meet local law enforcement and other community service agencies. USAO employees visited with community members about internet safety and civil rights, and handed out brochures, pens, pencils, stickers, magnets, cell phone pads, carabiners, and highlighters, all generously donated by the local FBI, HSI, and BCI offices. The event provided a great opportunity to foster positive relations between the community and law enforcement.

Young fans of the USAO learn about internet safety.

USAO employees and law enforcement agents visit with community members.

The picnic was a great success despite somewhat rainy weather. Those attending enjoyed visiting animals from the Red River Valley Zoo, pony rides, and inflatable games from Games Galore. The Fraternal Order of Police served hotdogs, brats, and burgers, with all proceeds benefiting the local FOP lodge. Free chips (courtesy of Old Dutch) and free ice cream treats (courtesy of Cass Clay) were also available for all attending.
