

VICTIM IMPACT STATEMENT

For Preschool Victims

UNITED STATES V. _____

CASE NO. _____

Note to Caretakers: If your child is too young to read or is just learning to read, you will want to help your child fill out the victim impact statement. When helping your child, you will want to read the directions aloud to your child, talk about what feelings are (happy, sad, mad, scared or any other feelings you think are appropriate), and what your child may want to think about when they are drawing or writing on the statement. Please do not tell your child what to draw or write. This is your child's chance to tell the judge how he or she is feeling about what has happened. If your child would rather draw a picture of a bird, a boat, or write a story about bumblebees, this is ok as well. Should your child become uncomfortable in any way while filling out the victim impact statement, please reassure your child that he or she does not have to fill out the form unless he or she wants to.
