The position services over 160 Assistant U.S. Attorney's, as well as support staff. The librarian will manage an extant law library, and direct its evolution to stay abreast of advances in library and information services and to meet the needs of a demanding clientele. The librarian will evaluate and make recommendations, on a continuing basis, for acquisition (or de-acquisition) of print and on-line sources pertinent to legal research; investigation research; and research into other areas pertinent to the work of the USAO. The librarian will obtain or borrow material from other sources as needed to accomplish a particular research task. The librarian will manage accounts and provide training on sophisticated use of on-line systems. The librarian will also manage the storage, cataloging and retrieval, by electronic means or otherwise, of selected reference material generated within or gathered by the USAO.

GENERAL INFORMATION FOR COMPLETING YOUR APPLICATION:

1. QUALIFICATION REQUIREMENTS -Basic requirement-Applicants must meet the basic requirements specified in paragraphs A or B below:

A. Completion of 1 full academic year of graduate study in library science in an accredited college or university, in addition to completion of all work required for a bachelor's degree;

OR,

B. A total of at least 5 years of a combination of college-level education, training, and experience. To qualify on this basis, the applicant must establish conclusively that the education, training experience provided a knowledge and understanding of the theories, principles, and techniques of professional librarianship; a knowledge of literature resources; and the knowledge and abilities essential for providing effective library and information services.

In addition, applicants must meet the following requirements at the following grade levels:

Grade: 11: 3 full years of progressively higher level graduate education in library science or doctoral degree (Ph.D. or equivalent) related to the position or 1 year equivalent to at least a GS-9

Grade: 12: 1 year equivalent to at least the next lower grade level

In addition to meeting the basic requirement and the requirements for the grade you are applying to, the Librarian(law) position requires that your education or experience must also have included or been supplemented by the requirements specified in one of the paragraphs below:

a. A full 4-year course of study in an accredited college or university that meets all academic requirements for a bachelor's degree that included at least 24 semester hours in the specialized field for which the applicant is being considered, e.g., Physical science, biological science, social science; or that included any combination of subjects with least 15 semester hours in a major subject (such as physics or chemistry) that is especially applicable to the position for which the applicant is being considered: or

b. Completion of at least 24 semester hours of legal study in an accredited law school for positions primarily concerned with providing library services in law or legislative reference; or

c. Four years of pertinent experience of such nature and level to provide a knowledge of the basic principles, theories, practices, techniques, terminology and expressions of the appropriate discipline or subject-matter field; an understanding of the standard methods, procedures, and techniques of research and analysis in the subject-matter field; ability to acquire additional information about the field and related fields; and some knowledge of literature resources in the field. Such experience should be equivalent to that which would have been acquired through successful completion of a full 4-year curriculum in an accredited college or university with major study in appropriate subjects, or combination of subjects as specified in (a) above; or legal training as specified in (b) above; or

d. Any time equivalent combination of experience as described in © with education as described in (a) or (b) above.

Evaluation of Specialized Experience (for positions at GS-9 and above):

Experience must have demonstrated the ability to perform, supervise, or direct one or more of the functional areas of work covered by this series; to understand the concepts, theories, new developments, and co-relationship of information in related fields; and to maintain up-to-date information on the state of the art. For positions where foreign language proficiency is needed, applicants must be subject-matter field.

Applicants must meet all qualification requirements by the closing date.

2. EVALUATION METHOD -

Your application/resume will be evaluated to determine if you meet the minimum qualifications for this position. Qualified applicants will be further evaluated and rated under the Category Rating and Selection Procedures.
